Hit-Girl Volume 4: The Golden Rage of Hollywood Titan Books (UK)

The Kzin were the mightiest warriors in the galaxy, which they were wasting no time in conquering, one star system at a time. Then those feline lords of creation ran into those ridiculous weed-eating pacifistic apes who called themselves humans. And the catlike Kzin found they had their collective tail caught in a meat grinder. When the mighty Kzin moved in to take over the monkey-infested worlds, they got clobbered. The humans, with their underhanded monkey cunning, turned communications equipment and space drives into weapons that cut the dauntless Kzin heroes into ribbons. And then those underhanded humans gained a faster-than-light drive, and no amount of screaming and leaping could keep the Kzin from losing their first war in centuries of successful conquest. But you can't keep a good warcat down, and the Kzin have by no means given up. New weapons, new strategies, and new leaders. Here they come again and those

monkey-boys from Earth had better watch their backs. Once again, it's howling time in Known Space! At the publisher's request, this title is sold without DRM (Digital Rights Management).

Tucked away in her Appalachian hollow, Jamie Kay is too young for school, but she already knows that her Pa's automobile junkyard is magic. Others might see only generators next to carburetors. Or rusty fenders in a corner. But Jamie sees something more. Like her very own hubcap garden and her secret school bus? Her bus doesn't have tires, but it surely can fly. What Jamie really wishes for, though, is a friend. Someone like the new boy in town, Robert Haines. But all Robert does is tease Jamie: "Hey, JUNK PILE!" The other kids always laugh. Even her own brother. How can she prove to Robert that there is magic in the junkyard? The only way she knows how. Kimberly Bulcken Root's charming illustrations give warmth and spirit to Lady Borton's deceptively simple story of life in Appalachia. *Junk Pile!* is a book that celebrates the contagious power of imagination and the beauty that can be found in even the most unlikely of places.

After fifteen years of teaching anthropology at a large university, Rebekah Nathan had become baffled by her own students. Their strange behavior—eating meals at their desks, not completing reading assignments, remaining silent through class discussions—made her feel as if she were dealing with a completely foreign culture. So Nathan decided to do what anthropologists do when confused by a different culture: Go live with them. She enrolled as a freshman, moved into the dorm, ate in the dining hall, and took a full load of courses. And she came to understand that being a student is a pretty difficult job, too. Her discoveries about contemporary undergraduate culture are surprising and her observations are invaluable, making *My Freshman Year* essential reading for students, parents, faculty, and anyone interested in educational policy.

Star Wars: The Secrets of the Jedi Random House Worlds

Darkness engulfs the galaxy. Under the rule of the Dark Lords of the Sith, the Empire controls countless star systems through fear and oppression. This Star Wars novel ties in with the MMORPG of the same name, and is written by Sean Williams, the acclaimed science fiction author whose previous Star Wars game tie-in *The Force Unleashed* debuted at #1 in the New York Times bestseller list. 3,500 years in the past of the far-away galaxy, when the Jedi and Galactic Republic clashed with the Sith Empire, smuggler Jet Nebula has stumbled across a treasure richer than he ever dreamed. The Hutts want to auction it to the highest bidder, be it the Republic or the Empire, both of whom hope to bolster their chances in the coming conflict. But the Sith are interested too, and they don't bargain with anyone; the Jedi High Council is sending someone to investigate; a mysterious Mandalorian is chasing something connected to a long-forgotten crime; while a spy plays every side at once. What Jet has unearthed will surprise all of them, and leave none of them unchanged.

Knights of the Old Republic Campaign Guide Titan Books
NEW YORK TIMES BESTSELLER • Join Republic spy Theron Shan as he faces off against the Sith Empire itself in this epic installment of The Old Republic. Light side, dark side—these are

just empty words. . . . There are only two sides I care about: us and them. Republic or Empire! The Sith Empire is in flux. The Emperor is missing, presumed dead, and an ambitious Sith lord's attempt to seize the throne has ended fatally. Still, Darth Karrid, commander of the fearsome Imperial battle cruiser Ascendant Spear, continues her relentless efforts to achieve total Sith domination of the galaxy. But Karrid's ruthless determination is more than matched by the steely resolve of Theron Shan, whose unfinished business with the Empire could change the course of the war for good. Though the son of a Jedi master, Theron does not wield the Force—but, like his renowned mother, he has the spirit of rebellion in his blood. As a top covert agent for the Republic, he struck a crucial blow against the Empire by exposing and destroying a Sith superweapon arsenal—which makes him the ideal operative for a daring and dangerous mission to end Ascendant Spear's reign of terror. Joined by hot-headed smuggler Teff'ith, with whom he has an inexplicable bond, and wise Jedi warrior Gnost-Dural, Darth Karrid's former master, Theron must match wits and weapons with a battle-tested crew of the most cold-blooded disciples of the Dark Side. But time is running brutally short. And if they don't seize their one chance to succeed, they will surely have countless opportunities to die.

Cinnamon Bun (Volume Two) Dark Horse Comics

Luke Skywalker was the ultimate hero of the galaxy: coming from humble beginnings, he learned the shocking truth about his family history, learned to master the Force, defeated the Sith, and led the Rebellion to victory over the First Galactic Empire. He did what his father Anakin could not: he resisted the lure of the Dark Side and the temptation to give in to his own desires, and became the honorable paladin who kept the spirit of the Jedi alive and led them into a new, post-Imperial age. That's not to say that it was an easy road, of course. Luke's resolve to stick to his principles was tested many times over the course of his journey,

and while he stood firm in the face of adversity, the fates of both the Rebellion and the Jedi could have gone up in smoke like the Death Star is Luke wasn't up to the task. This book looks at eight major turning points when he could have dropped the ball, dooming everyone he cared about to certain death in the process. This book also includes the Luke Skywalker FAQ!

The Shadow Trap Image Comics

NATIONAL BESTSELLER • A mysterious former Sith wanders the galaxy in this stunning Star Wars tale, an original novel inspired by the world of *The Duel* from the *Star Wars Visions* animated anthology. The Jedi are the most loyal servants of the Empire. Two decades ago, Jedi clans clashed in service to feuding lords. Sickened by this endless cycle, a sect of Jedi rebelled, seeking to control their own destiny and claim power in service of no master. They called themselves Sith. The Sith rebellion failed, succumbing to infighting and betrayal, and the once rival lords unified to create an Empire . . . but even an Empire at peace is not free from violence. Far on the edge of the Outer Rim, one former Sith wanders, accompanied only by a faithful droid and the ghost of a less civilized age. He carries a lightsaber, but claims lineage to no Jedi clan, and pledges allegiance to no lord. Little is known about him, including his name, for he never speaks of his past, nor his regrets. His history is as guarded as the red blade of destruction he carries sheathed at his side. As the galaxy's perpetual cycle of violence continues to interrupt his self-imposed exile, and he is forced to duel an enigmatic bandit claiming the title of Sith, it becomes clear that no amount of wandering will ever let him outpace the specters of his former life.
