*The Arthashastra* Pustak Mahal

Chanakya was undoubtedly ancient India's finest political strategist and thinker. His brand of wisdom is ageless and immitable. This volume forcefully impress upon one, the need and the permanance of a moral code. The book has a large smattering of pithy observations on women, family life, human relationships, moral conduct and spirituality. Chanakya's startling prophecies, meaningful reflections on everyday living and headed axioms, make this book a rich repository of profundity and reason.

*The Prabhakaran Saga* Diamond Pocket Books Pvt Limited

Chanakya's Chant is a racy and gripping account on Chanakya, one of the greatest political strategists India has seen. The story

changes track as it narrates the tale of Gangasagar Mishra, the reincarnation of Chanakya, in parallel. Will he be the next kingmaker? Gangasagar Mishra, a denizen of a quaint old Indian town, is no ordinary man. Society sees him as a Brahmin teacher who can barely make ends meet, but he's the reincarnation of the man who brought the fragmented subcontinent together under a single empire – Chanakya. Chanakya's Chant by Ashwin Sanghi gives its readers a look into two parallel worlds that are tied together by the intelligence of the main protagonists. The first story is set in 340 BC, when a young Brahmin man, fueled by the death of his father, vows revenge against the king and overthrows his rule by bringing in Chandragupta Maurya, the first emperor of the Maurya Dynasty. The scene then shifts to modern day India, where Gangasagar Mishra leads his life as a nonentity – until he decides to groom an ambitious girl from Kanpur into India's prime minister. Will Chanakya's manipulative mechanisms change the face of the nation again? The book takes readers on a

joyride through Chanakya's cold and calculating moves. Chanakya's Chant was very well received by critics and readers. Renowned bureaucrat and writer Shashi Tharoor released the book in Mumbai and termed it a gripping and delightful read. The book is a historical account, but features many colloquial terms too.

Thus Spoke Chanakya Classics Press

Kautilya, also known as Chanakya, is India's most illustrious political economist of all time. He regarded economic activity as the driving force behind the functioning of any political dispensation. In fact, he went to the extent of saying that revenue should take priority over the army because sustaining the army was possible out of a well-managed revenue system. Kautilya advocated limiting the taxation power of the State, having low rates of taxation, maintaining a gradual increase in taxation and most importantly devising a tax structure that ensured compliance. He strongly encouraged foreign trade, basing it on the premise that for a successful trade contract to be established, it had to be beneficial to all. He emphasised State control and investment in land, water and mining. Kautilya was a true statesman who bridged the gap between experience and vision. For Kautilya, good governance was paramount. He suggested built-in checks and balances in systems and procedures for the containment of malpractices. Many postulates of Kautilya's philosophy of political economy are applicable to contemporary times.

**Chanakya in You** Jaico Publishing House

This is the story of the man who defined the armed struggle for an independent Eelam for over three decades and who lived by

the gun and died by the gun—Velupillai Prabhakaran. A home-grown guerilla who built the LTTE into a ruthless war machine and controlled its world-wide network from his hideout and ruled territories under his control with an iron fist; who defied the world and eliminated whoever came in his way, including former Indian Prime Minister Rajiv Gandhi; who had fighters ready to kill and die in thousands for him ... yet he failed, leaving the future of Sri Lanka Tamils a big question mark. The book is a first-person account by the author based on his innumerable visits to Sri Lanka during its turbulent years. He looks at the Prabhakaran era, a critical phase in the country's history, objectively, without being judgemental.

**Buddha's Challenge to Brahminism** Jaico Publishing House  
Strategies for Success "An action contemplated shouldn't ever be advertised; But kept a secret like a mantra, and revealed in time." We all feel stuck at times. There could be many reasons for this—issues at work, unhappy family life, financial troubles or embarrassing social situations. Most of us could use a little advice in these circumstances. Chanakya Neeti provides precisely that guidance to face life's many daunting challenges. Chanakya, the great thinker and teacher, is wellknown for his insights into the needs of both the privileged and the masses. The original Chanakya Neeti was written over two thousand years ago, but its brilliant verses are still applicable today because the basic quests of man remain the same—peace, prosperity and happiness. In this volume, Radhakrishnan Pillai offers a modern interpretation of Chanakya's crisp and practical maxims in his characteristic easy-to-follow and elegant prose. Imbibe Chanakya's wisdom to break loose from the web of troubles and create the life you

desire on your terms. Radhakrishnan Pillai is the bestselling author of Corporate Chanakya, Chanakya's 7 Secrets of Leadership, Chanakya in You, Katha Chanakya and Thus Spoke Chanakya. He has a Master's degree in Sanskrit and has done his PhD in Kautilya's Arthashastra. A renowned management consultant and speaker, he is the Deputy Director of the Chanakya International Institute of Leadership Studies (CIILS) at the University of Mumbai. He tweets using the handle @rchanakyapillai and is also active on other major social media platforms.

**Puffin Lives** Jaico Publishing House

This is an extraordinary detailed manual on statecraft and the science of living by one of classical India's greatest minds. Kautilya, also known as Chanakya and Vishnugupta, wrote the Arthashastra not later than 150 AD. His genius is reflected in this volume, which is the most comprehensive treatise of statecraft of classical times.

Selections from the Classic Indian Work on Statecraft Lexington Books

The Arthashastra is an ancient Indian treatise on statecraft, economic policy and military strategy which identifies. Kautilya, also known as Chanakya is India's most illustrious political economist. He regarded economic activity as the driving force behind the functioning of political dispensation and went to the extent of saying that revenue should take priority over the army because sustaining the army was possible out of a well-managed revenue system. "THE MAHABHARATA ENDURES AS THE GREAT EPIC OF INDIA.  
While Jaya is the story of the Pandavas, told from the perspective of the victors of Kurukshetra, Ajaya is the tale of the Kauravas, who were decimated to the last man. From the pen of the author who gave voice to Ravana in the national bestseller, ASURA, comes the riveting narrative which compels us to question the truth behind the Mahabharata. THE DARK AGE OF KALI IS RISING and every man and woman must choose between duty and conscience, honour and shame, life and death... o The Pandavas, banished to the forest following the disastrous games of dice, return to Hastinapura. o Draupadi has vowed not to bind her hair till she washes it in the blood of the Kauravas. o Karna must choose between loyalty and gratitude, friend and Guru. o Aswathama undertakes a perilous mission to the mountains of Gandhara, in search of the Evil One. o Kunti must decide between her firstborn and her other sons. o Guru Drona has to stand with either his favourite disciple or his beloved son. o Balarama, having failed to convince his brother about the adharma of violence, walks the streets of Bharatavarsha, spreading the message of peace. o Ekalavya is called to make the ultimate sacrifice to uphold a woman's honour. o Jara, the beggar, sings of Krishna's love while his blind dog, Dharma, follows. o Shakuni can almost see the realization of his dream to destroy India. As the Pandavas stake their claim to the Hastinapura throne, the Kaurava Crown Prince, Suyodhana, rises to challenge Krishna. As great minds debate dharma and adharma, power hungry men prepare for an apocalyptic war. The women, highborn and

humble, helplessly watch the unfolding disaster with deep foreboding. And greedy merchants and unscrupulous priests lie in wait like vultures. Both sides know that beyond the agony and carnage the winner will take all. But even as gods conspire and men's destinies unfold, a far greater truth awaits. \*\*\*\*\* One of the six most remarkable writers of India. DNA An Amazing read. The WEEK Unique voice of a rebellious author telling the story from the other side, a feat a few have dared or managed so well. Bihar Times"

The Teachings of Ramana Maharshi (The Classic Collection) Dev Dantreliya

For all of India's myths, stories and moral epics, Indian history remains a curiously unpeopled place. In Incarnations, Sunil Khilnani fills that space, recapturing the human dimension of how the world's largest democracy came to be. His trenchant portraits of emperors, warriors, philosophers, film stars and corporate titans—some famous, some unjustly forgotten—bring feeling, wry humour and uncommon insight to dilemmas that extend from ancient times to our own.

His constant efforts to improve technology and design reveal his humility and passion for the work that he was doing. Take a peek into the life of this iconoclast and learn to forge your own path! George Ilian has made his mark on the digital industry, owning an e-book business among other endeavours. He is the author of 18 books in the genre of business and motivation. *AJAYA - RISE OF KALI (Book 2)* One Point Six Technology Pvt Ltd

This book provides an analysis of one of the ancient world's foremost political realists, Kautilya. Kautilya's treatise Arthashastra stands as one of the great political books of the ancient world, its ideas on the science of politics strikingly similar to those of Thucydides, Machiavelli, Hobbes, Clausewitz, and even Sun Tzu. The author's commentary on Kautilya's text draws out the essential realist arguments for modern political analysis and demonstrates the continued relevance of Kautilya's work to modern Indian strategic thinking and our understanding of the relationship between politics and economics. Striking a balance between textual analysis and secondary scholarship, this work

contributes to the study of ancient Indian history, Eastern political thought, and international relations.

Jaico Publishing House

Mostly we all know Chanakya by name. Chanakya who was born around 3rd BC in Bharat (now Hindustan), astute, shrewd and ruthless political master. Equally selfless and patriotic teacher who politically united the small states post invasion of Greeks and reclaimed the boundaries of Bharat stretching from Puruvarsha (Persia, now Iran), Gansthan (now Afghanistan) to far east of Magadh (Bihar state of India). We know Chanakya for his Niti-shasstras, for his voluminous work on economy, maxims of wisdom and intelligence. But we do not know much about minute details with which he governed the country at that time. We do not know, during his time of around 3rd BCE, at how much advance stage the economy, public life, administration, industries, defence mechanisms, taxations, public-private partnerships, foreign policy, judicial systems, banking and accounting systems ..... were there in India. It seems, they all were in more than perfect stage compared to present scenario factoring advancement in science and technology etc. We will look at each of them one by one. In this book, "Chanakya Niti on Corruption", we will take a look at corruption. What Chanakya thinks about sources of corruption, ways of finding about corruption, judgements and punishments of corruptions etc. Chanakya knows very well that just like it is impossible to know when and how much water a fish drinks, it is utmost difficult to know how much money government officials steal away while in charge of it. Knowing human nature which succumbs to greed, fear, lust, anger or any such tamas gunas, and indulges in acts of

corruption to accumulate wealth in the country or outside. Chanakya keeps eye on conduct and life style of not only ministers, but all levels of the government officials too. Chanakya takes multi pronged approach to tackle and eradicate corruption. He knows that by establishing one department to tackle corruption problems are not going to be solved, instead will increase many fold later when that department itself becomes corrupt eventually. He relies on spying, continuous intelligence gathering, harsh punishments leading to deaths, rewards who bring to notice acts of corruptions by officials etc, promotions and rewards to who do their job righteously. Not only that, 3rd century BC, do you imagine there were clear cut rules and guidelines how to write account books, !. At that time, he knew that what impact it creates on overall economy and nation building, if sanctioned amount for projects are not utilised actually? Chanakya knows corruption is contiguous, and he tackles such problems too with well laid out and practical laws to follow at that time. Looking at the crux of the guidelines what Chanakya outlines, it seems that essence of those laws are applicable still today with more verbatim or expansion of words to suite and cover present scenarios. But, the essence remains same. He knew that in corruption free country, trade and business, entrepreneurship and industries flourishes and so overall wealth, health and security of the nation. I hope reading this book "Chanakya Niti on Corruption", will open up a window to explore further on how an Indian political guru administered this nation 3rd century BCE.

The First Great Political Realist Penguin Books India

'I, Chanakya, vow not to bind my hair until I have unseated you

from the throne of Magadha.' When learned Brahmin Vishnugupta is humiliated by arrogant king Dhana Nanda in a public gathering, he swears revenge. Anger is his weakness, but strategy, his strength. This formerly unknown Brahmin goes on to become the most well-known kingmaker in Indian history: Chanakya. Using a combination of cunning, ruthlessness and luck, Chanakya fulfils his vow and propels a boy of unknown origins, Chandragupta Maurya, to the throne of the most powerful kingdom of that time, an empire even Alexander the Great hesitated to confront. This fascinating account shows how Chanakya went from being a penniless fugitive with the rebel prince of Pataliputra to the prime minister of Magadha, and finally the author of the groundbreaking Arthashastra. With fun snippets and lesser-known facts about this remarkable statesman and the Mauryan age, this book promises to be an exciting and gripping adventure story.

*Kautilya's Arthashastra* Diamond Pocket Books (P) Ltd.

One of the greatest figures of wisdom and knowledge in the Indian history is Chanakya. Chanakya is regarded as a great thinker and diplomat in India who is traditionally identified as Kautilya or Vishnu Gupta. Originally a professor of economics and political science at the ancient Takshashila University, Chanakya managed the first Maurya Emperor Chandragupta's rise to power at a young age. Instead of acquiring the seat of kingdom for himself, he crowned Chandragupta Maurya as the emperor and served as his chief advisor. Chanakya Neeti In Tamil is a treatise on the ideal way of life, and shows Chanakya's deep study of the Indian way of life. These practical and powerful strategies provide a path to live an orderly and planned life. If these strategies are followed in any sphere of life, victory is certain. Chanakya also developed Neeti-Sutras (aphorisms - pithy sentences) that tell people how they should behave. Chanakya used these sutras to groom Chandragupta and other selected disciples in the art of ruling a kingdom. But these sutras are also relevant in this modern age and are very useful for us.

*A History of Ancient and Early Medieval India* Hackett Publishing  
The original Chanakya Neeti was written over two thousand years

ago, but its brilliant verses are still applicable today because the basic quests of man remain the same—peace, prosperity and happiness. Imbibe Chanakya's wisdom to break loose from the web of troubles and create the life you desire on your terms. It is a treatise on the ideal way of life and shows Chanakya's deep study of the Indian way of life. Chanakya is regarded as a great thinker and diplomat in India. The book portrays about his ideologies and ideas in diverse situations, which are pertinent even to today's times. The topics discussed in this book are morality, ethics, governance and several others.
