My past taught me to play it safe. To stay far away from handsome men who promised it all. My life was good without them.

Stable, secure, predictable. But one kiss showed me that I'd been playing it safe for far too long. One night and all I wanted was more of his wildfire. One challenge and my carefully constructed walls tumbled down. Amidst the rubble, I realized there was more to this man than I ever dreamed. When everything fell apart, he showed me what it meant to stay. How to truly live. But some demons don't stay buried. The past can come knocking when you least expect. And the life he's showing me might be shorter than either of us expected...

Opposites attract more than trouble in the latest captivating Regency romance from Susanna Craig. Amanda Bartlett, widowed Countess of Kingston, is a woman beyond reproach. Married at nineteen, she dutifully provided the Earl with an heir and a spare before

his death three years ago. Since then, Amanda has lived a simple, quiet life. A life that, if she were honest, has become more than a trifle dull. So when an adventure literally drops into her lap, in the shape of a mysterious book, she intends to make the most of it—especially if it brings her closer to a charismatic stranger. . . . Major Langley Stanhope, an intelligence officer and master mimic known as the Magpie, needs to retrieve the code book that has fallen into Amanda's hands. The mistaken delivery has put them both in grave danger and in a desperate race to unearth a traitor. It's also stirred an intense, reckless attraction. Langley believes the life he leads is not suitable for a delicate widow, but it seems he may have underestimated the lady's daring . . . and the depths of their mutual desire. . . . PRAISE FOR WHO'S THAT EARL "Craig delights with a fast-paced, intrigue-filled plot and expertly developed characters. Regency fans will eagerly anticipate future installments." —Publishers Weekly, STARRED review Airbus A320: An Advanced Systems Guide Brenda K. Davies
Who knew reading sexy

alien abduction stories could get a girl into trouble? Or that an e-reader could also be the gateway to another galaxy? I definitely didn't... but here I am anyway, mated to the Tsenturion High Commander just like the unwilling human heroines in my favorite sci-fi romances. The Commander demands obedience. He intends to claim me, train me, and turn me into his perfect little pleasure trophy. He doesn't believe in love. I don't believe in giving in without a fight. There's no amount of discipline or ecstasy that could break me to his will... I hope. Alien Captive is a hot alien abduction romance, starring one feisty human and the Tsenturion Warrior strong enough to master her. Disclaimer: the authors are not responsible for any actual alien abductions that may result should you purchase this book.

A curated Portuguese word frequency list Are you looking for unconventional ways to speed up the process of learning Portuguese? Then this book is exactly what you are looking for. Following the Pareto principle (80/20 rule), this book is built to streamline the learning process by concentrating on the core words and sentence structures that make up everyday conversations. The result is a unique vocabulary book with 2000 of the most important Portuguese words and phrases ordered by their frequency of use. Who this Portuguese learning book is for: This book is for beginners and intermediate learners of Portuguese who are self-motivated and willing to spend 15 to 20 minutes a day on learning vocabularies. The simple structure of this vocabulary book is the result of taking all unnecessary things out allowing the learning effort to solely be spent on the parts that help you make the biggest progress in the shortest amount of time. If you are willing to put in 20

minutes of learning every day, this book is very likely the single best investment you can make if you are at a beginner or intermediate level. You will be amazed at the speed of progress within a matter of just weeks of daily practice. Who this Portuguese frequency list is not for: This book is not for you if you are an advanced learner of Portuguese. In this case, please go to our website or search for our Portuguese vocabulary book which comes with more vocabularies and is grouped by topic which is ideal for advanced learners who want to improve their language capabilities in certain fields. Furthermore, if you are looking for an all in one Portuguese learning book that guides you through the various steps of learning Portuguese, this book is most likely also not what you are looking for. This book contains vocabularies only and we expect buyers to learn things like grammar and pronunciation either from other sources or through language courses. The strength of this book is its focus on quick acquisition of core vocabularies which comes at the expense of information many people

might expect in a conventional language learning book. Please be aware of this when making the purchase. How to use this Portuguese workbook: This book is ideally used on a daily basis, reviewing a set number of pages in each session. The book is split into sections of 50 vocabularies which allows you to step by step progress through the book. Let's for example say you are currently reviewing vocabularies 101 to 200. Once you know vocabularies 101 to 150 very well, you can start learning vocabularies 201 to 250 and on the next day skip 101-150 and continue reviewing vocabularies 151 to 250. This way, step by step, you will work your way through the book and your language skills will jump with each page you master. Some final thoughts: Like many language hacking methods, this book is quite unconventional in its approach, but for a driven person that uses it correctly it can significantly speed up the learning process. Vocabulary books have been around for centuries and as with so many things that have been around for some time,

they are not very fashionable and a bit boring, but they usually work quite well – and that is what counts in the end.

And I do not give a damn about your opinions of me, or the one who came before me. We are doing things my way now. So bow...or be broken. Sincerely, Mrs. Callahan
