Heaven Is for Real was
the best-selling non-
fiction book of 2011 as
reported by Nielsen's

Bookscan, and was
developed as a major
motion picture by Sony in
2014. "Do you remember
the hospital, Colton?"
Sonja said. "Yes, mommy,
I remember," he said.
"That's where the angels
sang to me." When Colton
Burpo made it through an
emergency
appendectomy, his family
was overjoyed at his
miraculous survival. What
they weren't expecting,
though, was the story that
emerged in the months
that followed—a story as
beautiful as it was
extraordinary, detailing
their little boy's trip to
heaven and back. Colton,
not yet four years old, told
his parents he left his
body during the
surgery—and
authenticated that claim
by describing exactly
what his parents were
doing in another part of
the hospital while he was
being operated on. He
talked of visiting heaven
and relayed stories told to
him by people he met
there whom he had never
met in life, sharing events
that happened even
before he was born. He
also astonished his
parents with descriptions
and obscure details about
heaven that matched the

Bible exactly, though he
had not yet learned to
read. With disarming
innocence and the
plainspoken boldness of a
child, Colton tells of
meeting long-departed
family members. He
describes Jesus, the
angels, how "really, really
big" God is, and how
much God loves us.
Retold by his father, but
using Colton's uniquely
simple words, Heaven Is
for Real offers a glimpse
of the world that awaits
us, where as Colton says,
"Nobody is old and
nobody wears glasses."
Heaven Is for Real will
forever change the way
you think of eternity,
offering the chance to
see, and believe, like a
child. Continue the Burpo
story in Heaven Changes
Everything: The Rest of
Our Story. Heaven Is for
Real also is available in
Spanish, El cielo es real.

Esmeralda Santiago's
story begins in rural
Puerto Rico, where her
childhood was full of both
tenderness and domestic
strife, tropical sounds and
sights as well as poverty.
Growing up, she learned
the proper way to eat a
guava, the sound of tree
frogs in the mango groves

at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.

Thanks in large part to an exploitation film producer and distributor named K. Gordon Murray, a unique collection of horror films from Mexico began to appear on American late-night television and drive-in screens in the 1960s. Ranging from monster movies clearly owing to the heyday of Universal Studios to the lucha libre horror films featuring El

Santo and the "Wrestling Women," these low-budget "Mexploitation" films offer plenty of campy fun and still inspire cult devotion, yet they also reward close study in surprising ways. This work places Mexploitation films in their historical and cultural context and provides close textual readings of a representative sample, showing how they can be seen as important documents in the cultural debate over Mexico's past, present and future. Stills accompany the text, and a selected filmography and bibliography complete the volume.

A brilliant devil meets his match at last, and the dangers they face in each others arms are unmistakable: temptation, seduction, and maybe even love. Eleanor Enderby is not at all what Sir Hilary St. John expected. Her quiet beauty, bravery—and willfulness—are nothing like the skittish and plain woman that he was asked to find. Hil is a world-renowned scholar and detective, yet she

matches him word for word and move for move in their verbal sparring matches. Mild interest gives way to infatuation and finally obsession. And though he cannot—or will not—say exactly why, he is determined not to let her come to more harm. Six months after finding refuge with her sister Harry, thought dead by society, Eleanor assumes a new name and is ready to be reborn as someone new—someone whose life will never again be tied to the fate of one man. But her new life is turned upside down by the attentions of the brilliant and notorious rake, Sir Hilary St. John. Their mutual attraction is as unexpected as it is exciting. As all of London watches, the two dance around a love affair, until murder puts Eleanor on trial. Film Dialogue is the first anthology in film studies devoted to the topic of language in cinema, bringing together leading and emerging scholars to discuss the aesthetic, narrative, and ideological dimensions of film speech that have largely gone unappreciated and unheard. Consisting of thirteen essays divided into three sections: genre, auteur theory, and cultural representation, Film Dialogue revisits and reconfigures several of the most established topics in film studies in an effort to persuade readers that "spectators" are more accurately described as "audiences," that the gaze has its equal in eavesdropping,

and that images are best understood and appreciated through their interactions with words. Including an introduction that outlines a methodology of film dialogue study and adopting an accessible prose style throughout, Film Dialogue is a welcome addition to ongoing debates about the place, value, and purpose of language in cinema.

Rafo, from his boss's ex-wife, to be used as leverage in their ongoing divorce. Mike arrives to find the boy has already run away, and his plan is immediately exposed to the local police. When he finds Rafo living on the streets of Mexico city, supporting himself through petty crime and winnings from the occasional cockfight, Mike convinces the boy to come back to Texas. Still running from the law, the two set out on a journey northward that forges an unlikely friendship and forces both to reckon with the choices they've made in pursuit of being "macho." Originally published in 1976, N. Richard Nash's novel of friendship and the search for identity is now being adapted for the big screen.
