[A Memoir of a Family and Culture in Crisis](#) Gray Publishers

"Developed by literacy experts for students in grades three through seven, this book introduces young readers to the geography and culture of Ohio"-  
-Provided by publisher.

*America Divided or United* Kent State University Press

The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* "A taut tale of ever deepening and quickening suspense." —O, the Oprah Magazine "Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family." —Entertainment Weekly "Lydia is dead. But they don't know this yet." So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one

another.

[A Novel](#) Arcadia Publishing

Get ready to ride! In this massive box set, you'll get the complete Great Wolves MC-Ohio series. We're talking five, full-length novels (over 1200 pages) featuring sinfully hot bad boy bikers who bleed for the club but burn for their women. This is sizzling romantic suspense that'll melt your heart while keeping you on the edge of your seat. This set includes: Colt Kellan Brax Joker Torch Colt Everything they said about me when they ran me out of town was true. Black sheep doesn't even begin to cover it. Mayhem follows me wherever I go and I've got nowhere left to ride. Even so, I shoulda kept on going. But then I saw Amy. She's too good, too pure for me and I damn well know it. But those lips, those curves. When she looks at me, I know it brings back pain she wants to forget. But not everyone who wears this cut is the same. I won't let her get away without a fight and I'll kill any man who tries to hurt her again. No matter what patch he wears. Kellan Everything worth having is worth fighting for. I should know. I bear more battle scars than most. I lost half my leg when an IED blew a hole through my Humvee in Afghanistan. Since I got back, I've done things to protect my MC that would make you afraid of me. And you should be. When I laid eyes on Mallory, I knew she was worth fighting for too. I wasn't expecting it. She stepped into the spotlight in that hole in the wall bar singing the first slow, quiet notes of some rock song and that was all it took. I knew she was about to spin my world around and the timing couldn't be worse. On the verge of a club war, everyone close to me could be at risk. But, just one look from Mallory was enough to change my life forever. Because no matter what, I knew I had to make her mine. Brax As enforcer for the Great Wolves

MC, bloody hands and deadly force were just another Tuesday in my world. I'm not sorry. I'm not on some quest for redemption. Sometimes it takes a monster to fight off something even worse and sleep tight . . . you need me to be that monster. But when Nicole walked back into my life asking for my help, she stirred things in me I like to keep buried. She was a one-night stand I'll never forget. She brought me light when it's better if I keep to the darkness. And now she's offered me the one thing I want from her if I agree to help her. It's dangerous to owe me something because I always collect. Joker There are two things in my life I'll protect above all else. My son Toby, and my club. I thought they were all I ever needed. Then, I saw Tara, my son's new teacher. She's sweet, innocent, and untouchable for a guy like me. I knew I should keep my distance. Keep things professional. But, after one touch I knew she was mine. After one kiss, I knew I would kill for her. I just had no idea how quickly I'd be put to the test. Tara doesn't live in my world, but she's got me on my knees and it's too late to let her go. Darkness is coming for the Great Wolves M.C. Then, Maura walked into my club and spun my heart. Tough. Smart. Classy. But, she needs my protection even if she's too stubborn to see it. And I need to make her mine, no matter what it costs. Torch I've got no time for games. There's a war coming. Anyone close to me is bound to get hurt. Except I want Sydney anyway. She's a spoiled little rich girl. Expensive hair. Designer clothes. Living off her family's trust fund. When she bats those lashes at me, I know just how to ruin that pretty makeup. Because I don't flirt. I want to possess her. I want to make her beg for me. It's selfish of me, but I don't care. And now I'm in too deep to walk away. But, the devil's at my doorstep and he'll swallow us both whole. Book Themes MC Romance, Romantic Suspense, standalone full length romance novel, biker romance, motorcycle club romance series, action and adventure, possessive alpha male, strong female heroine, HEA, second chance romance, box set, complete series, omnibus

*Ohio* MIRA

Highlighted by more than 150 full-color illustrations, a photographic study singles out the best of Ohio's natural lands and documents their importance in words and photographs in a survey that features approximately forty sites encompassing nearly every type of habitat found in the state.

*Trashlands* Penguin

Thirty episodes from the history of the Buckeye State, including memorable events such as the Kent State Riots, but also featuring lesser-known tales.

*Everything I Never Told You* Lak Publishing

Lost in the Ohio River Valley in May 1793, twelve-year-old Clare and her two brothers struggle to survive in the wilderness and to avoid capture by the Shawnee Indians.

*The Best of Our Natural Heritage* John Wiley & Sons

When Ohio governor John Kasich ran for president, his powerful message of hope and togetherness struck a chord with American voters. In *Two Paths: America Divided or United*, he carries that message forward by reflecting on the tumultuous 2016 campaign, sharing his concerns for America and his hopes for our future, and sounding a clarion call to reason and purpose, humility and dignity, righteousness and calm. "The country never looked so grand and magnificent as it did from ten thousand feet," he writes of his time on the campaign trail, "and it was always a thrilling, faith-affirming thing to look out our window and see the sun splashing across Bryce Canyon in Utah, or the lights of the New York skyline at night as we flew past the Statue of Liberty, or an open field in the heartland that ran as far as our eyes could see.... I'd look out and think what an honor it would be to lead this great nation, what a blessing." To be sure, the full story of the 2016 Presidential race will be written over time, but to understand what it was to be on the front lines of one of the most divisive and corrosive campaign battlegrounds in history, readers won't find a richer, more thoughtful firsthand account than this one—a frank, refreshing assessment of the American dynamic and a clear path we might follow toward a more promising tomorrow. As Governor Kasich reminds us in these pages, America is great because America is good—and because Americans have stayed true to who we are: one nation, under God, indivisible.

**Investigation of Racketeering in the Cleveland, Ohio, Area** Harper Collins

An on-the-ground look at the diverse challenges facing Ohio, in light of its national significance as the state that has aligned with presidential election winners more than any other -- from an award-winning author and essayist dubbed "the Bard of Akron" (New York Times). The question of America's identity has rarely been more urgent than now, and no American place has ever been more reflective of that identity than Ohio. David Giffels, a lifelong resident of the "bellwether" state, has spent a quarter century writing and thinking about what it means to live in what he calls "an all-American buffet, an uncannily complete everyplace." With Cleveland as the end of the North, Cincinnati as the beginning of the South, Youngstown as the end of the East, and Hicksville (yes, Hicksville) as the beginning of the Midwest, Ohio offers important insight into the state of the nation. As a historic 2020 presidential election approaches, *Barnstorming Ohio* is Giffels' account of a year on Ohio's roads, visiting people and places that offer valuable reflections of the national questions and concerns, as well as astounding electoral clairvoyance -- since 1896, Ohio has accurately chosen the winner in twenty-nine of thirty-one presidential elections, more than any other state. With lyricism and a native's keen eye, *Barnstorming Ohio* takes readers into the living room of a man whose life was upended just shy of retirement by General Motors' shutdown of its Lordstown assembly plant. It offers an exclusive view into the presidential campaign of Ohio Democratic hopeful Tim Ryan. It takes us into the sodden soybean fields of farmers struggling to outlast the dual punch of a protracted trade war and historic rainfall, and to an indie rock music festival in Dayton a week after a mass shooting there. We enter the otherworld of long-dormant shopping malls as Amazon transforms them into vast new fulfillment centers. On the lighter side, Giffels makes a "beer run" into Ohio's booming craft brewing industry and revisits the legend (and the bird-nest toupee) of Jim Traficant, a larger-than-life Ohio politician whom many have called the "proto-Trump." In a year when Americans are seeking answers, *Barnstorming Ohio* offers rare and carefully nuanced access to the people who have always held them.

**The Great Book of Ohio** Arcadia Publishing

For some, the Great Recession that began in 2007 was a traumatic setback; for others, it was just another dip in a long descent from comfort and security. America is changing in profound ways, but we rarely hear the voices of regular people living the transformation. As *Ohio Goes* is a journey through cities, suburbs, and remote rural towns in this quintessential American state. Sitting together at dining room tables, walking through rows of planted fields, and swinging back beers at pubs, you'll meet individuals you won't soon forget. People like Bill, whose handicap did not push him to take disability payments until his layoff, and Rhonda, a working mother embarrassed to feed her son using food stamps. There are the young soldier

who shows us his scars from deployment to Iraq but who remains in the Army to make ends meet and the Amish man whose business loss during the downturn induced him to leave his family and the church. Together their stories personify today's timeliest issues, which Rana B. Khoury navigates in informative and accessible terms. From student debt and health care costs to female breadwinners and hydraulic fracturing, *As Ohio Goes* situates each story in a context that relates it to wider trends in Ohio and across the United States. Where economic experts deal in the abstract, Khoury pumps life into otherwise cold facts and figures, putting a human face on economic issues.

**Reverse Underground Railroad in Ohio, The** Tin House Books

The *The Great Book of Ohio* is an entertaining, instructive and interesting Trivia & Facts book about the Buckeye State. You'll learn more about Ohio's history, pop culture, folklore, sports, and so much more!

**A Novel** Palgrave Macmillan

As the state of Ohio prepares to celebrate its bicentennial in 2003, Andrew R. L. Cayton offers an account of ways in which diverse citizens have woven its history. *Ohio: The History of a People*, centers around the many stories Ohioans have told about life in their state. The founders of Ohio in 1803 believed that its success would depend on the development of a public culture that emphasized what its citizens had in common with each other. But for two centuries the remarkably diverse inhabitants of Ohio have repeatedly asserted their own ideas about how they and their children should lead their lives. The state's public culture has consisted of many voices, sometimes in conflict with each other. Using memoirs, diaries, letters, novels, and paintings, Cayton writes Ohio's history as a collective biography of its citizens. Ohio, he argues, lies at the intersection of the stories of James Rhodes and Toni Morrison, Charles Ruthenberg and Lucy Webb Hayes, Carl Stokes and Alice Cary, Sherwood Anderson and Pete Rose. It lies in the tales of German Jews in Cincinnati, Italian and Polish immigrants in Cleveland, Southern blacks and white Appalachians in Youngstown. Ohio is the mingled voices of farm families, steelworkers, ministers, writers, schoolteachers, reformers, and football coaches. Ohio, in short, is whatever its citizens have imagined it to be.

**The History of a People** It Happened in

*Ohio: A History of the Buckeye State* explores the breadth of Ohio's past, tracing the course of history from its earliest geological periods to the present day in an accessible, single-volume format. Features the most up-to-date research on Ohio, drawing on material in the disciplines of history, archaeology, and political science. Includes thematic chapters focusing on major social, economic, and political trends. Amply illustrated with maps, drawings, and photographs. Recipient of the Ohio Genealogical Society's Henry Howe Award in 2014

*Christian Slaves, Muslim Masters* HarperCollins

THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times *Hillbilly Elegy* is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social,

regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully

escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.
