Railroad Gazette Triumph Books (IL)

What would happen if the world turned mad? Would there even be any difference? The tale of the Bartholomew Brown is one unlike any other. A boy and an impossible Dream to achieve Greatness in a world that was never destined for him. From one Canton to another...there is a very ugly truth behind. The harsh turmoil and overwhelming defeats of those who don't survive. But the story is not just his own. Spanning from the dilapidated streets of the intercity, to the maddening walls of suburbia, and even to the towering penthouse of solitude over-looking them all. The heartless journey comes full circle when these unlikely paths clash. And it will be up to these few lowly individuals to decide the fate of a world gone mad. (Loosely based on some really real stuff y'all)

Act of Incorporation Arcadia Publishing

The Pro Football Hall of Fame-bound Marcus Allen tells the story of his rise to football fame with candid thoughts on how he achieved his childhood dream and rarely-seen photos from his personal collection.

The Automobile Blue Book Arcadia Publishing

Canton Township, which took its name from the city in China to distinguish itself from other early American communities, has a rich agricultural heritage, evident in its onetime moniker "Corn Capital of Michigan." The pioneers who traveled to Canton in the first half of the 19th century were a hearty breed of farmers and settlers who cleared land, built roads, and forged a life for their families in the wilderness of the Northwest Territories. No single town center emerged, but two villages--Sheldon Corners and Cherry Hill--sprang up to provide centers of community activity in

their churches, post offices, and general stores. Eventually the appearance of the automobile and the expressway dramatically altered the landscape of Canton Township, leading to the commercial development and housing boom of today.

[A Circular Respectfully Addressed to Those who Desire an Extension of the Buckfield B. Rail Road to Canton, and Farmington, and the Navigation of the Androscoggin River from Canton to Rumford Falls](#) Cambridge University Press

Canton and Collinsville lie fourteen miles west of the state capital, Hartford, along the Farmington River in the scenic Farmington Valley. Incorporated in 1806, the town has grown from a farming community to a factory town built around the Collins Company, worldrenowned manufacturer of axes and edge tools from 1826 to 1966. The closing of the Collins Company brought a new era of change and growth to a suburban community of unique character and charm. Collinsville is internationally recognized as one of the best preserved nineteenth-century mill villages and is listed on the National Register of Historic Places. Canton and Collinsville is a hundred-year panorama of Victorian life and its aftermath, with glimpses into local lives and events from 1866 through 1966.

Special sections are devoted to never-before-published photographs of the Collins Company and the devastating flood of 1955. Also portrayed are the 1906 Canton centennial celebration, the building of the Nepaug Reservoir Dam, CantonA[a-A's railroads, and historic homes and landmarks, including churches, schools, and local businesses of the Collinsville Historic District and Canton. Outstanding citizens, such as Congressional Medal of Honor winner William Edgar Simonds, are featured in Canton and Collinsville.

Well known as the home of the National Football League's Pro Football Hall of Fame, Canton, Ohio sports a rich and diverse history reaching back much further than the founding of the NFL here in 1920. Home to President William McKinley and world-famous industries such as Hoover and Diebold, Canton was also once proudly hailed as the agricultural equipment capital of the world.

Includes the decisions of the Supreme Courts of Missouri, Arkansas, Tennessee, and Texas, and Court of Appeals of Kentucky; Aug./Dec. 1886-May/Aug. 1892, Court of Appeals of Texas; Aug. 1892/feb. 1893-Jan./Feb. 1928, Courts of Civil and Criminal Appeals of Texas; Apr./June 1896-Aug./Nov. 1907, Court of Appeals of Indian Territory; May/June 1927-Jan./Feb. 1928, Courts of Appeals of Missouri and Commission of Appeals of Texas.

Accounts and Papers of the House of Commons

Genuine fans take the best team moments with the less than great, and know that the games that are best forgotten make the good moments truly shine. This monumental book of the Pittsburgh Pirates documents all the best moments and personalities in the history of the team, but also unmask the regrettably awful and the unflinchingly ugly. In entertaining—and unsparing—fashion, this book sparkles with Pirates highlights and lowlights, from wonderful and wacky memories to the famous and infamous. Such moments include the impressive run to the Super Bowl in 2006 and the great plays of Ben Roethlisberger, as well as the horrendous years in the 1980s, when the Steelers struggled below .500 three out of four seasons. Whether providing fond memories, goose bumps, or laughs, this portrait of the team is sure to appeal to the fan who has been through it all.
