Take the guesswork out of
BTEC assessment with
sample student work and
assessor feedback for all
pass, merit and distinction
criteria. By focusing on
assessment this compact
guide leads students
through each pass, merit
and distinction criterion
by clearly showing them

what they are required to do. - Provides a sample student answer for every single pass, merit and distinction criterion, together with detailed assessor's comments on how work can be improved, so that students know exactly what their work needs to show to hit their grade target - Saves you time - realistic model assignments are included and provide an opportunity to generate all evidence, with each criterion and grade clearly indicated, so there is no

need to rewrite yet more assignment briefs - Use instead of a textbook - detailed revision-style summaries of all the learning aims from the unit support students, allowing them to quickly find the facts and ideas they will need for their assessment - Enables you to customise your course - combine this guide with others in the series so you only pay for the units you deliver
