Shame on It All Simon and Schuster
 An ebook original short story from the New York Times bestselling Queen of Erotica about what explodes when a man and woman—both suffering marital problems with their respective partners—coincidentally find themselves involved in a steamy love affair with each other despite the peril that looms at home. Amanda is bored with life. She spends hours a day on Facebook, her parents act like they are too ancient to enjoy life any longer, and her military husband, Ralph, is deployed to Afghanistan. Gideon is not totally content at home either. His wife, Nina, is a lifetime overachiever and a workaholic. She has moved her mother

into their home so she can have a live-in sitter, and Gideon has fallen to the bottom of her priority list. On Black Friday 2012, both Amanda and Gideon end up at a Best Buy to take advantage of the massive price cuts on electronics. When the store opens its door at midnight, the potential customers rush the glass doors and end up in a brawl. Built-up excitement turns into mass pandemonium as the police show up in riot gear. Tear gas containers are being tossed around like lollipops and strangers are beating on each other like a heavyweight fight at the MGM Grand in Vegas. Amanda and Gideon both end up in the skywalk overlooking the madness and, even though they are complete strangers to each other, the adrenaline rush overwhelms them and they discover quick ecstasy among the chaos. After putting their clothes back on, followed by making

formal introductions, they embark on a sexual journey together that re-ignites the flames in their souls. Both are forced to make choices that they never thought would have to be made; marriages are placed at risk; heartbreak is inevitable. What starts out merely as casual sex becomes much more than mere physical attraction and their lives begin to unravel. No matter how incredible something wrong can make one feel, eventually, *Everything Fades Away*.

In this follow-up to the mega-sensation *Addicted*, the New York Times bestselling Queen of Erotica delivers a shocking and steamy story about a woman with a split personality who must overcome her disorder before her chance at a happy ending is forever destroyed. Jonquinette Pierce has never felt comfortable around men—except when she's her alter ego, Jude, who takes over on the weekends to lead a life of wild and intense sexual escapades. Jonquinette knows she can't keep living like this and sets out to overcome her split personality with the help of Dr. Marcella Spencer. But Jude isn't about to let Jonquinette off so easily. Just as Jonquinette begins falling for her hot neighbor, Mason, Jude decides she's had enough and goes on a sexual rampage to keep her alter ego from riding off into the sunset. Jude has no intentions of letting Jonquinette fall in love and find happiness at her expense—she's having way too much fun using the body she shares with Jonquinette. Though this scenario could be a fun fantasy for women who have imagined their own alter ego behaving badly in a sexual way, this is a nightmare for Jonquinette. Nervous takes readers back into the world of *Addicted* and keeps them hooked until the very end.

Finding love isn't easy and keeping love is even harder—especially when everyone seems bent on trying to destroy it. When Washington, D.C., chiropractor Yardley Brown goes to his local bank, it isn't only to make deposits into his account. He has long since accrued some interest in Rayne Waters, a bank employee who's too beautiful to be true—and too beautiful to be single. At least that's what Yardley believes, which is why he has never approached her. Little does he know that Rayne is anything but taken. Not for want of trying, of course. But after barely surviving a dating disaster with her hairdresser's brother and then falling for a member of her church band, she's on the verge of giving up. That is, until Yardley—discouraged by his own slew of dead-end romances—finally works up the courage to give her a try. But the true craziness is just beginning, thanks to a cast of characters who seem bent on botching the young couple's relationship.

There's Rayne's erratic mother, Yardley's playboy buddies, always trolling for sex, and past lovers who make a habit of popping up to ruin things as only old flames (or previous mistakes) can. Weaving the carnal and the comical in true Zane fashion, Rayne and Yardley's struggle to find love in a world gone mad is a timeless talk about everything that can go wrong in the dating game—and a few things that can go right.

The prominent vascular surgeon, who has been only casually dating for years, is attracted to the embittered Jemistry nonetheless.
