*Smoke Bitten* Thomas Nelson

Mated werewolves Charles Cornick and Anna Latham must discover what could make an entire community disappear--before it's too late--in this thrilling entry in the #1 New York Times bestselling Alpha and Omega series. In the wilds of the Northern California mountains, all the inhabitants of a small town have gone missing. It's as if the people picked up and left their possessions behind. With a mystery on their hands and no jurisdiction on private property, the FBI dumps the whole problem in the lap of the land owner, Aspen Creek, Inc.--aka the business organization of the Marrok's pack. Somehow, the pack of the Wolf

Who Rules is connected to a group of vanished people.

Werewolves Charles Cornick and Anna Latham are tasked with investigating, and soon find that a deserted town is the least of the challenges they face. Death sings in the forest, and when it calls, Charles and Anna must answer. Something has awakened in the heart of the California mountains, something old and dangerous--and it has met werewolves before.

*On the Prowl* Penguin

A breathtaking epic fantasy adventure from the bestselling Patricia Briggs, author of the Mercy Thompson novels. After an upbringing of proper behaviour and oppressive expectations, Aralorn fled her noble birthright for a life of adventure as a mercenary spy. But her latest mission involves more peril than she ever imagined. Agents of Sianim have asked her to gather intelligence on the increasingly popular and powerful sorcerer

Geoffrey ae'Magi. Soon Aralorn comes to see past the man's striking charisma - and into a soul as corrupt and black as endless night. And few have the will to resist the sinister might of the ae'Magi and his minions. So Aralorn, aided by her enigmatic companion, Wolf, joins the rebellion against the ae'Magi. But in a war against a foe armed with the power of illusion, how do you know who the true enemy is - or where he will strike next? This omnibus edition contains the two titles MASQUES and WOLFSBANE. THE FIRST MERCY THOMPSON NOVEL! Moon Called is the novel that introduced Patricia Briggs's Mercy Thompson to the world and launched a #1 bestselling phenomenon... Mercy Thompson is a shapeshifter, and while she was raised by werewolves, she can never be one of them, especially after the pack ran her off for having a forbidden love affair. So she's turned her talent for fixing cars into a business and now runs a one-woman mechanic shop in the Tri-Cities area of Washington State. But Mercy's two worlds are colliding. A half-starved teenage boy arrives at her shop looking for work, only to reveal that he's a newly changed werewolf—on the run and desperately trying to control his animal instincts. Mercy asks her neighbor Adam Hauptman, the Alpha of

the local werewolf pack, for assistance. But Mercy's act of kindness has unexpected consequences that leave her no choice but to seek help from those she once considered family—the werewolves who abandoned her... "In the increasingly crowded field of kick-ass supernatural heroines, Mercy stands out as one of the best."—Locus

Mercy Thompson, car mechanic and shapeshifter, must face her greatest fears in this chilling entry in the #1 New York Times bestselling series. The vampire Wulfe is missing. Since he's deadly, possibly insane, and his current idea of "fun" is stalking me, some may see it as no great loss. But, warned that his disappearance might bring down the carefully constructed alliances that keep our pack safe, my mate and I must find Wulfe—and hope he's still alive. As alive as a vampire can be, anyway. But Wulfe isn't the only one who has disappeared. And now there are bodies, too. Has the Harvester returned to the Tri-Cities, reaping souls with his cursed sickle? Or is he just a character from a B horror movie and our enemy is someone else? The farther I follow Wulfe's trail, the more twisted—and darker—the path becomes. I need to figure out what's going on before the next body on the ground is mine.

#### Raven's Strike Penguin

"Kick-ass were-coyote auto mechanic Mercedes Thompson" (Publishers Weekly) has leapt to the forefront of today's urban fantasy heroes, thanks to bestselling author Patricia Briggs. Now, Mercy finds herself in the middle of a bloodbath—with only one way out... Mercy has friends in low places—and in dark ones. And now she owes one of them a favor. Since she can shapeshift at will, she agrees to act as some extra muscle when her vampire friend Stefan goes to deliver a message to another of his kind. But this new vampire is hardly ordinary—and neither is the demon inside of him. When the undead and the werewolves sent to find him don't return, the local vampire queen turns to Mercy for help. A coyote is no match for a demon, but Mercy is determined to get her friends back—including the two werewolves circling around her heart.

"The London Silver Vaults--for well over a century, the largest collection of silver for sale in the world. It has more locks than the Bank of England and more cameras than a paparazzi convention. Not somewhere you can murder someone and vanish without a trace--only that's what happened. The disappearing act, the reports of a blinding flash of light, and memory loss amongst the witnesses all make this a case for Detective Constable Peter Grant and the Special Assessment Unit. Alongside their boss DCI Thomas Nightingale, the SAU find themselves embroiled in a mystery that encompasses London's tangled history, foreign

lands and, most terrifying of all, the North! And Peter must solve this case soon, because back home his partner Beverley is expecting twins any day now. But what he doesn't know is that he's about to encounter something--and somebody--that nobody ever expects..."--

Welcome to Patricia Briggs's world, a place where "witches, vampires, werewolves, and shape-shifters live beside ordinary people" (Booklist). It takes a very unusual woman to call it home—and there's no one quite like Mercy Thompson. By day, Mercy Thompson is a car mechanic in the sprawling Tri-Cities of Eastern Washington. By night, she explores her preternatural side. As a shape-shifter with some unusual talents, Mercy's found herself maintaining a tenuous harmony between the human and the not-so-human on more than one occasion. This time she may get more than she bargained for. Marsilia, the local vampire queen, has learned that Mercy crossed her by slaying a member of her clan—and she's out for blood. But since Mercy is protected from direct reprisal by the werewolf pack (and her close relationship with its sexy Alpha), it won't be Mercy's blood Marsilia is after. It'll be her friends'.

#### *Silver Borne* Hachette UK

Patricia Briggs "has reached perfection"\* in this #1 New York Times bestseller, as Mercy Thompson faces a shapeshifter's biggest fear... Mercy's life has undergone a seismic change. Becoming the mate of Alpha werewolf Adam Hauptman has made her a stepmother to his daughter Jesse, a relationship that brings moments of blissful normalcy to Mercy's life. But on the edges of humanity, what passes for a minor mishap on an ordinary day

can turn into so much more... After a traffic accident in bumper-to-bumper traffic, Mercy and Jesse can't reach Adam—or anyone else in the pack. They've all been abducted. Mercy fears Adam's disappearance may be related to the political battle the werewolves have been fighting to gain acceptance from the public—and that he and the pack are in serious danger. Outmatched and on her own, Mercy may be forced to seek assistance from any ally she can get, no matter how unlikely.

**Night Broken Penguin**

Now in hardcover, the sixteenth novel of the Hugo-nominated, New York Times-bestselling October Daye urban fantasy series. October Daye is finally something she never expected to be: married. All the trials and turmoils and terrors of a hero's life have done very little to prepare her for the expectation that she will actually share her life with someone else, the good parts and the bad ones alike, not just allow them to dabble around the edges in the things she wants to share. But with an official break from hero duties from the Queen in the Mists, and her family wholly on board with this new version of "normal," she's doing her best to adjust. It isn't always easy, but she's a hero, right? She's done harder. Until an old friend and ally turns out to have been an enemy in disguise for this entire time, and October's brief respite turns into a battle for her life, her community, and

everything she has ever believed to be true. The debts of the Broken Ride are coming due, and whether she incurred them or not, she's going to be the one who has to pay.

*Wild Sign* Penguin

New York Times and USA Today bestselling author Shelly Laurenston follows the explosive success of *Hot and Badgered* with the second installment in her sizzling outrageous series, this time featuring a heroine who is half tiger, half honey badger shifter, and fully living her truth. Petite, kind, brilliant, and young, Stevie is nothing like the usual women bodyguard Shen Li is interested in. Even more surprising, the youngest of the lethal, ball-busting, and beautiful MacKilligan sisters is terrified of bears. But she's not terrified of pandas. She loves pandas. Which means that whether Shen wants her to or not, she simply won't stop cuddling him. He isn't some stuffed Giant Panda, ya know! He is a Giant Panda shifter. He deserves respect and personal space. Something that little hybrid is completely ignoring. But Stevie has a way of finding trouble. Like going undercover to take down a scientist experimenting on other shifters. For what, Shen doesn't want to know, but they'd better find out. And fast. Stevie might be the least violent of the honey badger sisters, but she's the most dangerous to Shen's peace of mind. Because she has absolutely no idea how much trouble they're in . . . or just how damn adorable she is. Praise for Shelly Laurenston "Hot and humorous." —USAToday.com on *Hot and Badgered* "Laurenston delights...Zany, sarcastic humor...Familiar, well-developed characters and full immersion into the universe make this a must-read for a new and returning readers alike." —Publishers Weekly on *In a Badger Way* "In a Badger Way is pure, unadulterated fun.

It's ten pounds of bursting-at-the-seams excitement in a five pound bag...No one does it like Shelly Laurenston when it comes to unique, unparalleled heroines and the heroes who can't help but love them. Even when they're honey badgers." —Bookpage on *In a Badger Way*

*The Waves Burn Bright* Simon and Schuster

IN A BUSINESS LIKE MONSTER HUNTING, IT'S ALL ABOUT SETTING PRIORITIES The chaos god Asag has been quiet since the destruction of the City of Monsters, but Monster Hunter International know that he is still out there, somewhere—plotting, waiting for his chance to unravel reality. When Owen and the MHI team discover that one of Isaac Newton's Ward Stones is being auctioned off by Reptoids who live deep beneath Atlanta, they decide to steal the magical superweapon and use it to destroy Asag once and for all. But before the stone can be handed off, it is stolen by a mysterious thief with ties to MHI and the Vatican's Secret Guard. It's a race against time, the Secret Guard, a spectral bounty hunter, and a whole bunch of monsters to acquire the Ward Stone and use it against Asag. For as dangerous as the chaos god is, there is something much older—and infinitely more evil—awakening deep in the jungles of South America. At the publisher's request, this title is sold without DRM (Digital Rights Management). About Larry Correia and the *Monster Hunter International* series: "[E]verything I like in fantasy: intense action scenes, evil in horrifying array, good struggling against the darkness, and most of all people—gorgeously flawed human beings faced with horrible moral choices that force them to question and change and grow." —Jim Butcher "[A] no-holds-barred all-out page turner that is part

science fiction, part horror, and an absolute blast to read.”

—BookReporter.com “If you love monsters and action, you’ll love this book. If you love guns, you’ll love this book. If you love fantasy, and especially horror fantasy, you’ll love this book.”

—Knotclan.com “A gun person who likes science fiction—or, heck, anyone who likes science fiction—will enjoy [these books] . . . The plotting is excellent, and Correia makes you care about the characters . . . I read both books without putting them down except for work . . . so whaddaya waitin’ for? Go and buy some . . . for yourself and for stocking stuffers.” —Massad Ayoob “This lighthearted, testosterone-soaked sequel to 2009’s *Monster Hunter International* will delight fans of action horror with elaborate weaponry, hand-to-hand combat, disgusting monsters, and an endless stream of blood and body parts.” —Publishers Weekly on *Monster Hunter Vendetta*

In 1988 the Piper Alpha oil platform off the coast of Aberdeen, Scotland exploded, killing 167 men. *The Waves Burn Bright* is a deeply effecting, sensitive exploration of its devastating aftermath on one family. Carrie Fraser is 16 when the disaster occurs, her father Marcus one of the survivors. As the narrative moves between past and present the trauma blows open existing fractures, tearing the family apart. In adulthood and after many years living abroad, Carrie, now a respected volcanologist, is returning to Aberdeen to deliver a controversial academic paper. Carrie and her father are estranged, partly due to his post-traumatic stress and related alcoholism, a legacy of Piper Alpha. Will a reconciliation be possible or will the aftershocks of a tragedy that occurred 25 years before continue to drive father

and daughter apart? ‘A cauldron of a book, bubbling with anger and magma which might at any moment spill over and bring further devastation. It is both particular to this tragedy in 1988, but also universal; a compelling story exploring how a father’s trauma sends shock waves through a family, changes the pattern of lives – particularly his daughter’s – and makes love risky. However, as well as being about damage and running away, it is also about healing.’ Linda Cracknell, author of *Call of the Undertow* and *Doubling Back* ‘it wasn’t so much that Maloney’s characters had made an impact on my world, but that I had entered theirs... simply a cracking good read.’ Alison Miller, author of *Demo*

“Expect to be spellbound”\* by Patricia Briggs’s #1 New York Times bestselling series starring Mercy Thompson. Being a lowly “walker” in a world of vampires, werewolves, and fae once kept her safe. But Mercy’s bark—and bite—are not so harmless any more... Though Mercy can shift her shape into that of a coyote, her loyalty never wavers. So when her former boss and mentor, Zee, asks for her help, she’s there for him. A series of murders has rocked a fae reservation, and Zee needs her unique gifts, namely her coyote sense of smell, to sniff out the killer. But when Zee is accused of murdering the suspect Mercy outed, he’s left to

rot behind bars by his own kind. Now it's up to Mercy to clear his name, whether he wants her to or not. Mercy's loyalty is under pressure from other directions, too. Werewolves are not known for their patience, and if Mercy can't decide between the two she cares for, Sam and Adam may make the choice for her... \*Lynn Viehl, New York Times bestselling author

### **Frost Burned** Penguin

In this powerful entry in the #1 New York Times bestselling series, Mercy Thompson must face a deadly enemy to defend all she loves... My name is Mercedes Athena Thompson Hauptman, and I am a car mechanic. And a coyote shapeshifter. And the

mate of the Alpha of the Columbia Basin werewolf pack. Even so, none of that would have gotten me into trouble if, a few months ago, I hadn't stood upon a bridge and taken responsibility for the safety of the citizens who lived in our territory. It seemed like the thing to do at the time. It should have only involved hunting down killer goblins, zombie goats, and an occasional troll. Instead, our home was viewed as neutral ground, a place where humans would feel safe to come and treat with the fae. The reality is that nothing and no one is safe. As generals and politicians face off with the Gray Lords of the fae, a storm is coming and her name is Death. But we are pack, and we have given our word. We will die to keep it.
