The Oxford Russian Dictionary Oxford University Press, USA

The first truly comprehensive, English-Russian/Russian-English to be published in either Russia or the West, *The Oxford Russian Dictionary* has become the standard reference work for students of Russian as well as for Russian speakers living in the United States. For the revised edition, the editors have added many up-to-date and improved translations to provide even more accurate and idiomatic coverage of contemporary Russian and English. As in the original, the revised edition offers a comprehensive look at both languages, with over 180,000 words and phrases and

290,000 translations, including such new words as "mobile phone," "genetic fingerprinting," and "biodegradable." The dictionary provides exceptional coverage of regional Russian, British, and American dialects as well as of modern idioms and colloquial usage, with numerous illustrative examples. It also includes all common abbreviations and acronyms, such as DTP, ROM, AIDS, and others; helpful advice on difficult points of grammar; and pronunciation in the International Phonetic Alphabet for every English headword, an indispensable aid for Russian speakers. Unsurpassed in convenience and in comprehensive, reliable coverage, the new edition of *The Oxford Russian Dictionary* remains the most authoritative reference on the market.

The Pocket Oxford Russian-English Dictionary Oxford University Press, USA

Based on American rather than British English, this is among the first Russian dictionaries revised for the post-Soviet era. Includes new political terminology, new Russian institutions, new countries and republics and new city names. Contains 26,000 entries in the English-Russian section and 40,000 words in the Russian-English section. Irregularities in Russian declensions and conjugations appear at the beginning of each entry.

The Pocket Oxford Russian-English Dictionary Oxford University Press, USA

Drawing on the work done on the *Oxford Russian Dictionary*, this new desk reference is the most authoritative dictionary of its size. Incorporating much up-to-date vocabulary, including new words created by recent changes in the former Soviet Union, *The Oxford Russian Desk Dictionary* includes over 70,000 words and phrases and 120,000 translations. As in the larger dictionary, it offers superb coverage of modern idioms and colloquial usage, numerous illustrative examples of vocabulary in context, common abbreviations and acronyms, helpful advice on difficult points of grammar, and pronunciations in the International Phonetic Alphabet for all English headwords. Portable, reliable, and inexpensive, *The Oxford Russian Desk Dictionary* is an ideal reference for students, scholars, businesspeople, and travelers.
