### Chemistry and Science

### Fiction St. Martin's Griffin

Imagine the forest. As darkness falls, the somber beeches disappear in misty twilight and shadows seem to gather under their branches. Far away, the blackbird's call tells of the coming of the night. The birds cease their singing, silence descends, soon the beasts of the night will make their appearance.

Between tangled roots, hidden by nettles and brambles, the earth seems to ripple. A few humps of earth seem to emerge from the ground. They are the last traces of burial mounds, of mounds, which were tall and high 2500 years ago. Many of them have disappeared, hidden by tangled roots of beech and oak, ploughed flat by careless farmers, others again show caved-in tops where grave robbers have looted the central chamber. The locals shun these hills. There are tales that strange fires can be seen glowing on the mounds, and that on

spooky nights, great armed warriors arise from their resting places. Then the doors to the deep are thrown open and unwary travelers have to beware of being invited into the halls of the dead and unborn. Here the kings of the deep feast and celebrate, time passes differently and strange treasures may be found. Who knows the nights when the gates are open? Who carries the primrose, the wish-flower, the strange blossom that opens the doors to the hollow hills?

Harry Potter is lucky to reach the age of thirteen, since he has survived the murderous attacks of the feared Dark Lord on more than one occasion. But his hopes for a quiet school term concentrating on Quidditch are dashed when a maniacal mass-murderer escapes from Azkaban, pursued by the soul-sucking Dementors who guard the prison. It's assumed that Hogwarts is the safest place for Harry to be. But is it a coincidence that he can feel eyes watching him in the dark, and should he be taking Professor

Trelawney's ghoulish predictions seriously? These adult editions with glorious jacket art by Andrew Davidson are now available in hardback for the first time.

Venture deep into the rich loam of this diligent collection of heart offerings. K.R. Morrison has woven a tight nest of verse with plenty of room to sift, wander, and contemplate. Bring a candle with you... and your sharpest blade. *Cauldrons* is among the finest in new incantation poetry. Foreword by Kim Shuck, Poet Laureate of San Francisco, Emeritus. KR's cauldron of sensual mothering understands the necessity of bone that allows the goddess to bloom. "Give all that death to me" she says, an image that viscerally repeats daily; in the come around. This tome is for the self-reflective breaking dictums of becoming a victim, unearths buried silence. A harbor reveals a graveyard for justice. Some will hold their breath. KR's imagery is of a mystic enveloping a

cauldron whose image is that of a hand we wish to see, stirring behind our backs. You will face it! This word work is for those confronting countless evictions from the magic of self-worth, a systemic predilection the moon itself can't resist. - Tureeda Mikell, *Story Medicine Woman Synchronicity, The Oracle of Sun Medicine* This striking collection is fueled by a distinct and feminine voice and is alive with lush and shimmering imagery, full of magic, blood, and grace. The poems have a mythical quality as they speak of the bonds of family and history and stare down the sometimes violent reality of a woman's experience in this life with a justified anger, coupled with a strength that brings transcendence. Every piece hits hard and true. -William Taylor, Jr. *Pretty Things To Say Cauldrons* is a witch dream, sacraments of red juju, poems that permeate the marrow of bone and moonskin. K.R. Morrison is a gifted witch poet who weaves tales of reclamation. Her poems make me dizzy with literary pleasure. - MK Chavez *Dear Animal The Deer and the Cauldron, the Smiling,*

*Proud Wanderer, Demi-Gods and Semi-Devils, Juedai Shuangjiao, the Heaven Sword And* Bloomsbury Publishing NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love.

Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. *Probability and Expectation* University-Press.org  
A Bond Undone is the second book in Jin Yong's epic Chinese classic and phenomenon Legends of Condor Heroes series, published in the US for the first time! In the Jin capital of Zhongdu, Guo Jing learns the truth of his father's death and finds he is now betrothed, against his will, to two women. Neither of them is his sweetheart Lotus Huang. Torn between following his heart and fulfilling his filial duty, Guo Jing journeys through the country of his parents with Lotus, encountering mysterious martial heroes and becoming drawn into the struggle for the supreme martial text, the Nine Yin Manual. But his past is catching up with him. The widow of an evil man he accidentally killed as a child has tracked him down, intent on revenge. Meanwhile, his true parentage at last revealed, Yang Kang, the

young prince Guo Jing must face in the Garden of the Eight Drunken Immortals, is forced to choose his destiny. Will he continue to enjoy the life of wealth and privilege afforded to him by the invader of his homeland, or give up all he has known to avenge his parents?

In China, lots of excellent students who are good at maths take an active part in various maths contests and the best six senior high school students will be selected to form the IMO National Team to compete in the International Mathematical Olympiad. In the past ten years China's IMO Team has achieved outstanding results -- they have won the first place almost

every year. The author is one of the senior coaches of China's IMO National Team, whose students have won many gold medals many times in IMO. This book is part of the Mathematical Olympiad Series which discusses several aspects related to maths contests, such as algebra, number theory, combinatorics, graph theory and geometry. This book will, in an interesting problem-solving way, explain what probability theory is: its concepts, methods and meanings; particularly, two important concepts -- probability and mathematical expectation (briefly expectation) -- are emphasized. It consists of 65 problems, appended by 107 exercises and their answers.

This volume brings together studies on Greek animal sacrifice by foremost experts in Greek language, literature and material culture. Readers will benefit from the synthesis of new evidence and approaches with a re-evaluation of twentieth-century theories on sacrifice. The chapters range across the whole of antiquity and go beyond the Greek world to consider possible influences in Hittite

Anatolia and Egypt, while an introduction to the burgeoning science of osteo-archaeology is provided. The twentieth-century emphasis on sacrifice as part of the Classical Greek polis system is challenged through consideration of various ancient perspectives on sacrifice as distinct from specific political or even Greek contexts. Many previously unexplored topics are covered, particularly the type of animals sacrificed and the spectrum of sacrificial ritual, from libations to lasting memorials of the ritual in art.

The instant New York Times bestseller! Hot on the heels of *The Twin*, the undisputed queen of YA thrillers is back with a scary and suspenseful read about a summer camp filled with dark secrets. Esme and Kayla once were campers at Camp Pine Lake. They're excited to be back this year as CITs (counselors in training). Esme loves the little girls in her cabin and thinks it's funny how scared they are of everything--spiders, the surly head counselor, the dark, boys . . . even swimming in the lake! It

reminds her a little of how she and Kayla used to be, once. Before . . . it happened. Because Esme and Kayla did something bad when they were campers. Afterwards, the girls agreed to keep it secret. They've moved on--or so they say--and this summer is going to be great. Two months of sun, s'mores, and flirting with the cute boy counselors. But then they get a note. THE LAKE NEVER FORGETS. And the secret they've kept buried for so many years is about to resurface.

The Best China, an expression traditionally used to refer to the finest crockery brought out when one is entertaining special guests, has been adapted here to mean the Best Chinese Tradition of free-thinking discursive prose. This anthology of essays from Hong Kong and the diaspora, ranging across the past hundred and seventy years, records the intellectual ferment that has always characterised the city since its founding in 1842, sometimes restless and questioning, sometimes meditative and lyrical, always civilised, and buoyed by an all-pervasive and indomitable spirit of freedom.

Excerpt: The Deer and the Cauldron, also known as The Duke of Mount Deer, is a novel by Jin Yong, and also the last of Jin Yong's works. Although the book is often termed as a wuxia novel, it is not archetypal of the genre, since the protagonist of the book is not a martial arts practitioner, relying on his

wits to get out of trouble rather than martial skills. The novel is initially published as a serial, and ran between October 24, 1969 to September 23, 1972 in Ming Pao. The choice of the novel's title is alluded to in a section in the first chapter, in which a scholar has a conversation with his son. The scholar recounts that both the deer and the cauldron serve as metaphors for the Central Plains and the Chinese empire. It is written in volume 92 of the historical text Book of Han, "The deer lost by Qin was hunted by all under Heavens ( " " ), an illustration of the rise of numerous rivalling warlords contesting for supremacy to capture the prize, the empire lost by the Qin Dynasty. During the Zhou Dynasty, there were the Nine Cauldrons, symbolic of the Divine Mandate of rulership. Zuo Zhuan recorded an...

Life of Pi is a masterful and utterly original novel that is at once the story of a young castaway who faces immeasurable hardships on the high seas, and a meditation on religion, faith, art and life

that is as witty as it is profound. Using the threads of all of our best stories, Yann Martel has woven a glorious spiritual adventure that makes us question what it means to be alive, and to believe.

The #1 New York Times bestselling author and "one of the great storytellers of our time" (San Francisco Book Review) turns from the glamour of the royal courts to tell the story of an ordinary woman, Alinor, who cannot bear to conform to the life that lies before her.

Midsummer's Eve, 1648, England is in the grip of a civil war between renegade king and

rebellious parliament. The struggle reaches every corner of the kingdom, even the remote tidelands—the marshy landscape of the south coast. Alinor, a descendant of wisewomen, trapped in poverty and superstition, waits in the graveyard under the full moon for a ghost who will declare her free from her abusive husband. Instead, she meets James, a young man on the run, and shows him the secret ways across the treacherous marsh, not knowing that she is leading disaster into the heart of her life. Suspected of possessing dark secrets in superstitious times, Alinor's ambition and determination mark her out from her neighbors. This is the time of witch mania, and Alinor, a woman without a

husband, skilled with herbs, suddenly enriched, arouses envy in her rivals and fear among the villagers, who are ready to take lethal action into their own hands. It is dangerous for a woman to be different.

Few words entice and incite like the word witchery. Thousands of self-identified witches, pagans, and magical practitioners embrace the word, but seldom go beyond the practice of the well-accepted and learned forms of "traditional" witchcraft to explore the path of old-witchery. Orion Foxwood invites readers to walk on the path of old-style witchery, a nature-based practice that is as old as the swamps and as wild as the woods. For the first

time, Foxwood reveals some of his own deeply personal rituals and spells directly from his own grimoire of witchery; he highlights the differences (and similarities) between Wicca, "traditional" witchcraft, and old style witchery. By weaving his own path to witchery throughout the book, he gives readers examples of how to identify the way toward this path. There is a revolution among the Pagan and Witchcraft communities, a movement away from prescribed ritual and neopagan practices and a reaching back toward what Foxwood says is in the heart of any true witch: a thundering call deep within their very blood to become a healer, a reckoner, a protector of magical arts, and a guardian of the wild woods.
