"Intimacy with Jesus" is a verse by verse commentary on the Song of Songs by Madame Guyon. She beautifully describes the advance of a soul into God by expounding on this most intimate book of the Bible. Surely our relationship with God goes beyond the church walls, and our journey in God does not stop when we accept Jesus as our Savior. Be drawn deep into the love of Christ as you become lost in His goodness while reading this book. Allow the words within to release you from modern Christianity and into the arms of the Bridegroom. Enjoy.

At one time this book was publicly burned in France and yet it has also been received by seeking Christians as one of the most helpful and powerful Christian books ever written. Jeanne Guyon's has played a major part in the lives of more famous Christians than perhaps any other Christian

book. Here is the very first edition written in modern English.

The greatest love story ever written, the Song of Solomon describes the emotional, unfolding story of the Bridegroom and His bride. Jeanne Guyon shows how the song of a young maiden, fervently in love with her suitor, becomes a powerful allegory of every believer's relationship with Christ depicted in the Song of Songs. Without any embarrassment for King Solomon's intimate portrayal of the lovers, she explores: The greatness of God's love Finding God's favor in your life Learning to rest in His presence How trials can become blessings True surrender to God's will in your life Allow your heart to draw near to the heart of God on this journey to the Father's love.

She came from an unsettled childhood and loveless marriage to her controversial years of ministry in France, Switzerland and Savoy. What was it that motivated this noblewoman, keeping her faithful to her unpopular beliefs and causing her to rest joyfully in God's will even in the shadow of dungeon walls? Jeanne Guyon was a woman who understood the cost of the words: For me to live is Christ, and to die is gain. The influence of Jeanne Guyon has never wavered with the passing of

centuries. Three hundred years later she is still one of the most influential people in the lives of those who seek a deeper relationship with Jesus Christ. In reading this book, you will notice that Jeanne Guyon presents a more inward, Christ-centered perspective than is usually found in our present-day concept of Christian commentaries. Here is her commentary on the book of Song of Solomon as seen from the principles and dynamics of the deeper Christian life.

In Candy Gunther Brown's view, science cannot prove prayer's healing power, but what scientists can and should do is study prayer's measurable effects on health. If prayer benefits, even indirectly, then more careful attention to prayer practices could impact global health, particularly in places without access to conventional medicine.

Her writings and her ministry knew a brief period of popularity, making her a friend even of the wife of Louis XIV. She greatly influenced the life of Fenelon one of the two most famous clergymen in France's history, and earned the wrath of the other, Bossuet.

In this compelling study of two seventeenth-century female mystics, Bo Karen Lee examines the writings of Anna Maria van Schurman and Madame Jeanne Guyon, who, despite different religious formations, came to similar conclusions about the experience of God in contemplative prayer. Van Schurman was born into a Dutch Calvinist family and became a superb scriptural commentator before undergoing a dramatic religious conversion and joining the Labadist community, a Pietistic movement. Guyon was a French layperson whose thought would be identified with Quietism—a spiritual path that was looked upon with suspicion both by the French Catholic Church and by Rome. Lee analyzes and compares the themes of self-denial and self-annihilation in the writings of these two mystics. In van Schurman's case, the focus is on the distinction between scholastic knowledge of God and the intima notitia Dei accessible only by radical self-denial. In Guyon's case, it is on the union with God that is accessible only through a painful self-annihilation. For both authors, Lee demonstrates that the desire for enjoyment of God plays an important role as the engine of the soul's progress away from self-centeredness. The appendices offer facing Latin and English translations of two letters by van Schurman and a selection from her Eukleria.

The centrality of Jesus Christ is at the heart of Harold Chadwicks book. Many Christians have diverted their attention to knowledge about Christ without realizing the absolute necessity of a personal relationship with Christ. The Apostle Paul said, God was in Christ, reconciling the world unto himself (2 Corinthians 5:19).

"This is no time to be disheartened. When the sinful lusts rebel, leave them to their disorderly cravings. Let them cry, as a child from whom we take away a dangerous yet pleasing toy.

Strengthen yourself for crosses and humiliations. You will soon be made alive in Jesus

Christ."—Jeanne Guyon "Madame" Jeanne Guyon found the way to God through prayer in the midst of a darkened civilization. Her books describing her methods of prayer were so radical in their day that Guyon was imprisoned for several years in the infamous Bastille. Today, her writings are considered classics of Christian literature. This collection of Guyon's thoughts and experiences was gleaned from the many letters she wrote during her lifetime, including her correspondence with her friend, advocate, and fellow theologian, François Fénelon.

Guyon's theology and spiritual writing opened new doors to people from all walks of life who yearned for spiritual joy and wisdom. These new translations include her popular A Short and Easy Method of Prayer, as well as her biblical commentary on the Song of Songs. The Complete Madame Guyon also presents examples of her passionate poetry, some of which has never before been translated into English. Nancy James's historical introduction explains the events of Guyon's life first as an aristocratic wife and mother of five, and later as a wido traveling around Europe as an author, who ended up incarcerated in the Bastille by the direct order of Louis XIV. Guyon suffered ten years of incarceration, along with accusations of heresy. Cleared of all charges at the end of her life, in all of her writing Madame Guyon testified to the goodness and holiness of God.

Christian Spirituality: The Classics is a unique and comprehensive guide to thirty key Christian spirituality texts. Ranging from Origen and Augustine to Jonathan Edwards, Thérèse of Lisieux and Thomas Merton, it offers a view of the texts which is founded in scholarship, but which also presents them as living documents that invite- even compel -contemplative reflection and existential response. Each chapter briefly describes the classic text's author and audience, gives a synopsis of its contents, suggests some of its influence in history, and then explores aspects of the text's meaning for readers today. Key themes include: What is the meaning of life? How can human beings find truth? How can they discover who they really are? How can they live together in peace? How can they live more fully in God's presence in this world and be united with God in the

world to come? The scholars who have written these chapters are all experts on their respective topics, but they wear their learning lightly. Anyone wishing to discover the riches of Christian spirituality will find this the ideal introduction and should be able to progress to a deeper understanding of the texts themselves.
