CONRAD CHASE

Royal Australian Air Force P-3 Orion Operations 1968-1991 Princeton University Press

The first documented, systematic study of a truly revolutionary subject, this 1937 text remains the definitive guide to guerrilla warfare. It concisely explains unorthodox strategies that transform disadvantages into benefits.

A Novel about the Navajo Marines of World War Two Pearson UK

Using their native language, the Navajo Marines played an invaluable part in World War II as they sent messages, did maneuvers, and completed tasks with words that couldn't be deciphered by the enemy. Reprint.

Asia, the Middle East, Europe

Berghahn Books

A new edition for HL Option 2, History of the Americas, Topic 16: The Cold War and the Americas (1945-1981) The renowned IB Diploma History series, combining compelling narratives with academic rigor. An authoritative and engaging narrative, with the widest variety of sources at this level, helping students to develop their knowledge and analytical skills. This second edition provides: - Reliable, clear and in-depth narrative from topic experts - Analysis of the historiography surrounding key debates - Dedicated exam practice with model answers and practice questions - TOK support and Historical Investigation questions to help with all aspects of the Diploma

The CSCE and the End of the Cold War One World

Published to coincide with the twentieth anniversary of the fall of the Berlin Wall —

a definitive and ground-breaking account of the revolutionary ideology that changed the modern world. The inexorable rise of Communism was the most momentous political phenomenon of the first half of the twentieth century. Its demise in Europe and its decline elsewhere have produced the most profound political changes of the last few decades. In this illuminating book, based on forty years of study and a wealth of new sources, Archie Brown provides a comprehensive history as well as an original and highly readable analysis of an ideology that has shaped the world and still rules over a fifth of humanity. A compelling new work from an internationally renowned specialist, *The Rise and Fall of Communism* promises to be the definitive study of the most remarkable political and human story of our times.

The Absolutely True Diary of a Part-Time

Indian Hodder Education

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

A History of the Book in America Penguin
Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

The American Yawp Cambridge University Press

Ever since its first publication in 1992, *The End of History and the Last Man* has provoked controversy and debate. Francis Fukuyama's prescient analysis of religious fundamentalism, politics, scientific progress, ethical codes, and war is as essential for a world fighting fundamentalist terrorists as it was for the end of the Cold War. Now updated with a new afterword, *The End of History and the Last Man* is a modern classic.

Reagan and Gorbachev New Leaf Publishing Group

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass*
The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The *Yawp* highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, *The American Yawp* incorporates transnational perspectives,

integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of *The American Yawp* will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. *The American Yawp* traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, *The American Yawp* gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

The Outsiders DIANE Publishing

In this new edition of his classic 1970 memoir about the notorious U-2 incident, pilot Francis Gary Powers reveals the full story of what actually happened in the most sensational espionage case in Cold War history. After surviving the shoot-down of his reconnaissance plane and his capture on May 1, 1960, Powers endured sixty-one days of rigorous interrogation by the KGB, a public trial, a conviction for espionage, and the start of a ten-year sentence. After nearly two years, the U.S. government obtained his release from prison in a dramatic exchange for convicted Soviet spy Rudolph Abel. The narrative is a tremendously exciting suspense story about a man who was labeled a traitor by many of his countrymen but who emerged a Cold War hero.

Zed Books

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

Essays on Ukraine's Past and Present

Little, Brown Books for Young Readers
In 1958, an African-American handyman named Jimmy Wilson was sentenced to die in Alabama for stealing two dollars. Shocking as this sentence was, it was overturned only after intense international attention and the interference of an embarrassed John Foster Dulles. Soon after the United States' segregated military defeated a racist regime in World

War II, American racism was a major concern of U.S. allies, a chief Soviet propaganda theme, and an obstacle to American Cold War goals throughout Africa, Asia, and Latin America. Each lynching harmed foreign relations, and "the Negro problem" became a central issue in every administration from Truman to Johnson. In what may be the best analysis of how international relations affected any domestic issue, Mary Dudziak interprets postwar civil rights as a Cold War feature. She argues that the Cold War helped facilitate key social reforms, including desegregation. Civil rights activists gained tremendous advantage as the government sought to polish its international image. But improving the nation's reputation did not always require real change. This focus on image rather than substance—combined with constraints on McCarthy-era political activism and the triumph of law-and-order rhetoric—limited the nature and extent of progress. Archival information, much of it newly available, supports Dudziak's argument that civil rights was Cold War policy. But the story is also one of people: an African-American veteran of World War II lynched in Georgia; an attorney general flooded by civil rights petitions from abroad; the teenagers who desegregated Little Rock's Central High; African diplomats denied restaurant service; black artists living in Europe and supporting the civil rights movement from overseas; conservative politicians viewing desegregation as a communist plot; and civil rights leaders who saw their struggle eclipsed by Vietnam. Never before has any scholar so directly connected civil rights and the Cold War. Contributing mightily to our understanding of both, Dudziak advances—in clear and lively prose—a new wave of scholarship that corrects isolationist tendencies in American history by applying an international perspective to domestic affairs. In her new preface, Dudziak discusses the way the Cold War figures into civil rights history, and details this book's origins, as one question about civil rights could not be answered without broadening her research from domestic to international influences on American history.

The North Atlantic Pact Harper Collins

#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • Look for special features inside. Join the Random House Reader's Circle for author chats and more. In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But

when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Appearing in paperback for the first time—with twenty arresting new photos and an extensive Q&A with the author—*Unbroken* is an unforgettable testament to the resilience of the human mind, body, and spirit, brought vividly to life by Seabiscuit author Laura Hillenbrand. Hailed as the top nonfiction book of the year by *Time* magazine • Winner of the Los Angeles Times Book Prize for biography and the Indies Choice Adult Nonfiction Book of the Year award “Extraordinarily moving . . . a powerfully drawn survival epic.”—*The Wall Street Journal* “[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurbly adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring.”—*New York Times* “Staggering . . . mesmerizing . . . Hillenbrand’s writing is so ferociously cinematic, the events she describes so incredible, you don’t dare take your eyes off the page.”—*People* “A meticulous, soaring and beautifully written account of an extraordinary life.”—*The Washington Post* “Ambitious and powerful . . . a startling narrative and an inspirational book.”—*The New York Times Book Review* “Magnificent . . . incredible . . . [Hillenbrand] has crafted another masterful blend of sports, history and overcoming terrific odds; this is biography taken to the nth degree, a chronicle of a remarkable life lived through extraordinary times.”—*The Dallas Morning News* “An astonishing testament to the superhuman power of tenacity.”—*Entertainment Weekly* “A tale of triumph and redemption . . . astonishingly detailed.”—*O: The Oprah Magazine* “[A] masterfully told true story . . . nothing less than a marvel.”—*Washingtonian* “[Hillenbrand tells this] story with cool elegance but at a thrilling sprinter’s pace.”—*Time* “Hillenbrand [is] one of our best writers of narrative history. You don’t have to be a

sports fan or a war-history buff to devour this book—you just have to love great storytelling.”—Rebecca Skloot, author of *The Immortal Life of Henrietta Lacks*

The Modern Age to Present (1900 AD to Present) Simon and Schuster

In *Reagan and Gorbachev*, Jack F. Matlock, Jr., gives an eyewitness account of how the Cold War ended, with humankind declared the winner. As Reagan’s principal adviser on Soviet and European affairs, and later as the U.S. ambassador to the U.S.S.R., Matlock lived history: He was the point person for Reagan’s evolving policy of conciliation toward the Soviet Union. Working from his own papers, recent interviews with major figures, and archival sources both here and abroad, Matlock offers an insider’s perspective on a diplomatic campaign far more sophisticated than previously thought, led by two men of surpassing vision. Matlock details how, from the start of his term, Reagan privately pursued improved U.S.—U.S.S.R. relations, while rebuilding America’s military and fighting will in order to confront the Soviet Union while providing bargaining chips. When Gorbachev assumed leadership, however, Reagan and his advisers found a potential partner in the enterprise of peace. At first the two leaders sparred, agreeing on little. Gradually a form of trust emerged, with Gorbachev taking politically risky steps that bore long-term benefits, like the agreement to abolish intermediate-range nuclear missiles and the agreement to abolish intermediate-range nuclear missiles and the U.S.S.R.’s significant unilateral troop reductions in 1988. Through his recollections and unparalleled access to the best and latest sources, Matlock describes Reagan’s and Gorbachev’s initial views of each other. We learn how the two prepared for their meetings; we discover that Reagan occasionally wrote to Gorbachev in his own hand, both to personalize the correspondence and to prevent nit-picking by hard-liners in his administration. We also see how the two men were pushed closer together by the unlikeliest characters (Senator Ted Kennedy and François Mitterrand among them) and by the two leaders’ remarkable foreign ministers, George Shultz and Eduard Shevardnadze. The end of the Cold War is a key event in modern history, one that demanded bold individuals and decisive action. Both epic and intimate, *Reagan and Gorbachev* will be the standard reference, a work that is critical to our understanding of the present and the past.

An International History Cambridge University Press

“Outstanding . . . The most accessible distillation of that conflict yet written.” —*The Boston Globe* “Energetically written and lucid, it makes an ideal introduction to the subject.” —*The New York Times* The “dean of Cold War historians” (*The New York Times*) now presents the definitive account of the global confrontation that dominated the last half of the twentieth century. Drawing on newly opened archives and the reminiscences of the major players, John Lewis Gaddis explains not just what happened but why—from the months in 1945 when the U.S. and the U.S.S.R. went from alliance to antagonism to the barely averted holocaust of the Cuban Missile Crisis to the maneuvers of Nixon and Mao, Reagan and Gorbachev. Brilliant, accessible, almost Shakespearean in its drama, *The Cold War* stands as a triumphant summation of the era that, more than any other, shaped our own. Gaddis is also the author of *On Grand Strategy*.

Cold War Civil Rights Harvard University Press

In *Killing Hope*, William Blum, author of the bestselling *Rogue State: A Guide to the World's Only Superpower*, provides a devastating and comprehensive account of America's covert and overt military actions in the world, all the way from China in the 1940s to the invasion of Iraq in 2003 and - in this updated edition - beyond. Is the United States, as it likes to claim, a global force for democracy? *Killing Hope* shows the answer to this question to be a resounding 'no'.

Is This Tomorrow Basic Books

The Cold War at Home: The Red Scare in Pennsylvania, 1945-1960 UNC Press Books
Where the Mountain Meets the Moon Oxford University Press

“[An American Childhood] combines the child’s sense of wonder with the adult’s intelligence and is written in some of the finest prose that exists in contemporary America. It is a special sort of memoir that is entirely successful...This new book is [Annie Dillard’s] best, a joyous ode to her own happy childhood.” — *Chicago Tribune*

A book that instantly captured the hearts of readers across the country, *An American Childhood* is Pulitzer Prize-winning author Annie Dillard’s poignant, vivid memoir of growing up in Pittsburgh in the 1950s and 60s. Dedicated to her parents - from whom she learned a love of language and the importance of following your deepest passions - this narrative tale will resonate for everyone who has ever recalled with longing playing baseball on an endless summer afternoon, caring for a pristine rock collection, or knowing in your heart that a book was written just for you.

The Frontline University of Chicago Press
A new interpretation of the Cold War from the perspective of the smaller and middle powers in Asia, the Middle East and Europe.

A World History Random House Trade Paperbacks

V. 1. The colonial book in the Atlantic world: This book carries the interrelated stories of publishing, writing, and reading from the beginning of the colonial period in America up to 1790. v. 2 An Extensive Republic: This volume documents the development of a distinctive culture of print in the new American republic. v. 3. The industrial book 1840-1880: This volume covers the creation, distribution, and uses of print and books in the mid-nineteenth century, when a truly national book trade emerged. v. 4. Print in Motion: In a period characterized by expanding markets, national consolidation, and social upheaval, print culture picked up momentum as the nineteenth century turned into the twentieth. v. 5. The Enduring Book: This volume addresses the economic, social, and cultural shifts

affecting print culture from World War II to the present.

China's Grand Strategy Cambridge University Press

The McCarthy era is generally considered the worst period of political repression in recent American history. But while the famous question, "Are you now or have you ever been a member of the Communist Party?" resonated in the halls of Congress, security officials were posing another question at least as frequently, if more discreetly: "Information has come to the attention of the Civil Service Commission that you are a homosexual. What comment do you care to make?" Historian David K. Johnson here relates the frightening, untold story of how, during the Cold War, homosexuals were considered as dangerous a threat to national security as Communists. Charges that the Roosevelt and Truman administrations were havens for homosexuals proved a potent political weapon, sparking a "Lavender Scare" more vehement and long-lasting than McCarthy's Red Scare.

Relying on newly declassified documents, years of research in the records of the National Archives and the FBI, and interviews with former civil servants, Johnson recreates the vibrant gay subculture that flourished in New Deal-era Washington and takes us inside the security interrogation rooms where thousands of Americans were questioned about their sex lives. The homosexual purges ended promising careers, ruined lives, and pushed many to suicide. But, as Johnson also shows, the purges brought victims together to protest their treatment, helping launch a new civil rights struggle. The Lavender Scare shatters the myth that homosexuality has only recently become a national political issue, changing the way we think about both the McCarthy era and the origins of the gay rights movement. And perhaps just as importantly, this book is a cautionary tale, reminding us of how acts taken by the government in the name of "national security" during the Cold War resulted in the infringement of the civil liberties of thousands of Americans.
