Values* Simon and Schuster

Richard Bandler is known worldwide as the cofounder of neurolinguistic programming (NLP). Here, in what will be considered a classic, is Bandler at his best—the most accessible and engaging work yet, detailing his proven methods that have freed tens of thousands of people worldwide of their destructive habits, phobias, and fears. When

conventional therapy and drugs fail, Richard Bandler delivers, often with miraculous results. Richard Bandler cocreated the field of NLP with John Grinder in the early 1970s. Since then, Bandler's work revolutionized the field of personal change; his models and methods have been widely adopted and used successfully in colleges and universities, therapists' offices, professional sports teams, and businesses across the globe. While many people have written books on NLP, much of what has been written is based on Bandler's ideas. Get The Life You Want

shares 'the how' from Bandler himself, with remarkable insights into some of his greatest and most advanced work to date, including compelling true examples from client sessions. With more than thirty exercises that promise rapid relief from any problem or habit, plus a glossary of terms and a detailed index, this is a culmination of a lifetime of work written in a simple, engaging style that both clinicians and laypeople will find effective. Richard Bandler's books have sold more than half a million copies worldwide. Tens of thousands of people, many of them therapists, have studied Bandler's blend of hypnosis, linguistics, and positive thinking at colleges and NLP training centers in the United States, Europe, and Australia. He is the author of *Using Your Brain—for a*

*Change, Time for Change, Magic in Action, and The Structure of Magic.* He coauthored *Frogs into Princes, Persuasion Engineering, The Structure of Magic Volume II, and Patterns of the Hypnotic Techniques of Milton H. Erickson Volume I.*

*The Structure of Personality* Crown House Publishing

There are many things I've come to understand throughout the many years I have been in this business. I've learned that it's never too late to grow and learn, to change course, to expand perspectives, and to admit I don't know everything. Because I know it's important to learn from the experience of others, I reached out to many experts when putting this book project together and I gained some valuable information from

them. The people I talked with have presented some insights that will expand your horizons and make you realize that you can be the key to your own success. This book, *Stepping Stones to Success*, is your golden opportunity to profit from the knowledge of others. It will give you the facts you need to make important decisions about your future. Interviewing these fascinating people was a unique learning experience for me. And I assure you that reading this book will be an exceptional learning experience for you.

This much anticipated volume continues the tradition of Volume I, the Practitioner course manual. The authors now invite you to reach beyond Practitioner to Master level to develop the very spirit of

NLP. "... the quintessential self-study course on advanced NLP." Judith E. Pearson PhD

I Have a Voice Atlantic Publishing Company

'OMG! This book is SO me! The tips and stories shared by Ed, Mark and Nicky will help you live a life filled with more fun, joy and enthusiasm!' ALISON HAMMOND, TV Presenter 'Kids are so authentic and there's no reason for us to lose that when we're older. Kids see the wonder and awe in the smallest things every day. Be More Kid reminds us how important it is to bring out the best in ourselves and how we can do that in way that also brings out the best in others.' BEN SHEPHARD, TV Presenter 'This book gives you the tools to bring the belief, energy and passion you had as a child

into your current life with transformational results.' SARAH STIRK, TV Presenter, Sky Sports & Entrepreneur THIS ISN'T JUST ANOTHER SELF IMPROVEMENT BOOK. Have you ever felt there must be more to life? Do you feel unfulfilled? Have you felt stuck, not knowing how to move forward and found yourself settling for less than you deserve? AND IT ISN'T ABOUT HAVING TO CREATE A NEW YOU. Since childhood you've had all of the resources that you need to create the life that you want, and over time you've simply lost touch with them. Now is the time to find them again. With expert guidance from broadcaster and entrepreneur, Ed James and behaviour and relationship experts, Mark & Nicky Taylor, you'll rediscover your sense of purpose, reconnect with

what is important to you and find out how to unlearn unhelpful habits and behaviours. Employing simple tools and techniques you can use each day, *Be More Kid* shows you how to: Enjoy a meaningful and fulfilling life Stop overthinking and build resilience in a challenging world End the conflict of putting everyone else before your own needs Rediscover the contentment, enthusiasm and zest for life you had as a child If you are ready for a new approach to your happiness, relationships and your future, *Be More Kid* will guide you through the journey, one step at a time. *Be More Kid* Watkins Media Limited This outstanding set of PowerPoint "RM" overheads summarizes The User's Manual for the Brain Volume I NLP Practitioner Certification with over 200

pages of slides, making this an essential resource for NLP trainers using this volume as the basis for their training. For display on a computer-linked projector, printed out as handouts, or masters for conventional overhead projectors.

The Spirit of NLP - revised edition Crown House Publishing

Training Trances is about how to therapeutically communicate with the unconscious mind. The authors present their own unique integration of Ericksonian techniques, traditional models of hypnotherapy, and recent research in related areas. Numerous new patterns modeled from the work of Milton H. Erickson, M.D. are clearly explained and demonstrated. The use of trance in training design, to unconsciously install the skills being

taught to the participants, is also covered. The book developed from transcripts of a four day workshop, and the design of the book parallels the design chosen for the training itself. Individual exercises or those done in groups of two or three are offered so that the reader may practice the techniques and learn the skills. There are numerous "live" demonstrations, inductions, and double inductions which create for the reader a real "feel" of how hypnosis is done and which are also a rich source for linguistic analysis for the advanced reader. Written with insight and humor, this book's most unique twist is its use of multi-level communication and hypnotic language to create a "training trance" for the readers as they journey through the text. Some hypnotic

references are obvious and explicit -- those which are not obvious will create enjoyable "ah-ha!" experiences for the reader as they are discovered.

*How to Stop Stuttering* Balboa Press  
Whether you are a newcomer or a seasoned professional, *Presenting Magically* will provide you with masterful tips and techniques to transform your presenting skills. "A treasure trove of information on how to acquire the skills of a world class presenter." Judith E. Pearson PhD, Anchor Point

**Stepping Stones to Success** Cgw  
Time Line Therapy and the Basis of Personality is a compelling study of the important elements that make up a person's core personality, and a detailed exploration of - and introduction to - how Time Line therapy works in practice.

Written by Tad James and Wyatt Woodsmall, *Time Line Therapy and the Basis of Personality* is a compelling study of the important elements that make up a person's core personality, and a detailed exploration of - and introduction to - how Time Line therapy works in practice. Utilizing discoveries made by Richard Bandler, *Time Line Therapy and the Basis of Personality* expands and updates our knowledge of how people actually store their memories, and sheds light on the effect that the system used for memory storage has on the individual. The authors contend that the concept of Time Line, or the notion of time that you have stored in your mind, shapes and structures your experience of the world, and therefore shapes your personality. Time Line therapy is

therefore based on the premise that the client goes back to the first time they remember a particular problem, does change work - utilizing Neuro Linguistic Programming (NLP) to eliminate irritating behaviors or issues - and, if necessary, goes to subsequent times when their behavior or response was a problem, and undertakes further change work to resolve it. Time Line Therapy and the Basis of Personality offers readers the opportunity to see how Time Line therapy works - providing a clear description of how to elicit the Time Line, and sharing step-by-step methods to subsequently help the client to release a limiting decision or trauma, remove anxiety, or set a future goal. All of these key aspects are explained using clear language and easy-to-follow steps, and

the authors' expert commentary is further complemented by examples, exercises and transcripts in order to help the reader transfer the theory into effective practice.

*Training Trances* Crown House Publishing  
More than thirty years ago, Richard Bandler set out to discover how some therapists managed to effect startling change with their clients, while others were arguing about theories as their face patients waited in vain for help. Now widely regarded as the world's greatest hypnotist, Richard Bandler observed and developed patterns which became the foundation of neuro-linguistic programming (NLP), arguably one of the most profoundly effective approaches for self-development and change. Since coauthoring the internationally

influential books, *The Structure of Magic Volume 1*, and *Patterns of the Hypnotic Techniques of Milton Erickson, M.D. Volume 1*, Bandler has traveled the world, honing his skills and helping people solve problems and achieve goals when other "experts" have been unable to help. Richard Bandler's *Guide to TRANCE-formation*, he returns to his roots: hypnotic phenomena, trancework, and altered states to provide a highly compelling prescription for personal change. According to Bandler, "trance" is at the very foundation of human experience. People are not simply in or out of trance, but are moving from one trance to another. They have their work trances, their relationship trances, their driving trances, and their parenting trances. Some of these states are useful

and appropriate; others are not. With his signature wit and contrarian approach to therapy, Bandler shows how anyone can reset or reprogram problem behaviors to desired alternatives, with lasting and life-altering results. Peppered with case studies and more than thirty exercises, *Richard Bandler's Guide to TRANCE-formation*, is an intriguing, engaging, and often amusing, read for anyone, whether they are new to NLP, want to further their NLP training, or simply want to make a positive difference in their own lives.

Imagine how different your life would be if you were free from your baggage, your limitations, and your pain? As a therapist, imagine having an effective

tool to help your clients become free of depression, PTSD and anxiety within hours rather than years? In Mental and Emotional Release, Dr. Matt James introduces an incredible therapeutic process MER proven to be effective in treating everything from bedwetting to bulimia, PTSD to migraines within hours, not years. This is the type of result we all want for all of our patients. But frankly, before I started introducing MER to my patients, I rarely saw it and definitely didn't see it happening as quickly as this. Dr. Larry Momaya, psychiatrist Written in a language both professionals and non-professionals can understand, Mental and Emotional Release offers real life case studies, an overview of MER and its foundation, step by step scripts to follow, and clinical efficacy studies comparing

MER to other therapies. Its straight-forward and targeted. Patients don't have to re-live any traumas from the past to resolve them, and they don't have to go into deep hypnotic trance. For 80-85% of my patients, MER gives tremendous relief from their symptoms in the very first session. Dr. Patrick Scott, psychologist

### **Time Line Therapy® Made Easy**

Harper Collins

Ho'oponopono is not about the other person. It's about you. Ho'oponopono is known as the ancient Hawaiian forgiveness process. But, according to Dr. Matt James, that's not quite accurate. "Ho'oponopono is about release. Releasing pain from the past that enslaves you in the present. Releasing old perceptions of those you love, so

your relationships are alive and fresh. Even releasing those who have died so your grief can shift into a new appreciation." Through consistent use of practices like ho'oponopono, ancient Hawai'ians were almost completely devoid of mental and emotional diseases. They knew what modern medical science has since verified: that holding a grudge affects you not only emotionally, but is also related to physical issues like heart disease, compromised immune systems, and increased stress. This book will show you: - Why emotional baggage is so toxic physically, and how to remove it - How holding grudges sabotages your dreams, and how to release any resentment - Why your relationships become stale, and how to bring vibrancy back to them -

How to turn your grieving into love and joyful acceptance "Now that science understands the importance of forgiveness and release, many teachers and trainers are promoting ho'oponopono. Their intentions are good, but they miss the mark. It's not just about the words. For true healing, you need to understand how to tap the energy of ho'oponopono." Modern teachers often streamline the process of ho'oponopono, but in doing so, they leave out elements that ancient Hawaiians knew were critical. In *Ho'oponopono: Your Path to True Forgiveness*, Dr. Matt reveals those elements, and shows you step by step how to use them for total healing. Few teachers who talk about ho'oponopono have the extensive background Dr. Matt

James has in the practice. Dr. Matt is privileged to carry on the 28th generation of Huna- the ancient practice of energy work, empowerment and flexibility of the Spirit, Mind and Body- and its teachings. He also wrote the dissertation for his doctorate in psychology on ho'oponopono and its effectiveness. He has practiced ho'oponopono and taught it to thousands of students for over 20 years.

**Provocative Coaching** Hierophant Publishing

With new and updated material this is the second edition of a work which has long been regarded as one of the best introductions to NLP and, in particular, its Language of Communication model, available. It introduces the reader to a remarkable new approach to the study

of human communications and therapeutic change. Managers, sales people, consultants, therapists, parents educators - anyone interested in or involved with influential communications and personal change - will benefit from reading this book, which is written in an informal and entertaining style.

Multi-level Communication in Therapy and Training Crown House Pub Limited Hall and Bodenhamer follow the success of Volume I with a book that introduces the new advances in the field of Neuro-Linguistic Programming (NLP) and put together comprehensive information for attaining the Master's level.

**Your Life Is Designed to Work** Crown House Publishing

An oyster can't produce pearls without first suffering with a grain of sand. Each

of the chapters in *Pearls of Wisdom: 30 Inspirational Ideas to Lead Your Best Life Now* gives guidance to readers on how to turn their own grains of sand into pearls. With four New York Times bestselling authors, including *Chicken Soup for the Soul's* Jack Canfield, Chris and Janet Attwood, and Marci Shimoff plus 25 of the best up and coming self-help authors, each chapter contains a fresh idea for a positive life change. With each chapter as diverse as the cast of authors who have come together to create this unique book, there is certain to be an idea to help transform anyone's life. *Pearls of Wisdom* contains the greatest ideas of today's top self-help authors, combining traditional and new techniques, affirmations, theories, meditations and practices to lead

readers from the struggles they deal with in their current situations to a higher, enlightened life; not merely an existence. For anyone who has thought, "am I really living the best possible life I could be?", *Pearls of Wisdom* grants the answers for any of life's questions, straight from the words of the masters of self-help themselves.

*Healing Through Altered States of Consciousness* BCS, The Chartered Institute

This NLP Practitioner manual is the result of 20 years research and application of NLP by one of its most innovative, practical and results oriented trainers and writers. Peter Freeth has pioneered many recognised developments in NLP's approach and techniques that are now used by countless trainers and

professionals, worldwide, including: The flipchart and notepad swishes - loved by trainers, coaches and all professionals for powerful results in any environment  
The easy way to anchor - succeed every time by discovering how it really works, contrary to what most trainers think  
Use complex techniques such as the Six Step Reframe and Fast Phobia Cure easily by understanding how to improvise  
Featuring both the Society of NLP core syllabus and many other popular NLP concepts and techniques, this book will show you how to adapt and apply NLP in any professional environment. There are even chapters on building your professional practice and absorbing NLP into other skill sets, so you really can integrate NLP into your work for the very best results, both for yourself and for

your clients. Most importantly of all, this book will help you to understand the underlying structure of NLP's techniques so that you can adapt and use them in the class room, meeting room, board room or even the dining room, all in plain, everyday language.

This practical resource makes three radically different types of hypnosis easy to use in daily hypnotic work, exploring

the methods of Milton H. Erickson, George Estabrooks and David Elman. "A gem. Well-written, well-paced and packed with information." Andrew Bradbury, author of *Successful Presentation Skills and Develop Your NLP Skills*

[A comprehensive guide](#) Pedagogy for a Changing World

Written by Tad James and Wyatt Woodsmall, *Time Line Therapy and the Basis of Personality* is a compelling study of the important elements that make up a person's core personality, and a detailed exploration of and introduction to how Time Line therapy works in practice. Utilizing discoveries made by Richard Bandler, *Time Line Therapy and the Basis of Personality* expands and updates our knowledge of how people

actually store their memories, and sheds light on the effect that the system used for memory storage has on the individual. The authors contend that the concept of Time Line, or the notion of time that you have stored in your mind, shapes and structures your experience of the world, and consequently shapes your personality. Time Line therapy is therefore based on the premise that the client goes back to the first time they remember a particular problem, does change work utilizing Neuro Linguistic Programming (NLP) to eliminate irritating behaviors or issues and, if necessary, goes to subsequent times when their behavior or response was a problem, and undertakes further change work to resolve it. Written in an informative and engaging manner, *Time Line Therapy*

and the Basis of Personality offers readers the opportunity to see how Time Line therapy works providing a clear description of how to elicit the Time Line, and sharing step-by-step methods to subsequently help the client to release a limiting decision or trauma, remove anxiety, or set a future goal. All of these key aspects are explained using clear language and easy-to-follow steps, and the authors' expert commentary is further complemented by examples, exercises and transcripts in order to help the reader transfer the theory into effective practice. In Section I, the authors explain the NLP Communication Model and share their in-depth analysis of the filters values, beliefs, attitudes, decisions, memories and meta programs which we subconsciously use as we

process the world around us and which form the basis of our personalities. Section II provides a comprehensive description of the Time Line and how it works: laying down a theoretical basis for the technique before offering insight into its practice and application with a demonstrative transcript of Time Line elicitation and change work in order to illustrate the concepts explored. In Section III the authors move on to carefully survey simple and complex meta programs (and how they can be changed) before exploring the formation, evolution and changing of values in Section IV, which includes a helpful exercise that gives guidance on how to elicit values from the client. Exploring many interesting contexts and how personality can be positively changed to

help people live happier lives, Time Line Therapy and the Basis of Personality is a worthy addition to any therapist's or NLP practitioner's library and is suitable reading for anyone interested in behavioral change. Sections include: Section I Introduction; Section II Time Line Therapy; Section III Meta Programs; Section IV Values. Time Line Therapy and the Basis of Personality was originally published in 1988 by Meta

Publications.

*The Essential Guide to Neuro-Linguistic Programming* Crown House Pub Limited

The use of language lies at the core of most hypnotic interventions. Milton H Erickson developed complex language patterns that now form a major part of most therapists' work. In this book, the authors build on Erickson's approach, and develop it considerably further.
