A Novel of New Orleans

Xlibris Corporation
Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and

turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Midnight in the Garden of

Good and Evil is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

Kerrigan Byrne and Friends Present: The Seasons of Sin 2022 Anthology Collection. In the first of four new anthologies from highly-acclaimed, award-winning, and USA Today bestselling authors, Big Duke Energy is all brand new content where beloved secondary characters are granted their second chances at long-awaited happily ever afters! THE EARL ON THE TRAIN by Kerrigan Byrne Sebastian Moncrieff is a villain, a traitor, and a pirate, who has recently inherited an Earldom he never wanted. As a man who's committed every sin imaginable, he knows his only chance at redemption is the one woman who ever reached

through to his soul of ice. He's kidnapped Veronica Latimer once before and was enchanted by everything about her... This time, when he takes her, he'll have to admit that she's kept his heart captive since the moment they met. But can he convince her to forgive his past in order to claim a future? **LOVED AND FOUND:** Christi Caldwell Lieutenant Thaddeus Phippen has lived a lifetime away from the only love he ever knew, a powerful duke's daughter. He's now returned from fighting Boney's forces, ready to put aside tragic battlefield remembrances and the memory of past heartbreak of love lost. Or that was the plan...until Thaddeus finds himself face-to-face with the one woman he soon finds he can't ever forget... Is the divide between former lovers too great to forge a future together...or can they, at last, have a love to last a lifetime? **THE WOLF OF WESTMORE** by Amalie Howard Lord Wulfric Bane, the Duke of Westmore knows that blood is thicker than water, that duty is more important than personal desire, and that some things, like falling in love, are never meant to be. Cossetted and coddled

Lady Jocelyn Capehart has been bred to be the perfect lady. On the outside, she is demure, sweet, and biddable, but on the inside, a vixen longs to break free of her cage. A chance meeting at a sultry club leads to one sinfully explosive night that neither of them can forget. **PUT UP YOUR DUKES** by Janna MacGregor Martin "Duke" Richmond bows to no one, including any duke who protests what he publishes in his sensational gossip rag, *The Midnight Cryer*. However, he is occasionally open to negotiation when it comes to special requests from his wife. Estranged from her husband for five years because of the incendiary gossip he prints, Amelia Richmond finds escape from her lonely existence by volunteering at a foundling home, helping society's most powerful people avoid her husband's rancor gossip, and sleeping with her husband every Wednesday. Not an entirely unwelcome chore. When Martin goes on a rampage against one of the most powerful dukes in the British Isles, Amelia must use her wit and best persuasive techniques to rein him in. When her

chance for a happy marriage appears within reach, Amelia finds herself falling for him once again, which is bad...very bad. **DUKE OF EVERY SIN** by Stacy Reid Ethan Benedict, Duke of Bainbridge, has been an object of fear, fascination, and salacious gossip for years. To many, his reputation would make him an unlikely savior of a baby left on his doorstep. But Ethan saw the child as perhaps a pathway to redemption. What he did not anticipate was for his jaded heart to soften toward the mysterious young woman who infiltrates his household and secretly cares for the child.

The Duke's Fallen Angel Simon and Schuster A duke's well-ordered world is turned upside down when a female inventor sends his heart soaring in this Regency romance by a New York Times–bestselling author. Merlin Lambourne has invented the “speaking box”—a sort of telephone—which is so valuable that Napoleon has killed for it. Sent by the crown to bring both inventor and invention to safety, Ransom Falconer, Duke of Damerell, is shocked to learn Mr. Lambourne is a Miss.

Perhaps more shocking, however, are his feelings for the eccentric genius. She is everything he doesn't like: incapable of following orders, unaware of conventional etiquette, preoccupied, disorganized, and unkempt. Yet she beguiles him. One of the most ingenious inventors in England, she is also one of the country's greatest hopes in the defense against the power mad Napoleon Bonaparte. Now, if he could just get her mind out of the clouds and convince her to marry him . . . Merlin is not absentminded, it's just that she only seems to be able to pay attention to one thing at a time. And maybe she does take everything people say literally, but people ought to say what they mean. Now this Ransom Falconer wants her to forget her current interest in flying machines and focus on the speaking box she's lost interest in finishing. It's quite disconcerting. In fact, everything about him is disconcerting; in her isolated life Merlin has never met anyone who affects her quite like Ransom does. With her trademark blend of heartwarming characters and a hilarious conflict, *Midsummer Moon* is yet

another winner from the author of *Flowers from the Storm*, praised by Lisa Kleypas as "the gold standard in historical romance."

The Life of Olive Oatman Forever

In 1970, Sara Ehrenreich boards a small plane and returns to New York City with much fanfare; she will be featured in *Life* magazine. She has not left Ta'un'uu—the South Seas island upon which she and her husband, Philip, were marooned during a storm—in more than thirty years. Sara doesn't know that man has landed on the moon. She has never seen a ballpoint pen. Her body is covered, head to toe, in tattoos. Flashback: it's 1918 and Sara, a shop girl and aspiring artist, meets Philip, a wealthy member of the avant-garde elite. The two fall in love, marry, and collaborate to

make art, surrounded by socialites and revolutionaries—until the Depression cripples not just Sara and Philip, but most of their patrons. When Philip is offered a job gathering masks from the South Seas, they jump at a chance to escape America's sorrows, traveling to Ta'un'uu for what they think will be a week's stay. The rest is history—a history Sara records on her skin through the traditional tattoos that become her masterpiece and provide an accounting of her days. Narrated in vivid and starkly moving prose, *The Tattoo Artist* reminds us of the unforeseeable forces that shape each human life.
