You're no idiot, of course. You host the most fabulous dinner parties and select just the right wines. But when it comes time to play some bridge, you feel like hiding away in the kitchen. Don't spend the evening washing dishes! This book will help you learn the rules of the game in friendly, easy-to-swallow bites. You'll learn how to deal and play a "rubber"(that's bridge-talk for a game), how to keep score, and even how to deal with less-than perfect partners!

Penguin

America's Past and Its Relevance Today At times America's historical events can seem like a random collection of names, dates, and events, with no coherent storyline to pull them together. Understood as our collective biography, however, and

free of the cheerleading found in many textbooks, *The Complete Idiot's Guide to American History*, Fourth Edition, enriches our understanding of who we are and gives us an understanding of where we are going.

The Complete Idiot's Guide to WordPress Penguin

You're no idiot, of course. You're familiar with the Four Horsemen of the Apocalypse and Judgment Day—especially in the wake of the new millennium. However, the Book of Revelation has existed for almost 2,000 years and is open to countless interpretations. Don't get confused by scholarly analysis and religious dogma! *The Complete Idiot's Guide® to the Book of Revelation* shows you how so many meanings are derived from the book's text. In this *Complete Idiot's Guide®*, you get: Various ways to interpret Revelation and its symbols. A detailed examination of the key elements, including the Seven Seals and the Antichrist. A look at how the Jewish Old Testament and prophecies relate to Revelation.

The Complete Idiot's Guide to Investing Penguin

Let's face it- most students don't take calculus because they find it intellectually stimulating. It's not . . . at least for those who come up on the wrong side of the bell curve! There they are, minding their own business, working toward some non-science related degree, when . . . BLAM! They get next semester's course schedule in the mail, and first on the list is the mother of all loathed college courses . . . CALCULUS! Not to fear-*The Complete Idiot's Guide to Calculus*, Second Edition, like its predecessor, is a curriculum-based companion book created with this audience in mind. This new edition continues the tradition of taking the sting out of calculus by adding more explanatory graphs and illustrations and doubling the number of practice problems! By the time readers are finished, they will have a solid understanding (maybe even a newfound appreciation) for this useful form of math. And with any luck, they may even be able to make sense of their textbooks and teachers.

The Complete Idiot's Guide to the Old West Penguin

You're no idiot, of course. You know your own mind, but when it comes to understanding what's really going on in your head - all those synapses, all those neurones - you feel like you're just about brain-dead! Don't let it unnerve you! *'The Complete Idiot's*

Guide to Understanding the Brain' proves that you don't need to be a genius to be in the know, and gives you lots of fun stuff to think about, too. In this *'Complete Idiot's Guide'*, you get: -The history of human knowledge of the brain. -Insights into what causes brain disorders and how best to treat them. -Thoughtful tips about the many different ways we learn new information.
