Pirates, Patches, and Parrots! What unexpected markers do you find along your faith journey, ones that lead you closer to God? In Swashbuckling Faith, author and former pastor Tim Wesemann helps you find surprising doorways to God's truth in the scenes and dialogue of the Pirates of the Caribbean movie series. Created merely to entertain, these movies find Captain Jack Sparrow and his cohorts unintentionally leaving behind traces of truth ready to be explored and expanded in light of the Bible. Wesemann springboards from these glimpses to explore scriptural lessons on faith, prayer,

contentment, spiritual warfare, forgiveness, hope, and much more. When your biblical perception starts finding treasures of truth in popular culture and everyday occurrences, you'll set sail for the adventure of a lifetime! "Captain Jack Sparrow, if you please, sir." Captain Jack Sparrow (that's Johnny Depp, to you lovers of cinema) is the charming pirate in the popular Pirates of the Caribbean movies that buried Hollywood in gold. The films captured imaginations young and old, but now Tim Wesemann invites you to depart on an even greater adventure—for real! Following the treasure map of God's Word, this dangerous exploration will reveal priceless gems of not-so-buried, no-so-pirate booty! You'll uncover hidden traces of truth and priceless pearls of faith. Lessons on prayer, contentment, spiritual warfare, forgiveness, and hope will awaken you to messages your true Captain is conveying all around you. Because even a pirate movie, looked at through new lenses, can point the way to tangible riches of biblical truth. "Funny and whimsical with just a touch of sheer insanity." Dr. Timothy Paul Jones Pastor and author of Finding God in a Galaxy Far, Far Away "Shiver me timbers! As a parent of teens and preteens, I can't wait to share these briny depths of faith and inspiration with my family!" Tricia Goyer Award-winning author of Life Interrupted "A veritable treasure trove of wisdom and piratey-good fun that's not only entertaining to read, but draws you closer to God." Mike Nappa Bestselling and award-winning author "Swashbuckling Faith is a fresh, funny, and surprisingly rich book that falls somewhere between a devotional and a pirate manual." Dave Meurer Author of If You Want Breakfast in Bed, Sleep in the Kitchen "Full of life-changing, priceless gems from God's Word. You'll be 'hooked!'" Rhonda Rhea Radio personality, humor columnist, author of Who Put the Cat in the Fridge Story Behind the Book Tim Wesemann is not a pirate, nor does he act as one on TV. While "swashbuckler" may not appear on his resume, he loves exploring for biblical treasure and often discovers it where you might least expect it—including a secular movie with pirates who pillage, plunder, and pilfer. Even scenes and dialogue from Pirates of the Caribbean served to help grow his faith in God. While the movie is a favorite in the Wesemann household, Tim also draws from past experiences as a pastor and his present insights as a fulltime Christian author and speaker. *On Stranger Tides* Hal Leonard Corporation At the end of the fifteenth century, the Spanish Inquisition forced many Jews to

flee the country. The most adventurous among them took to the high seas as freewheeling outlaws. In ships bearing names such as Prophet Samuel, Queen Esther, and Shield of Abraham, they attacked and plundered the Spanish fleet while forming alliances with other European powers to ensure the safety of Jews living in hiding. Jewish Pirates of the Caribbean is the entertaining saga of a hidden chapter in Jewish history, and of the cruelty, terror and greed that flourished during the Age of Discovery. Among the many daring figures to feature in the book are: 'the Great Jewish Pirate' Sinan, Barbarossa's second-in-command; Rabbi Samuel Palache and his brother, Joseph, who went from commanding pirate ships to founding the first openly Jewish community in the New World; and Abraham Cohen Henriques, and arms dealer who used his cunning and economic muscle to find safe havens for other Jews. Filled with high-seas adventures including encounters with Captain Morgan and other legendary pirates - and detailed portraits of cities stacked high with plunder, such as Port Royal, Jamaica, Jewish Pirates of the Caribbean captures a gritty and glorious era of history from an unusual and eye opening perspective.

Pirates of the Caribbean is one of the most popular and beloved attractions in Disney theme park history, and can be found in each Magic Kingdom Park around the globe. Pirates of the Caribbean: From the Magic Kingdom to the Movies will illustrate how the scalawags and buccaneers made the voyage from sketches to reality, evolving from early story concepts to adaptations and changes as it moved into each of the parks around the four corners of the world, to the very latest ideas for show enhancement. The second part of the book takes a virtual tour through the attraction, using the original Disneyland version as the "home port" and then traveling through the differences and additions of the attraction at all the other theme parks. The third part of the book chronicles this classic theme park attraction's translation (back) into the motion picture that launched a franchise, Pirates of the Caribbean: The Curse of the Black Pearl, including an exclusive look at the earliest story concepts, shooting on location in the Caribbean and on Disney Studio soundstages, the birth of the cursed buccaneers inside a computer at ILM, the birth of teen idols in Orlando Bloom and Keira Knightley, and Johnny Depp's triumphant Academy Award

From renowned pirate historian David Cordingly, author of *Under the Black Flag* and film consultant for the original *Pirates of the Caribbean*, comes the thrilling story of Captain Woodes Rogers, the avenging nemesis of the worst cutthroats ever to terrorize the high seas. Once a marauding privateer himself, Woodes Rogers went from laying siege to laying down the law. During Britain's war with Spain, Rogers sailed for the crown in sorties against Spanish targets in the Pacific; battled scurvy, hurricanes, and mutinies; captured a treasure galleon; and even rescued the castaway who inspired Robinson Crusoe. Appointed governor of the Bahamas in 1717, the fearless Rogers defended the island colony of King George I against plundering pirates and an attempted Spanish invasion. His resolute example led to the downfall of such notorious pirates as Blackbeard, Calico Jack, and the female pirates Anne Bonny and Mary Read. A vividly detailed and action-packed portrait of one of the early eighteenth century's most colorful characters, *Pirate Hunter of the Caribbean* serves up history that's as fascinating and gripping as any seafaring

legend.
