Shambhala Publications

A celebrated new playwright's breakthrough trilogy.

Just My Brother, Sister, and Me National Geographic Children's Books

Mercer Mayer's Little Critter spends time with his brother and sister in these classic, funny, and heartwarming stories.

Featuring *Just Me and My Little Brother and Me Too!*, this two-in-one picture book is an endearing tribute to brothers and sisters *The Brother and Sister ; Or, The Way of Peace* Penguin

The space between life and death is a moment. But it will remain alive in me for hundreds of thousands of future moments. One phone call. That's all it took to change Stephanie Wittels Wachs' life forever.. Her younger brother Harris, a star in the comedy world known for his work on shows like *Parks and Recreation*, had died of a heroin overdose. How do you make sense of such a tragic end to a life of so much hilarious brilliance? In beautiful,

unsentimental, and surprisingly funny prose, Stephanie Wittels Wachs alternates between her brother's struggle with addiction, which she learned about three days before her wedding, and the first year after his death, in all its emotional devastation. This compelling portrait of a comedic genius and a profound exploration of the love between siblings is *A Year of Magical Thinking* for a new generation of readers. A heartbreaking but hopeful memoir of addiction, grief, and family, *Everything is Horrible and Wonderful* will make you laugh, cry, and wonder if that possum on the fence is really your brother's spirit animal.

How to Be an Older Brother Or Sister Simon and Schuster

Living with a Brother or Sister with Special Needs focuses on the intensity of emotions that brothers and sisters experience when they have a sibling with special needs, and the hard questions they ask: What caused my sibling's disability? Could my own child have a disability as well? What will happen to my brother or sister if my parents die? Written for young readers, the book

discusses specific disabilities in easy to understand terms. It talks about the good and not-so-good parts of having a brother or sister who has special needs, and offers suggestions for how to make life easier for everyone in the family. The book is a wonderful resource, not just for siblings and their parents but also for teachers and other professionals who work with children with special needs. This revised and updated edition includes new sections on attention deficit hyperactivity disorder, fetal alcohol syndrome, fragile X syndrome, traumatic brain injuries, ultrasound, speech therapy, recent legislation on disabilities, and an extensive bibliography.

The Barefoot Book of Brother and Sister

Tales Little, Brown Books for Young Readers

An empowering, practical guide to help the brothers and sisters of alcoholics- by a journalist and sibling of two alcoholics, and an addiction specialist

How to Handle Your Brother Createspace Independent Publishing Platform

NEW YORK TIMES
BESTSELLER When they were kids in the suburbs of Los Angeles in the 1950s, Diane Keaton and her younger brother, Randy, were best friends and companions. But as they grew up, Randy became troubled, then

reclusive. Before he was thirty, he was divorced, an alcoholic, a man who couldn't hold on to full-time work—his life a world away from his sister's, and from the rest of their family. Now Diane delves into the nuances of their shared, and separate, pasts to confront the difficult question of why and how Randy ended up living his life on “the other side of normal.” In beautiful and fearless prose intertwined with journal entries, letters, and poetry—much of it Randy's own—and supplemented by personal photographs and artwork, this insightful, heartfelt memoir contemplates the inner workings of a family, the ties of love and responsibility that hold it together, and the special bond between siblings—even those who are pulled far apart.

Being the Other One
Knopf Books for Young Readers

45 siblings share their experiences as the brother and sister of someone with a disability.

Brother & Sister Knopf Books for Young Readers
Sibling relationships involving a brother or sister with an autism spectrum disorder present enormous emotional and practical challenges

throughout the life span. In a unique combination of narrative context and deeply moving first-person excerpts from interviews with 20 siblings, this informative guide offers in-depth coverage of the issues of paramount concern to typical siblings. A chapter devoted to coping strategies is enhanced by end-of-chapter professional advice on how to maximize the sibling relationship.

Brother & Sister Simon and Schuster
Will and Asheley have a troubled past. Their father left them when they were little, and their mother has just been carted off to an alcohol treatment center. Now, they have the house to themselves, and an endless California summer stretching out before them. Through alternating perspectives, they tell the story of how and why their lives spun violently out of control - right up to the impossibly shocking conclusion you'll have to read for yourself to believe.

The Sisters Brothers
American Girl Publishing Incorporated

"Brother and Sister" is a short story by Josephine Lawrence. It's a heartwarming and tender tale that revolves around the sibling relationship between a young brother and sister. The story explores themes of love, understanding, and the special bond that exists between siblings. In "Brother and Sister," the reader witnesses the close and loving relationship between the two main characters, a brother and a sister. The story is written in a simple and touching style, which allows readers to connect with the characters and their experiences. As the narrative unfolds, the reader is introduced to the unique dynamics of the siblings' relationship. Despite the challenges they face, such as growing up and facing the uncertainties of life, their love for each other remains a constant source of strength and support. The story captures the essence of the deep and unconditional love that often exists between

siblings. It serves as a reminder of the enduring nature of familial bonds and the comfort that comes from having a brother or sister by your side throughout life's journey. "Brother and Sister" is a delightful and emotionally resonant story that celebrates the enduring love and connection that can exist between siblings. It offers readers a glimpse into the profound and irreplaceable role that brothers and sisters can play in each other's lives.

Why Siblings Matter
Createspace Independent Publishing Platform

Winner of the Governor General's Award for Fiction, the Rogers Writers' Trust Fiction Prize, the Prix des libraires du Quebec and the Stephen Leacock Medal. Shortlisted for the Man Booker Prize, the Scotiabank Giller Prize, and the Walter Scott Prize. Hermann Kermit Warm is going to die: Eli and Charlie Sisters can be counted on for that. Though Eli has never shared his brother's penchant for whiskey and killing, he's never known anything else. On the road to Warm's gold-mining claim outside San Francisco — and from the back of his long-suffering

one-eyed horse — Eli struggles to make sense of his life without abandoning the job he's sworn to do. Patrick deWitt, acclaimed author of *Ablutions*, doffs his hat to the classic Western, and then transforms it into a comic tour-de-force with an unforgettable narrative voice that captures all the absurdity, melancholy, and grit of the West — and of these two brothers, bound to each other by blood and scars and love.

The Earth does not belong to us. We belong to the Earth. The great American Indian Chief Seattle spoke these words over a hundred years ago. His remarkably relevant message of respect for the Earth and every creature on it has endured the test of time and is imbued with passion born of love of the

land and the environment. Illustrated by award-winning artist Susan Jeffers, the stirring pen-and-color drawings bring a wide array of Native Americans to life while capturing the splendor of nature and the land. Children and parents alike will enjoy the timeless, poignant message presented in this beautifully illustrated picture book. "Together, Seattle's words and Jeffers's images create a powerful message; this thoughtful book deserves to be pondered and cherished by all." (Publishers Weekly) Illustrated by Susan Jeffers.

Where Do My Brother and Sister Go?

Sourcebooks, Inc. There are plenty of picture books for children whose parents have gone through divorce. But what about the children that come later? These are the little "ours" children in the "yours, mine, and ours" families of modern times. These little ones have questions of their own about where their older half-siblings go, who this other parent is, what makes a "real" parent versus a "step" parent and so on. *Where Do My Brother and Sister Go?* is written just for them! With

simple language, and heartwarming beautiful illustrations of contemporary family life, this book answers questions, explores feelings, and reminds everyone in a blended or stepfamily what really matters the most. *Oh, Brother... Oh, Sister!* Vintage Longlisted for the Center for Fiction Debut Novel prize, this fableistic, "beautifully crafted, poetic" debut novel about a sister trying to hold back her brother from the edge of the abyss is for readers of Jesmyn Ward and Tommy Orange (The New York Times Book Review). In the tourist town of Ciudad de Tres Hermanas, in the aftermath of their mother's passing, two siblings spend a final weekend together in their childhood home. Seeing her brother, Rafa, careening toward a place of no return, Rufina devises a bet: if they can make enough money performing for privileged tourists in the plaza over the course of the weekend to afford a plane ticket out, Rafa must commit to living. If not, Rufina will make her peace with Rafa's own plan for the future, however terrifying it may

be. As the siblings reckon with generational and ancestral trauma, set against the indignities of present-day prejudice, other strange hauntings begin to stalk these pages: their mother's ghost kicks her heels against the walls; Rufina's vanished child creeps into her arms at night; and above all this, watching over the siblings, a genderless, flea-bitten angel remains hell-bent on saving what can be saved.

The Brother Book
IndyPublish.com

We looked like a cup of human fruit cocktail dumped onto the top of the house, each piece different but all out of the same can. So begins a book unlike any other, half comics and half text, about a family that lives with autism -- and the strange life that is ordinary to them. The oldest son, David, recites Superman episodes as he walks around the living room. A late-night family poker game spirals into a fog-driven duel. A thug from an old black-and-white rerun crawls out of the television. A housekeeper transforms into an avenging angel. A broken plate signals a terrible change in the family that none of them

can prevent...until it's too late. This groundbreaking work was excerpted in The New York Times for its ability to honestly,

eloquently, and respectfully set forth what life is like with autism in the family. What sets The Ride Together apart is its

combination of imagination and realism -- its vision of a family's inner world -- with David at the center.
