A Psy/Changeling novel
from the New York Times
bestselling author of

Shards of Hope, Shield of Winter, and Heart of Obsidian... "the alpha author of paranormal romance" (Booklist). As a conflict with Pure Psy looms on the horizon, two powerful wolves fight a far more intimate war of their own ... In his position as Tracker for the SnowDancer pack, it's up to Drew Kincaid to rein in rogue changelings who've lost control of their animal halves—even if it means killing those who've gone too far. But nothing in his life has prepared him for the battle he must now

wage—to win the heart of a woman who makes his body ignite...and who threatens to enslave his wolf. Lieutenant Indigo Riviere doesn't easily allow skin privileges, especially of the sensual kind—and the last person she expects to find herself craving is the most wickedly playful male in the den. Everything she knows tells her to pull back before the flames burn them both to ash...but she hasn't counted on Drew's will. Now, two of SnowDancer's most stubborn wolves find

themselves playing a hotly sexy game even as lethal danger stalks the very place they call home...

The Prince Mariana Zapata

Grounded, Book 3 in the Up In The Air Trilogy. James and Bianca's story draws to a close in the explosive conclusion to the Up In The Air Trilogy. After a short but earnest courtship, Bianca can no longer deny her feelings for James, and though she's tried her hardest, she can't help but see that he cares deeply for

her, as well. In a completely uncharacteristic move, she has put aside her misgivings and agreed to live with the enigmatic billionaire. Is her leap of faith the beginning of something wonderful, or is it too much, too fast? As James and Bianca feel a growing need for each other that neither can deny, circumstances beyond their control intervene, trying to tear them apart. Amidst the ever mounting threat of a monster who wants Bianca dead, and the

constant pitfalls of an indiscreet past that James can't seem to escape, can these two passionate lovers manage to find their happily ever after?

 Tick tock. One day before the wedding of her

dreams, Penny is in a city that is no longer her home. Alone. Heartbroken. Lost. Could the past few years really mean so little to a man that became her world? To a man she'd do anything to protect? There is no future without him. There is no her without him. With only 24 hours until the wedding, is there enough time to repair the damage? Tick tock. And even if Penny and James do come back to each other, Isabella is still out there plotting. The world is still against them.

Darkness still lurks in the shadows of James' past. A student and her professor were never meant to be forever. They thought it was an everlasting love, but it was doomed from the very start. Tick tock. Temptation led to addiction, which exploded into an eruption of chaos. And when the pieces settled, only one thing became clear...devotion. One great love. A love worth fighting for. Because the only thing that lasts forever is love. *Surrender to Sin* EverAfter Romance
