sprawling novel about the decline of American industry from one of the most important, socially-aware novelists of our time. In a rising Saudi Arabian city, far from weary, recession-scarred America, a struggling businessman named Alan Clay pursues a last-ditch attempt to stave off foreclosure, pay his daughter's college tuition, and finally do something great. In A

Hologram for the King, Dave Eggers takes us around the world to show how one man fights to hold himself and his splintering family together in the face of the global economy's gale-force winds. This taut, richly layered, and elegiac novel is a powerful evocation of our contemporary moment--and a moving story of how we got here. *Summary of Americanah* Berghahn Books NATIONAL

BESTSELLER • PEN/FAULKNER AWARD FINALIST • From the two-time Pulitzer Prize-winning author of *The Underground Railroad* and *The Nickel Boys*: a hilarious and supremely original novel set in the Hamptons in the 1980s, "a tenderhearted coming-of-age story fused with a sharp look at the intersections of race and class" (*The New York Times*). Benji Cooper is one of the few Black students at an elite

prep school in Manhattan. But every summer, Benji escapes to the Hamptons, to Sag Harbor, where a small community of Black professionals have built a world of their own. The summer of '85 won't be without its usual trials and tribulations, of course. There will be complicated new handshakes to fumble through and state-of-the-art profanity to master. Benji will be tested by

contests big and small, by his misshapen haircut (which seems to have a will of its own), by the New Coke Tragedy, and by his secret Lite FM addiction. But maybe, just maybe, this summer might be one for the ages. Prize-winning literary critic Michiko Kakutani shares 100 personal, thought-provoking essays about books that have mattered to her and that help illuminate the world we live in today—with beautiful illustrations throughout. “A book tailor-made for bibliophiles.” —Oprah Winfrey “An ebullient celebration of books and reading.”—Publishers Weekly (starred review) In the

introduction to her new collection of essays, *Ex Libris: 100+ Books to Read and Reread*, Michiko Kakutani writes: “In a world riven by political and social divisions, literature can connect people across time zones and zip codes, across cultures and religions, national boundaries and historical eras. It can give us an understanding of lives very different from our own, and a sense of the

shared joys and losses of human experience.” Readers will discover novels and memoirs by some of the most gifted writers working today; favorite classics worth reading or rereading; and nonfiction works, both old and new, that illuminate our social and political landscape and some of today’s most pressing issues, from climate change to medicine to the consequences

of digital innovation. There are essential works in American history (The Federalist Papers, The Writings and Speeches of Martin Luther King, Jr.); books that address timely cultural dynamics (Elizabeth Kolbert’s *The Sixth Extinction*, Daniel J. Boorstin’s *The Image*, Margaret Atwood’s *The Handmaid’s Tale*); classics of children’s literature (the *Harry Potter* novels, *Where*

the Wild Things Are); and novels by acclaimed contemporary writers like Don DeLillo, William Gibson, Chimamanda Ngozi Adichie, and Ian McEwan. With richly detailed illustrations by lettering artist Dana Tanamachi that evoke vintage bookplates, *Ex Libris* is an impassioned reminder of why reading matters more than ever.

The Thing Around Your Neck Vintage Canada Americanah

by Chimamanda Ngozi Adichie | Summary Book Preview: Adichie's Americanah is an enlightening, yet educational epic, based on the lives of Ifemelu and her childhood boyfriend, Obinze. The story spans three countries, America, Nigeria and the UK, while highlighting the issue of race and the oft-romanticized view of the West. It also shines a light on the nature of corruption in Nigeria and how it affects its citizens. Ifemelu's childhood in Nigeria is less about race and more about survival, as well as the limitations experienced by those who live there. Adichie highlights the rampant corruption found throughout Nigerian politics, the military and in the infamous 419 schemes. This corruption, particularly in government, results in the majority of Nigerians competing for honest work, money, electricity, and food, among other things. A few "lucky" Nigerian women are able to circumvent the limitations of their class by becoming a mistress to a high-ranking general or government official. This is the case for Auntie Uju, who, being supported by a man referred to as The General, is able to secure job as a physician and live a

lavish lifestyle in Dolphin Estates. This is a summary and analysis of the book and NOT the original book

to him as an African and as a citizen of the world. Examining the personal and the political, tradition and modernity, custom and culture, Adesanmi grapples with the complexity and contradictions of this vast continent, zooming in most closely on Nigeria, the country of his birth. The inspiration for the title of the collection, You're Not a Country, Africa, comes from a line of poetry: 'You

are not a country Africa, you are a concept, fashioned in our minds, each to each'. The Africa fashioned in our minds - with our fears and our dreams - is the Africa that the reader will encounter in these essays. Through narratives and political and cultural reflections, Pius Adesanmi approaches the meaning of Africa from the perspective that you never actually define Africa: rather, it defines you in various contexts and for various people. Intersectionality in "Americanah" by Chimamanda Ngozi Adichie Penguin Seminar paper from the year 2020 in the subject English Language and Literature Studies - Literature, grade: 1.0, University of Constance (FB Literatur, Kunst- und Medienwissenschaften), course: Writing Africa, language: English, abstract: The present research paper aims to prove in a first step that the American Dream acts as a leitmotif throughout the entire novel, thus showing that it is ideally suited as an object of investigation, in order to explore and discuss in a further step whether Ifemelu's American Dream can ultimately be regarded as fulfilled or disappointed, including the emphasis on important literary topoi

such as race, the question of women's rights and social matters. Due to the paper's given length and the particular subject chosen, the following analysis will mainly focus on Ifemelu and her experiences, as she actually leaves Nigeria for the U.S. and then comes back to her home country, thus representing the perfect research subject under the thesis of the American Dream, it's

reliving and consequences through her personae. As for Obinze, who experiences similar difficulties in the U.K., a comparison does present itself, but can only be the subject of another research paper. The Change Bloomsbury Publishing NEW YORK TIMES BESTSELLER • The highly acclaimed, provocative essay on feminism and sexual politics—from the award-

winning author of Americanah In this personal, eloquently-argued essay—adapted from the much-admired TEDx talk of the same name—Chimamanda Ngozi Adichie offers readers a unique definition of feminism for the twenty-first century. Drawing extensively on her own experiences and her deep understanding of the often masked realities of sexual politics, here is one remarkable

author's exploration of what it means to be a woman now—and an of-the-moment rallying cry for why we should all be feminists. *Half of a Yellow Sun* Bloomsbury Publishing USA A stunning love story about a young Black woman whose life is torn apart when her lover is wrongly accused of a crime—"a moving, painful story, so vividly human and so

obviously based on reality that it strikes us as timeless" (The New York Times Book Review). "One of the best books Baldwin has ever written—perhaps the best of all." —The Philadelphia Inquirer Told through the eyes of Tish, a nineteen-year-old girl, in love with Fonny, a young sculptor who is the father of her child, Baldwin's story mixes the sweet and the sad. Tish and Fonny have pledged to get

married, but Fonny is falsely accused of a terrible crime and imprisoned. Their families set out to clear his name, and as they face an uncertain future, the young lovers experience a kaleidoscope of emotions—affection, despair, and hope. In a love story that evokes the blues, where passion and sadness are inevitably intertwined, Baldwin has created two characters so

alive and profoundly realized that they are unforgettably ingrained in the American psyche.
