Namaku Risa, dan aku bisa melihat "mereka" yang biasa kalian sebut hantu. Hendrick adalah satu di antara lima sahabat hantu Belanda yang beberapa belas tahun belakangan ini sibuk menggerecoki hidupku. Ini adalah kisahnya. Namun, bukan cerita tentang caranya menakuti manusia, bukan pula curhatnya tentang kehidupan setelah mati. Ini tentang lorong waktu, ketika aku memaksanya untuk menunjukkan masa hidupnya dulu. Awalnya, dia enggan mempersilahkanku masuk. Aku tak memaksa, jika dia tak mau, ya sudahlah. Memang, di antara yang lain. Hendrick adalah anak yang paling misterius. Selalu menghindar jika ditanya tentang masa lalunya. Namun, tiba-tiba-tiba dia datang dan terus bercerita. Cerita demi cerita tentang dirinya, sang mama, dan sang papa, terus bergulir. Semua membawaku ke satu titik, Sampai tak tahan lagi untuk terus menulis. Ternyata, kisahnya jauh lebih buruk daripada yang kuduga...

Hendrick (Repackage) Springer Science & Business Media

From William C. Morris Award Finalist S.K. Ali comes an unforgettable romance that is part *The Sun Is Also a Star* mixed with *Anna and the French Kiss*, following two Muslim teens who meet during a spring break trip. A marvel: something you find amazing. Even ordinary-amazing. Like potatoes—because they make French fries happen. Like the perfect fries Adam and his mom used to make together. An oddity: whatever gives you pause. Like the fact that there are hateful people in the world. Like Zayneb's teacher, who won't stop reminding the class how "bad" Muslims are. But Zayneb, the only Muslim in class, isn't bad. She's angry. When she gets suspended for confronting her teacher, and he begins investigating her activist friends, Zayneb heads to her aunt's house in Doha, Qatar, for an early start to spring break. Fueled by the guilt of getting her friends in trouble, she resolves to try out a newer, "nicer" version of herself in a place where no one knows her. Then her path crosses with Adam's. Since he got diagnosed with multiple sclerosis in November, Adam's stopped going to classes, intent, instead, on perfecting the making of things. Intent on keeping the memory of his mom alive for his little sister. Adam's also intent on keeping his diagnosis a secret from his grieving father. Alone, Adam and Zayneb are playing roles for others, keeping their real thoughts locked away in their journals. Until a marvel and an oddity occurs... Marvel: Adam and Zayneb meeting. Oddity: Adam and Zayneb meeting.

International Relations, as a discipline, does not grant race and racism explanatory agency in its conventional analyses, despite such issues being integral to the birth of the discipline. *Race and Racism in International Relations* seeks to remedy this oversight by acting as a catalyst for remembering, exposing and critically re-articulating the central importance of race and racism in International Relations. Focusing especially on the theoretical and political legacy of W.E.B. Du Bois's concept of the "colour line", the cutting edge contributions in this text provide an accessible entry point for both International Relations students and scholars into the literature and debates on race and racism by borrowing insights from disciplines such as history, anthropology and sociology where race and race theory figures more prominently; yet they also suggest that the field of IR is itself an intellectually and strategic field through which to further confront the global colour line. Drawing together a wide range of contributors, this much-needed text will be essential reading for students and scholars in a range of areas including Postcolonial studies, race/racism in world politics and international relations theory.

Terlalu lama aku melupakan Samantha, sosok hantu anak perempuan yang kutemui saat umurku masih belasan. Sampai di malam ini, dia muncul dan bertanya dengan malu, apakah aku masih ingat padanya? Seketika, aku ingat janjiku pada anak cantik bersorot mata sedih dan kesepian itu untuk sering mengunjunginya dan mengajak sahabat-sahabatku. Aku benar-benar ceroboh telah melupakannya. Namun, Samantha tak marah kepadaku. Dia bilang, "Aku selalu terkesan dengan pertemuan kita, kau juga kuanggap salah satu teman terbaikku. Dan yang terpenting, sekarang, kau ingat aku, bukan?" Kini, pukul dua dini hari, kedua tanganku resah, tak sabar membuka laptop. Aku akan membiarkan jari-jari ini menulis banyak kata. Samantha, berceritalah kepadaku. Izinkan aku menyelam ke dalamnya, agar aku mengerti bagaimana sulitnya menjadi dirimu. Keinginanku hanya satu, membuatmu tak lagi kesepian. Buku Persembahan Penerbit Bukune

A brave teen recounts her debilitating struggle with obsessive-compulsive disorder—and brings readers through every painful step as she finds her way to the other side—in this powerful and inspiring memoir. Until sophomore year of high school, fifteen-year-old Allison Britz lived a comfortable life in an idyllic town. She was a dedicated student with tons of extracurricular activities, friends, and loving parents at home. But after awakening from a vivid nightmare in which she was diagnosed with brain cancer, she was convinced the dream had been a warning. Allison believed that she must do something to stop the cancer in her dream from becoming a reality. It started with avoiding sidewalk cracks and quickly grew to counting steps as loudly as possible. Over the following weeks, her brain listed more dangers and fixes. She had to avoid hair dryers, calculators, cell phones, computers, anything green, bananas, oatmeal, and most of her own clothing. Unable to act "normal," the once-popular Allison became an outcast. Her parents questioned her behavior, leading to explosive fights. When notebook paper, pencils, and most schoolbooks were declared dangerous to her health, her GPA imploded, along with her plans for the future. Finally, she allowed herself to ask for help and was diagnosed with obsessive-compulsive disorder. This brave memoir tracks Allison's descent and ultimately hopeful climb out of the depths.

"Propulsive . . . Good books sometimes cut to the bone, and this one feels like a scythe." —The New York Times Book Review "This wise, brilliant novel is so special, so overflowing with honesty and love—about motherhood, sisterhood, what it's like to be a woman—that every paragraph feels like an epiphany. Hanna Halperin knows the fierce love that can exist especially among broken things. *Something Wild* moved me deeply." —Glennon Doyle, #1 New York Times bestselling author of *Untamed* A searing novel about the love and contradictions of sisterhood, the intoxicating desires of adolescence, and the traumas that trap mothers and daughters in cycles of violence One weekend, sisters Tanya and Nessa Bloom pause their respective adult lives and travel to the Boston suburbs to help their mother pack up and move out of their childhood home. For the first time since they were teenagers sharing a bunk bed over a decade ago, they find themselves in the place where long-kept secrets were born, where jealousy, comfort, anger, forgiveness, and repulsion coexist with the fiercest love and loyalty. What they don't expect is for their visit to expose a new, horrifying truth: their mother, Lorraine, is in a violent relationship. As Tanya urges Lorraine to get a restraining order, Nessa struggles to reconcile her fondness for their stepfather with his capacity for brutality. Their differing responses to the abuse bring up the sisters' shared secret—a traumatic, unspoken experience from their adolescence has shaped their lives, their sense of selves, and their relationship with each other and the men in their life. In the midst of this family crisis, they have no choice but to reckon with the past and face each other in the present, in the hope that there's a way out of the violence so deeply ingrained in the Bloom family. Told in alternating perspectives that deftly interweave past and present, *Something Wild* is a magnetic, unflinching portrait of the bond between sisters, as well as a psychologically acute exploration of the legacy of divorce, the ways trauma reverberates over generations, and how it might be possible to overcome the past.

A writer's lifelong battle with mental illness. *Demonic to Divine: The Double Life of Shulamis Yelin* is a weaving of the Montreal writer's stories and selected diary excerpts and family photographs revealing a far-reaching creative personality who is haunted from the age of ten by the "moods taking over." This book poignantly illuminates the dramatic duality of a public and private literary and emotional life through published and unpublished stories of an idyllic Montreal Jewish childhood contrasted with deeply troubled and often shocking diary entries that document the author's lifelong battle with mental illness. Yelin's insightful yet light and humorous stories have been cherished by generations of children and adults for their universal appeal. The journal entries that she maintained for most of her 90 years document the abuse, paranoia, self-loathing, doubt, and devastating depression of Yelin's true emotional state. These concurrent lenses reveal the profound struggles and suffering of a fascinating and highly gifted woman who transcended her ongoing deep-seated emotional agony to create a significant literary legacy. The many threads of this multilayered book have been woven together through the collaboration of Yelin's daughter, Gilah Yelin Hirsch and Yelin's first stories' editor, Nancy

Marrelli.
