#1 NEW YORK TIMES BESTSELLER •  
OPRAH'S BOOK CLUB PICK • NATIONAL  
BOOK AWARD LONGLIST • "An instant  
American classic and almost certainly  
the keynote nonfiction book of the  
American century thus far."—Dwight  
Garner, The New York Times The Pulitzer  
Prize-winning, bestselling author of The  
Warmth of Other Suns examines the

unspoken caste system that has shaped  
America and shows how our lives today  
are still defined by a hierarchy of human  
divisions. NAMED THE #1 NONFICTION  
BOOK OF THE YEAR BY TIME, ONE OF  
THE TEN BEST BOOKS OF THE YEAR BY  
People • The Washington Post •  
Publishers Weekly AND ONE OF THE  
BEST BOOKS OF THE YEAR BY The New  
York Times Book Review • O: The Oprah  
Magazine • NPR • Bloomberg • Christian  
Science Monitor • New York Post • The

PopMatters Winner of the Los Angeles  
Times Book Prize • National Book Critics  
Circle Award Finalist • Dayton Literary  
Peace Prize Finalist • PEN/John Kenneth  
Galbraith Award for Nonfiction Finalist •  
PEN/Jean Stein Book Award Longlist “As  
we go about our daily lives, caste is the  
wordless usher in a darkened theater,  
flashlight cast down in the aisles, guiding  
us to our assigned seats for a  
performance. The hierarchy of caste is  
not about feelings or morality. It is about  
power—which groups have it and which  
do not.” In this brilliant book, Isabel  
Wilkerson gives us a masterful portrait of  
an unseen phenomenon in America as  
she explores, through an immersive,  
deeply researched narrative and stories

about real people, how America today  
and throughout its history has been  
shaped by a hidden caste system, a rigid  
hierarchy of human rankings. Beyond  
race, class, or other factors, there is a  
powerful caste system that influences  
people’s lives and behavior and the  
nation’s fate. Linking the caste systems  
of America, India, and Nazi Germany,  
Wilkerson explores eight pillars that  
underlie caste systems across  
civilizations, including divine will,  
bloodlines, stigma, and more. Using  
riveting stories about people—including  
Martin Luther King, Jr., baseball’s Satchel  
Paige, a single father and his toddler  
son, Wilkerson herself, and many  
others—she shows the ways that the  
insidious undertow of caste is  
experienced every day. She documents

how the Nazis studied the racial systems in America to plan their out-cast of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Beautifully written, original, and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.

*From Slavery to Freedom. Illustrated* Strelbytskyy Multimedia Publishing  
Frederick Douglass was born a slave in Maryland around February 1818. He escaped in 1838, but in each of the three accounts he wrote of his life he did not give any details of how he gained his freedom lest slaveholders use the information to prevent other slaves from escaping, and to prevent those who had helped him from being punished.

**Puzzle Pack** Rowman & Littlefield  
Retold Afro-American folktales of animals, fantasy, the supernatural, and desire for freedom, born of the sorrow of the slaves, but passed on in hope.

*Explanations for "The Official SAT Study Guide" Questions* Courier Dover Publications

The abolitionist author presents

profound insight on the meaning of race and freedom in America in this memoir of slavery, escape, and reinvention. One of the most important figures in the American civil rights movement, Frederick Douglass was a major influence on social and political thought in the nineteenth century. His autobiographical writings were a powerful vehicle for his philosophy of human equality. Written ten years after his legal emancipation in 1846, *My Bondage and My Freedom* recounts Douglass's journey—intellectual, spiritual, and geographical—from life as a slave under various masters, and his many plots and attempts at escape, to his liberation, time as a fugitive, and new life as a prominent abolitionist. Expanding on his earlier work *Narrative*

of the *Life of Frederick Douglass*, this later memoir illuminates Douglass's maturation as a writer and thinker.

*Frederick Douglass* Cosimo, Inc.

Illustrated biographies featuring a range of fascinating figures from history (and current figures, too!) provide great information and entertainment through short chapters and illustrations that will appeal to reluctant readers as well as middle readers in general. Simultaneous eBook.

Esta guía esta pensada para utilizarse conjuntamente con el libro *American literature to 1900* de la misma autora y editado por la misma editorial. Ofrece los siguientes recursos adicionales como un extenso material complementario que

ayuda y guía al alumno a lo largo de las 24 unidades, una colección de veinte ejemplos de exámenes y un glosario con una lista de los términos más importantes de la literatura en general y de la literatura americana en particular.

### Who Was Frederick Douglass?

Createspace Independent Publishing Platform

\*\*Winner of the Pulitzer Prize in History\*\*

“Extraordinary...a great American biography” (The New Yorker) of the most important African-American of the nineteenth century: Frederick Douglass, the escaped slave who became the greatest orator of his day and one of the leading abolitionists and writers of the era. As a young man Frederick Douglass (1818–1895) escaped from slavery in Baltimore, Maryland. He was fortunate to

have been taught to read by his slave owner mistress, and he would go on to become one of the major literary figures of his time. His very existence gave the lie to slave owners: with dignity and great intelligence he bore witness to the brutality of slavery. Initially mentored by William Lloyd Garrison, Douglass spoke widely, using his own story to condemn slavery. By the Civil War, Douglass had become the most famed and widely travelled orator in the nation. In his unique and eloquent voice, written and spoken, Douglass was a fierce critic of the United States as well as a radical patriot. After the war he sometimes argued politically with younger African Americans, but he never forsook either the Republican party or the cause of black civil and political rights. In this

“cinematic and deeply engaging” (The New York Times Book Review) biography, David Blight has drawn on new information held in a private collection that few other historians have consulted, as well as recently discovered issues of Douglass’s newspapers. “Absorbing and even moving...a brilliant book that speaks to our own time as well as Douglass’s” (The Wall Street Journal), Blight’s biography tells the fascinating story of Douglass’s two marriages and his complex extended family. “David Blight has written the definitive biography of Frederick Douglass...a powerful portrait of one of the most important American voices of the nineteenth century” (The Boston Globe). In addition to the Pulitzer Prize, Frederick Douglass won the Bancroft, Parkman,

Los Angeles Times (biography), Lincoln, Plutarch, and Christopher awards and was named one of the Best Books of 2018 by The New York Times Book Review, The Wall Street Journal, The Boston Globe, The Chicago Tribune, The San Francisco Chronicle, and Time.

Flight to Canada Knopf Books for Young Readers

The authors bring to life the theory of mediated learning. Through numerous examples and scenarios from classrooms and museums, they show how mediated learning helps children to become more effective learners. --from publisher description.

 Winner of the Cundill History Prize  
 Winner of the Frederick Douglass Book Prize  
 Named One of the Best Books of

the Year by NPR A breathtakingly original work of history that uncovers a massive enslaved persons' revolt that almost changed the face of the Americas Named one of the best books of the year by NPR, *Blood on the River* also won two of the highest honors for works of history, capturing both the Frederick Douglass Prize and the Cundill History Prize in 2021. A book with profound relevance for our own time, *Blood on the River* “fundamentally alters what we know about revolutionary change” according to Cundill Prize juror and NYU history professor Jennifer Morgan. Nearly two hundred sixty years ago, on Sunday, February 27, 1763, thousands of slaves in the Dutch colony of Berbice—in present-day Guyana—launched a rebellion that came amazingly close to

succeeding. *Blood on the River* is the explosive story of this little-known revolution, one that almost changed the face of the Americas. Michael Ignatieff, chair of the Cundill Prize jury, declared that *Blood on the River* “tells a story so dramatic, so compelling that no reader will be able to put the book down.” Drawing on nine hundred interrogation transcripts collected by the Dutch when the rebellion collapsed, and which were subsequently buried in Dutch archives, historian Marjoleine Kars has constructed what Pulitzer Prize-winning historian Eric Foner calls “a gripping narrative that brings to life a forgotten world.” Createspace Independent Publishing Platform  
The true story of Frederick Douglas, a man who grew up in slavery and fought

to survive its cruelties. This memoir follows Douglas' memories and experiences as he grows up in the South, learns how to read and write, and, eventually, plots his escape to the South and to freedom. A classic of American literature, this memoir delves into the realities of slavery in America and stands as a reminder of the horrors that must be recalled to avoid being repeated.

*The Story of Young Frederick Douglass (with audio recording)* Indiana University Press

A Study Guide for Frederick Douglass's "Narrative of the Life of Frederick Douglass," excerpted from Gale's acclaimed Nonfiction Classics for Students. This concise study guide includes plot summary; character analysis; author biography; study

questions; historical context; suggestions for further reading; and much more. For any literature project, trust Nonfiction Classics for Students for all of your research needs.

*with 4 Practice Tests* Rowman & Littlefield

Let Nobody Turn Us Around provides students with a collection of readings that capture the main ideological currents of the Black Freedom Movement in the United States from 1789 to the present. This Study Guide is designed to complement each section of the book. It contains summaries of the section introductions, comprehension and thought questions that pertain to each document, essay questions that address major themes discussed in each section, a list of potential research

topics, suggested classroom exercises, and a collection of films and web sites that are relevant to each section. These features provide assistance in developing lectures, homework assignments, examinations, and in-depth research projects for a range of undergraduate students. The Guide is an ideal teaching tool that will allow both students and instructors to explore the many themes and issues that are central to *Let Nobody Turn Us Around*.

*A Study Guide for Frederick Douglass's Narrative of the Life of Frederick Douglass* UNC Press Books

The inspirational, true story of how Frederick Douglass found his way to freedom one word at a time. This picture book biography chronicles the youth of Frederick Douglass, one of the most

prominent African American figures in American history. Douglass spent his life advocating for the equality of all, and it was through reading that he was able to stand up for himself and others. Award-winning husband-wife team Lesa Cline-Ransome and James E. Ransome present a moving and captivating look at the young life of the inspirational man who said, "I would unite with anybody to do right and with nobody to do wrong."

*The Slaves* Teachers College Press  
*Scenes in the Life of Harriet Tubman*: By SARAH H. BRADFORD. [Special Illustrated Edition]

*The Origins of Our Discontents* Henry Davis

African American history is the part of American history that looks at the past of African Americans or Black Americans.

Of the 10.7 million Africans who were brought to the Americas until the 1860s, 450 thousand were shipped to what is now the United States. Most African Americans are descended from Africans who were brought directly from Africa to America and became slaves. The future slaves were originally captured in African wars or raids and transported in the Atlantic slave trade. Our collection includes the following works: Narrative Of The Life by Frederick Douglass. The impassioned abolitionist and eloquent orator provides graphic descriptions of his childhood and horrifying experiences as a slave as well as a harrowing record of his dramatic escape to the North and eventual freedom. Incidents In The Life Of A Slave Girl by Harriet Jacobs. Powerful by portrayal of the brutality of

slave life through the inspiring tale of one woman's dauntless spirit and faith. Up From Slavery by Booker T. Washington. Washington rose to become the most influential spokesman for African Americans of his day. He describes events in a remarkable life that began in slavery and culminated in worldwide recognition. The Souls of Black Folk by W. E. B. Du Bois. W. E. B. Du Bois was an American sociologist, socialist, historian, civil rights activist, Pan-Africanist, author, writer and editor. Contents: 1. Frederick Douglass: Narrative Of The Life 2. Harriet Ann Jacobs: Incidents in the Life of a Slave Girl 3. Booker Taliaferro Washington: Up From Slavery 4. W. E. B. Du Bois: The Souls of Black Folk  
PSAT/NMSQT Study Guide Gale, Cengage

## Learning

A new edition of the classic New York Times bestseller edited by Toni Morrison, offering an encyclopedic look at the black experience in America from 1619 through the 1940s with the original cover restored. “I am so pleased the book is alive again. I still think there is no other work that tells and visualizes a story of such misery with seriousness, humor, grace and triumph.”—Toni Morrison

Seventeenth-century sketches of Africans as they appeared to marauding European traders. Nineteenth-century slave auction notices. Twentieth-century sheet music for work songs and freedom chants. Photographs of war heroes, regal in uniform. Antebellum reward posters for capturing runaway slaves. An 1856

article titled “A Visit to the Slave Mother Who Killed Her Child.” In 1974, Middleton A. Harris and Toni Morrison led a team of gifted, passionate collectors in compiling these images and nearly five hundred others into one sensational narrative of the black experience in America—The Black Book. Now in a newly restored hardcover edition, The Black Book remains a breathtaking testament to the legendary wisdom, strength, and perseverance of black men and women intent on freedom. Prominent collectors Morris Levitt, Roger Furman, and Ernest Smith joined Harris and Morrison (then a Random House editor, ultimately a two-time Pulitzer Prize-winning Nobel Laureate) to spend months studying, laughing at, and crying over these materials—transcripts from fugitive

slaves' trials and proclamations by Frederick Douglass and celebrated abolitionists, as well as chilling images of cross burnings and lynchings, patents registered by black inventors throughout the early twentieth century, and vibrant posters from "Black Hollywood" films of the 1930s and 1940s. Indeed, it was an article she found while researching this project that provided the inspiration for Morrison's masterpiece, *Beloved*. A labor of love and a vital link to the richness and diversity of African American history and culture, *The Black Book* honors the past, reminding us where our nation has been, and gives flight to our hopes for what is yet to come. Beautifully and faithfully presented and featuring a foreword and original poem by Toni Morrison, *The Black Book* remains a

timeless landmark work.

*The Life of Frederick Douglass* Chicago Review Press

Ishmael Reed's parody of slave narratives—the classical literature of the African American tradition—which redefined the neo-slave genre and launched a lucrative academic industry. Some parodies are as necessary as the books they answer. Such is the case with *Flight to Canada*, Ishmael Reed's scathing, offbeat response to conventional anti-slavery novels such as *Uncle Tom's Cabin*. Though *Flight to Canada* has been classified by some as a "post race" novel, the villains and the heroes are clear. Three slaves are on the run from the Swille plantation. Among them, the most hotly pursued is Raven Quickskill, a poet who seeks freedom in

Canada, and ultimately hopes to return and liberate others. But this particular Civil War-era landscape is littered with modern elements, from Xerox copiers to airplanes, and freely reimagines historic figures as sacred as Abraham Lincoln. A comedy flashing with insight, *Flight to Canada* poses serious questions about history and the complex ways that race relations in America are shaped by the past. This ebook features an illustrated biography of Ishmael Reed including rare images of the author.

*Selected Speeches and Writings*  
The New Press

The American Revolution Have you struggled with finding good resources? This book contains 35 ready-made lessons for teachers to use in the classroom! This is the complete

collection of Reading Through History's seven-part American Revolution series. It contains 35 readings centered around the years leading up to America's War for Independence and the events that took place during the conflict. Each one-page reading also has student activities to accompany the material. The lessons include guided reading activities, true and false questions, vocabulary activities, student response essay questions, and multiple choice reading comprehension questions for each lesson. There is also a section word builder to wrap up the activities and two ready-made tests. This workbook has the materials any teacher would need to thoroughly cover the events and figures of the American Revolution. There is enough material to get you through 5-6

weeks of the school year. What Learning Looks Like NYU Press

Narrative of the Life of Frederick Douglass First published in 1845, Narrative of the Life of Frederick Douglass is an eye-opening depiction of American slavery. Part autobiography, part human-rights treatise, it describes the everyday horrors inflicted on captive laborers, as well as the strength and courage needed to survive. Narrative of the Life of Frederick Douglass Born into slavery on a Maryland plantation in 1818, Frederick Douglass spent years secretly teaching himself to read and write—a crime for which he risked life and limb. After two failed escapes, Douglass finally, blessedly boarded a train in 1838 that would eventually lead him to New York City and freedom. Narrative of the Life of Frederick Douglass Few books have done more to

change America's notion of African Americans than this seminal work. Beyond its historical and social relevancy, it is admired today for its gripping stories, the intensity of spirit, and heartfelt humanity. Narrative of the Life of Frederick Douglass This ebook has been professionally proofread to ensure accuracy and readability on all devices. Narrative of the Life of Frederick Douglass Born into a life of bondage, Frederick Douglass secretly taught himself to read and write. It was a crime punishable by death, but it resulted in one of the most eloquent indictments of

slavery ever recorded. His gripping narrative takes us into the fields, cabins, and manors of pre-Civil War plantations in the South and reveals the daily terrors he suffered. Narrative of the Life of Frederick Douglass Written more than a century and a half ago by a Black man who went on to become a famous orator, U.S. minister to Haiti, and leader of his people, this timeless classic still speaks directly to our age. It is a record of savagery and inhumanity that goes far to explain why America still suffers from the great injustices of the past. Narrative of the Life of Frederick Douglass
