Golden Stories of Sayyida Khadijah (RA) highlights the character, life, and contributions of Sayyida Khadija. Being the first wife of Prophet Muhammad (P.B.U.H), she has a great status and importance in Islamic history and literature. Known for her sacrifices, love, devotion, and commitment to the cause of Allah, she is declared as a shining example to follow. Her character earned her great respect even in the pre-Islamic era and was known as “Tahirah” that means “pure and righteous”. This book by Abdul Malik Mujahid is a lovely collection of authentic events that highlights her intelligence, commitment to religion, sincere belief in God and determination under the most difficult circumstances. The book’s tone is very delicate that literally takes the reader back in time to the very beginning of Islam, providing deep insights into her life and early Islamic era. If you want to gift your girls and daughters something, nothing could be better than this as it will help them learn how to be a faithful Muslim lady, a dedicated wife, and an ideal mother. However, this does not mean this is ‘female only’ book; instead, male can also learn lots of lessons from her life.

Fiction. Young Adult Fiction. Poetry. African & African American Studies. Women's Studies. Hybrid Genre. Part 1980s and 1990s nostalgia, part exuberant storytelling, I'M SO FINE: A LIST OF FAMOUS MEN & WHAT I HAD ON turns a sharply humorous magnifying glass onto gendered interactions in daily life, framed primarily by random celebrity encounters in Los Angeles. Far from a narrative of fame-chasing or conceit, however, I'M SO FINE breathlessly addresses what it means for a woman to fight for dignity and survival in an often hostile environment, to come into her own power as she

decides what she wants for herself "& mostly gets its every fineness." "I'M SO FINE is an accumulation that is the feminine memory that has had enough. This book is strength, is a critique, is subversive, is a woman, a fist, an lol, an F.U., a refusal, a gaze back at the gaze, is inevitable freedom wearing a flowered dress Kente cloth bomber jacket red lipstick white jeans a velvet choker white platform sandals a black turtleneck electric blue column dress an eggshell blouse with a high collar & pearl buttons is wearing a powerful woman's body and mind."--Natalie Diaz

Cinta itu suci, sayang sekali bila ada noda yang melekat padanya. Sama halnya telah melenyapkan pesona keindahan yang telah dianugerahkan dari yang Mahacinta dan Mahasuci. Allah Swt., telah menebarkan benih-benih cinta kepada hamba-Nya. Menodainya berarti telah menodai anugerah-Nya. Cinta merupakan kebahagiaan bagi setiap insan yang mau memberi dan menerimanya. Sepasang insan yang sedang merajut cinta memancarkan sinar kebahagiaan yang begitu memukau.Terlebih bila keduanya saling mencintai karena Allah, maka kebahagiaan tersebut tak akan pernah sirna dan akan berlanjut sampai akhirat. Cinta harus diletakkan sesuai haknya. Prioritaskan cinta itu kepada yang pantas menerimanya dengan porsi yang berbeda. Jangan samakan porsi antara cinta kepada Allah Swt., Rasulullah saw.,orang tua, serta suami/istri. Tentu berbeda antara cinta kepada Sang Khalik dengan cinta kepada makhluk-Nya. Inilah buku Tafakur of Love, mempersembahkan keanekaragaman makna dalam lautan cinta, mengajak para pembaca menyelam untuk melihat sesuatu yang menawan tentang cinta. Semakin berani para pembaca menyelam ke dasar lautan cinta, maka semakin banyak para pembaca mendapati mutiara-mutiara cinta untuk dimiliki. Subhanallah, selamat menikmati anugerah terindah dari Sang Pencipta berupa mutiara cinta.

One day, the Prophet Muhammad was describing Khadija’s virtue, and he pointed to the heaven and earth with his finger and stated, “Mary, mother of Jesus, is the best of the women of the heavens, and the worthiest woman still living on this earth is Khadija, daughter of Khuwaylid.” Khadija’s life is a source of great inspiration to believers, especially women. She is an excellent example of how one can give to the cause of Islam one’s time, energy, wealth and life. Her story is a reminder to believers to live purposeful lives and, in our prayers, we should remember Khadija and the whole family of the Prophet for their sacrifice and dedication. It was precisely their sacrifice, dedication and hard work that made it possible for Islam to reach all the four corners of the world and allowed the Quran to be preserved in its original form. May Allah be pleased with them all. Once when the Prophet Muhammad was in the Cave of Hira with the angel Jibril, or Gabriel, Jibril saw from afar that Khadija was coming towards the Cave. He said to the Prophet: “Khadija is coming here. She has brought some food and water for you.” And then he added: “When she comes in, give her the greetings from her Lord and tell her that there will be a house made of pearls for her in Paradise where there will be neither hardship nor any clamour.” When Khadija arrived, the Prophet said to her: “Here is Jibril. He is giving greetings to you from your Lord and he himself is greeting you.” Khadija replied: “God is peace and He is the source of all peace! May Allah’s peace and blessings be upon you, O Messenger of Allah. And my greeting to Jibril!”

Very little has been written about Lady Khadija daughter of Khuwaylid, the first wife of Prophet Muhammed; therefore, the author thinks that a book like this is needed not only by the Islamic library, but by the cultural library of the world. Khadija's impacton the lives of people went far beyond her time and will always continue.This tri-lingual book contains a beautiful love story. A woman falls in love, so she composes romantic poems expressing her feelings, defying the male chauvinism of the time. If you enjoy romance, read this book. If you enjoy history, this is your book,and if you prefer biography, this is surely a biography book that takes you back to the time when the Prophet of Islam was 25 years old, that is, to A.D. 570, and its events take place in the trade metropolis of Mecca, Hijaz, describing the ways of life there and then, narrating the details of the Prophet's first and happiest marriage. It eventdescribes to you wedding traditions at the time many of which are still alive.Another woman is discussed in this book, the most famous of the Prophet's wives, namely Aisha daughter of Abu Bakr. You will read how she led an army spurred by hatred and blind ambition in order to win the crown for her loved nephew, Abdullahibn al-Zubayr, a relative of her husband, the Prophet of Islam. That was the Battle of the Camel of A.D. 656. It was then that Muslims killed Muslims, a shame that continues and apparently will always continue fueled by blind prejudices, intolerance and close-mindedness. This book is the story of two women: of one who loved and another who hated...
