Presents a collection of recipes for each month of the year, with a focus on seasonal ingredients and menus for celebrations and holidays.

[How to Prevent the Next Pandemic](#) Simon and Schuster

Humans of New York meets Porn for Women in this collection of candid photos, clever captions, and hilarious hashtags about one of the most important subjects of our time: hot dudes reading. Based on the viral Instagram account of the same name, Hot Dudes Reading takes its readers on a ride through all five boroughs of New York City, with each section covering a different subway line. Using their expert photography skills (covert iPhone shots) and journalistic ethics (#NoKindles), the authors capture the most beautiful bibliophiles in all of New York—and take a few detours to interview some of the most popular hot dudes from the early days of the Instagram account. Fun, irreverent, and wittily-observed, this book is tailor-made for book lovers in search of their own happy endings—and those who just want to get lost between the covers for a while.

She thought, brightly, This is the worst life decision I have ever made! And she marvelled at herself for a while, at the mystery of this person who'd just done this bizarre, inexplicable thing. Margot meets Robert. They exchange numbers. They text, flirt and eventually have sex – the type of sex you attempt to forget. How could one date go so wrong? Everything that takes place in Cat Person happens to countless people every day. But Cat Person

is not an everyday story. In less than a week, Kristen Roupenian's New Yorker debut became the most read and shared short story in their website's history. This is the bad date that went viral. This is the conversation we're all having. This gift edition contains photographs by celebrated photographer Elinor Carucci, who was commissioned by the New Yorker to capture the image that accompanied Kristen Roupenian's Cat Person when it appeared in the magazine. You Know You Want This, Kristen Roupenian's debut collection, will be published in February 2019.

Wilma Jean the Worry Machine Henry Holt and Company (BYR)

An illustrated highlight reel of more than 100 women in rap who have helped shape the genre and eschewed gender norms in the process The Motherlode highlights more than 100 women who have shaped the power, scope, and reach of rap music, including pioneers like Roxanne Shanté, game changers like Lauryn Hill and Missy Elliott, and current reigning queens like Nicki Minaj, Cardi B, and Lizzo—as well as everyone who came before, after, and in between. Some of these women were respected but not widely celebrated. Some are impossible not to know. Some of these women have stood on their own; others were forced into templates, compelled to stand beside men in big rap crews. Some have been trapped in a strange critical space between respected MC and object. They are characters, caricatures, lyricists, at times both feminine and explicit. This book profiles each of these women, their musical and career breakthroughs, and the ways in which they each helped change the culture of rap.

An all-offenses-made smutfest, crammed with more than 200 bad-taste jokes about men, one-night stands, and weird sex It's time to get down and dirty with this no-holds-barred collection of the funniest and naughtiest jokes you're ever likely to hear. This collection is jam-packed with outrageous stories, punchlines, and one-liners that are guaranteed to have readers laughing out loud. And, because all women know that men and sex make a

hilarious double act, the book includes jokes on dirty talk, foreplay, penis size, orgasms, and between-the-sheets mishaps, making it a side-splitting read and proving that—in this case at least—size doesn't matter.

Hema Malini Random House

An unforgettably romantic novel that spans four Christmases (1914-1918), *Last Christmas in Paris* explores the ruins of war, the strength of love, and the enduring hope of the Christmas season. New York Times bestselling author Hazel Gaynor has joined with Heather Webb to create this unforgettably romantic novel of the Great War. August 1914. England is at war. As Evie Elliott watches her brother, Will, and his best friend, Thomas Harding, depart for the front, she believes—as everyone does—that it will be over by Christmas, when the trio plan to celebrate the holiday among the romantic cafes of Paris. But as history tells us, it all happened so differently... Evie and Thomas experience a very different war. Frustrated by life as a privileged young lady, Evie longs to play a greater part in the conflict—but how?—and as Thomas struggles with the unimaginable realities of war he also faces personal battles back home where War Office regulations on press reporting cause trouble at his father's newspaper business. Through their letters, Evie and Thomas share their greatest hopes and fears—and grow ever fonder from afar. Can love flourish amid the horror of the First World War, or will fate intervene? Christmas 1968. With failing health, Thomas returns to Paris—a cherished packet of letters in hand—determined to lay to rest the ghosts of his past. But one final letter is waiting for him...

Wild And Wilful Vintage

NEW YORK TIMES BEST SELLER • Sharon Stone tells her own story: a journey of healing, love, and purpose. • “Not your typical Hollywood autobiography. Brutally honest, restless and questing.” —O, The Oprah Magazine Sharon Stone, one of the most renowned actresses in the world, suffered a massive stroke that cost her not only her health, but her career, family, fortune, and global fame. In *The Beauty of Living Twice*, Stone chronicles her efforts to rebuild her life and writes about her slow road back to wholeness and health. In a business that doesn't accept failure, in a world where too many voices are silenced, Stone found the power to return, the courage to speak up, and the will to make a difference in the lives of men, women, and children around the globe. Over the course of these intimate pages, as candid as a personal conversation, Stone talks about her pivotal roles, her life-changing friendships, her worst disappointments, and her greatest accomplishments. She reveals how she went from a childhood of trauma and violence to a career in an industry that in many ways echoed those same assaults, under cover of money and glamour. She describes the strength and meaning she found in her children, and in her humanitarian efforts. And ultimately, she shares how she fought her way back to find not only her truth, but her family's reconciliation and love. Stone made headlines not just for her beauty and her talent, but for her candor and her refusal to “play nice,” and it's those same qualities that make this memoir so powerful. *The Beauty of Living Twice* is a book for the wounded and a book for the survivors; it's a celebration of women's strength and resilience, a reckoning, and a call to activism. It is proof that it's never too late to raise your voice and speak out.

India, that is Bharat Canongate Books

NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review *The House on Mango Street* is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting.” Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros's masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis's *Main Street* or Toni Morrison's *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one's story and of being proud of where you're from.

Hot Dudes Reading HarperCollins

She's a good girl, but she's falling for the wrong man. Broken down by her emotionally neglectful ex, all Charlie Underwood wants is someone to tell her she's good enough. Then she stumbles into a new job with a boss who brings her to her knees—literally. As an owner of the Salacious Players' Club, Emerson Grant knows exactly what he wants and isn't shy about his particular tastes. But when he mistakes Charlie for a candidate to be his new submissive instead of his son's ex-girlfriend, he immediately tries to correct the situation. He offers Charlie a job as his secretary and nothing more... Yet now that Charlie has seen a glimpse of what can happen when she's honest about what she wants, she makes it clear that all she wants is Emerson. He might be twice her age and her ex-boyfriend's dad, but he's also the only man who can give her everything she desires. How far will she go to hear his approval?

The Art of Zootopia HarperCollins

One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like *Johnny Mera Naam*, *Jugnu*, *Andaz*, *Seeta Aur Geeta*, *Sholay* and, more recently, *Baghban*, she received critical acclaim for her performances in *Lal Patthar*, *Khushboo*, *Kinara*, *Meera*, *Ek Chadar Mailli Si* and *Razia Sultan*. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: *Beyond the Dream Girl* covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.

The Jungle Book Vintage

A profound truth of the wild, and the world at large, is that we are a part of it, not owners of it. Is there any animal we love and hate as much as the Royal Bengal Tiger? Tigers are feared and poached, but they also endure, becoming pin-ups for candlelight marches. Indian elephants are trapped by railway lines and fences, but are reclaiming their bodies and colonizing new areas in central India. And in our dirty cities, the sparkling Plain Tiger Butterfly flourishes as one of our last links to wildlife. Wild animals exist beyond our control. They are harmless, only occasionally dangerous. They live with us, or in spite of us. Those who know them understand that wild animals require acceptance for what they are, not enslavement for what we want them to be. In this book, we meet fifteen iconic Indian species in need of conservation and heart. The author explores what these creatures need, and how they exert agency and decision-making. With an equal emphasis on human and animal, science and skilled prose, *Wild and Wilful* reveals the magic of the wild in our daily lives. It will take you from fear to wonder.

The Beauty of Living Twice Chronicle Books

In this headline-making book, Daniel Bergner turns everything we thought we knew about women's desire on its head. Drawing on extensive research and interviews with renowned behavioural scientists, sexologists, psychologists and everyday women, Daniel Bergner asks: - Do women really crave intimacy and emotional connection? - Are women more disposed to sex with strangers or multiple partners than either science or society have ever let on? - And is 'the fairer sex' actually more sexually aggressive and anarchic than men?

Sexy Girls, Heroes and Funny Losers St. Martin's Griffin

Award-winning photographer Matt Black traveled over 100,000 miles to chronicle the reality of today's unseen and forgotten America. When Magnum photographer Matt Black began exploring his hometown in California's rural Central Valley—dubbed “the other California,” where one-third of the population lives in poverty—he knew what his next project had to be. Black was inspired to create a vivid portrait of an unknown America, to photograph some of the poorest communities across the US. Traveling across forty-six states and Puerto Rico, Black visited designated “poverty areas,” places with a poverty rate above 20 percent, and found that poverty areas are so numerous that they're never more than a two-hour's drive apart, woven through the fabric of the country but cut off from “the land of opportunity.” *American Geography* is a visual record of this five-year, 100,000-mile road trip, which chronicles the vulnerable conditions faced by America's poor. This compelling compilation of black-and-white photographs is accompanied by Black's own travelogue—a collection of observations, overheard conversations in cafe's and public transportation, diner menus, bus timetables, historical facts, and snippets from daily news reports. A future classic of photography, this monograph is supported by an international touring exhibition and is a must-have for anyone with an interest in witnessing the reality of an America that's been excluded from the American Dream.

Sexy Titties Collection Harper Collins

A young woman can't help but be drawn to racing's bad boy in this steamy Formula 1 romance.

Tenth of December Carlton Books

A concise and accessible guide to techniques for detecting doctored and fake images in photographs and digital media. Stalin, Mao, Hitler, Mussolini, and other dictators routinely doctored photographs so that the images aligned with their messages. They erased people who were there, added people who were not, and manipulated backgrounds. They knew if they changed the visual record, they could change history. Once, altering images required hours in the darkroom; today, it can be done with a keyboard and mouse. Because photographs are so easily faked, fake photos are everywhere—supermarket tabloids, fashion magazines, political ads, and social media. How can we tell if an image is real or false? In this volume in the MIT Press Essential Knowledge series, Hany Farid offers a concise and accessible guide to techniques for detecting doctored and fake images in photographs and digital media. Farid, an expert in photo forensics, has spent two decades developing techniques for authenticating digital images. These techniques model the entire image-creation process in order to find the digital disruption introduced by manipulation of the image. Each section of the book describes a different technique for analyzing an image, beginning with those requiring minimal technical expertise and advancing to those at intermediate and higher levels. There are techniques for, among other things, reverse image searches, metadata analysis, finding image imperfections introduced by JPEG compression, image cloning, tracing pixel patterns, and detecting images that are computer generated. In each section, Farid describes the techniques, explains when they should be applied, and offers examples of image analysis.

White Like Her Simon and Schuster

USA Today bestseller Bestselling author Elle Kennedy returns to Avalon Bay in this sexy second chance story about two exes who can't stay away from each other, *Bad Girl Reputation*. When former bad girl Genevieve West returns home for her mother's funeral, she's prepared to keep her distance from her ex-boyfriend, Evan Hartley. Their history is rife with turbulence. And passion. A heck of a lot of passion...which she's trying desperately to forget. But it's impossible not to run into Evan in the small coastal town where they once ran wild. And the moment she sees her gorgeous ex again, it's clear to Gen that Evan is still as unruly, sexy, and irresistible as ever. This time around, however, she's resolved to walk a new path. No more partying. No more foolish mistakes. Her plan is to temporarily remain in town to help her father run his business, but the second he finds somebody else, she's out of there. Evan has other ideas. He knows they can be good together, but he just has to convince Genevieve of that, even if it means turning over a new leaf himself. But can a bad reputation ever truly be shed? Do second chances really work? Genevieve and Evan are about to find out.

The Sun and Her Flowers National Center for Youth Issues

“Allegra Hyde's seductive first novel tackles the big stuff of climate change and the more intimate matter of heartbreak with grace. Indeed, Eleutheria bravely braids these together, the story of a lost soul moving through the world we're rapidly losing.” —Rumaan Alam, author of *Leave the World Behind* Willa Marks has spent her whole life choosing hope. She chooses hope over her parents' paranoid conspiracy theories, over her dead-end job, over the rising ocean levels. And when she meets Sylvia Gill, renowned Harvard professor, she feels she's found the justification of that hope. Sylvia is the woman-in-black: the only person smart and sharp enough to compel the world to action. But when Sylvia betrays her, Willa fears she has lost hope forever. And then she finds a book in Sylvia's library: a guide to fighting climate change called *Living the Solution*. Inspired by its message and with nothing to lose, Willa flies to the island of Eleutheria in the Bahamas to join the author and his group of ecowarriors at Camp Hope. Upon arrival,

things are not what she expected. The group's leader, author Roy Adams, is missing, and the compound's public launch is delayed. With time running out, Willa will stop at nothing to realize Camp Hope's mission—but at what cost? A VINTAGE ORIGINAL

Pride and Prejudice (Premium Edition) A&C Black

An NPR Best Book of the Year Proudly introducing the Well-Read Black Girl Library Series, *On Girlhood* is a lovingly curated anthology celebrating short fiction from such luminaries as Rita Dove, Alice Walker, Toni Morrison, and more. Featuring stories by: Jamaica Kincaid, Toni Morrison, Dorothy West, Rita Dove, Camille Acker, Toni Cade Bambara, Amina Gautier, Alexia Arthurs, Dana Johnson, Alice Walker, Gwendolyn Brooks, Edwidge Danticat, Shay Youngblood, Paule Marshall, and Zora Neale Hurston. "When you look over your own library, who do you see?" asks Well-Read Black Girl founder Glory Edim in this lovingly curated anthology. Bringing together an array of "unforgettable, and resonant coming-of-age stories" (Nicole Dennis-Benn), Edim continues her life's work to brighten and enrich American reading lives through the work of both canonical and contemporary Black authors—from Jamaica Kincaid and Toni Morrison to Dana Johnson and Alexia Arthurs. Divided into four themes—Innocence, Belonging, Love, and Self-Discovery—*On Girlhood* features fierce young protagonists who contend with trials that shape who they are and what they will become. At times

heartbreaking and hilarious, the stories within push past flat stereotypes and powerfully convey the beauty of Black girlhood, resulting in an indispensable compendium for every home library. "A compelling anthology that . . . results in a literary master class." —Keishel Williams, Washington Post "A beautiful and comforting patchwork quilt of stories from our literary contemporaries and foremothers." —Ibi Zoboi, New York Times best-selling coauthor of *Punching the Air*

It's the Dirty Thought That Counts! Peter Lang Copyright AG - Ipsuk

Disney's newest animated feature, *Zootopia*, is a comedy-adventure starring Officer Judy Hopps, a rookie bunny cop who has to team up with fast-talking scam-artist fox Nick Wilde to crack her first case in the all-animal city of Zootopia. This lushly illustrated book offers a behind-the-scenes view of the elaborate artistry involved in creating the film. Copyright ©2016 Disney Enterprises, Inc. All rights reserved.

Cat Person Simon and Schuster

BELLA, BE BRAVE. TIME TO MAKE A CHOICE. BELLA, BE BOLD. TIME TO FIND YOUR VOICE. Bella has so much to say, but she's just too shy. If only she could be more like her confident sister, Stella. Then one day Bella's mum brings her to the local choir. Could it finally be Bella's time to shine? An empowering book about finding your voice from one of Australia's best-loved stars, Rebel Wilson.
