LEIGH/DAWNS AWAKENING

China Shakes The World Simon and Schuster

"Sleeplessness gets the Susan Sontag illness-as-metaphor treatment in this pensive, compact, lyrical inquiry into the author's nighttime demons." —Kirkus Reviews  
In 2016, Samantha Harvey began to lose sleep. She tried everything to appease her wakefulness: from

medication to therapy, changes in her diet to changes in her living arrangements. Nothing seemed to help. *The Shapeless Unease* is Harvey's darkly funny and deeply intelligent anatomy of her insomnia, an immersive interior monologue of a year without one of the most basic human needs. Original and profound, and narrated with a lucid breathlessness, this is a startlingly insightful exploration of memory, writing and influence, death and the will to survive, from "this generation's Virginia Woolf" (Telegraph). "Captures the essence of fractious emotions—anxiety, fear, grief, rage—in prose so elegant, so luminous, it practically shines from the page. Harvey is a hugely talented writer, and this is a book to relish." —Sarah Waters, New York Times–bestselling

author "Harvey writes with hypnotic power and poetic precision about—well, about everything: grief, pain, memory, family, the night sky, a lake at sunset, what it means to dream and what it means to suffer and survive . . . The big surprise is that this book about 'shapeless unease' is, in the end, a glittering, playful and, yes, joyful celebration of that glorious gift of glorious life." —Daily Mail "What a spectacularly good book. It is so controlled and yet so wild . . . easily one of the truest and best books I've read about what it's like to be alive now, in this country." —Max Porter, award-winning author of *Lanny* [The Tiger Who Came to Tea \(Read aloud by Geraldine McEwan\)](#) Candlewick Press In this spectacular New York Times

bestselling father/son collaboration that “barrels along like a freight train” (Publishers Weekly), Stephen King and Owen King tell the highest of high-stakes stories: what might happen if women disappeared from the world of men? In a future so real and near it might be now, something happens when women go to sleep: they become shrouded in a cocoon-like gauze. If they are awakened, if the gauze wrapping their bodies is disturbed or violated, the women become feral and spectacularly violent. And while they sleep they go to another place, a better place, where harmony prevails and conflict is rare. One woman, the mysterious “Eve Black,” is immune to the blessing or curse of the sleeping disease. Is Eve a medical anomaly to be studied? Or is she a demon who must be

slain? Abandoned, left to their increasingly primal urges, the men divide into warring factions, some wanted to kill Eve, some to save her. Others exploit the chaos to wreak their own vengeance on new enemies. All turn to violence in a suddenly all-male world. Set in a small Appalachian town whose primary employer is a woman’s prison, *Sleeping Beauties* is a wildly provocative, gloriously dramatic father-son collaboration that feels particularly urgent and relevant today.

Callan Lyons is a genetic experiment. One of six fighting for freedom and the survival of their *Pride*. Merinus Tyler is the reporter who will tempt him, draw him, until the fury of the “mating frenzy” locks them into a battle of sexual heat

there is no escape from. Deception, blood, and the evil Genetics Council are hot on their trail. Callan will use his strength to try and save them both...and do all in his power to keep his woman in the process.

*Don't Wake the Sleeping Tiger* Penguin  
When Dawg Mackay made his four half-sisters part of his family, he vowed that he would care for and protect them with everything he had. But what happens now that the girls are all grown up? The Mackay girls are on the loose, and Somerset County will never be the same... Lyrica Mackay has wanted tall, handsome Marine Graham Brock for as long as she can remember.

Unfortunately, Graham only sees her as his friend Dawg Mackay's "baby sister." Or so she believes. The truth is, the fiery

party girl stirs something in Graham no female ever has. But Graham, like everyone in Somerset County, knows that trouble stalks the Mackays like bears track honey, and when a Mackay runs as hot as Lyrica does, someone's bound to get burned. Then Graham discovers that Lyrica's wild side is just a cover for a frightened and vulnerable woman who needs something true and genuine, something only Graham can offer. But surrendering his heart to Lyrica exposes them both to her shocking past—and a sinister secret that, once exposed, could destroy their only chance at happiness and shake the Mackay family to its core.

Hodder & Stoughton  
SOON TO BE A MAJOR MOTION PICTURE

The stunning Booker Prize-winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright's *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, *Bangkok 8*). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks

exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut. *Stygian's Honor* Abrams Appleseed Window Rock, Arizona, is the last known location of Honor Roberts, who vanished when she was just thirteen. It was her only sanctuary from the Breed research that would surely have ended in her death—one such insidious experiment should, indeed, have killed her. That she lived is both a miracle—and a great mystery. *Stygian's* mission is to find

Honor Roberts, no matter the cost. Now, with the help of Liza Johnson, assistant to the chief of the Navajo Nation, he is closer than ever to his goal. But will the discovery of Honor Roberts mean the destruction of the mating heat that has developed between Stygian and Liza?

After Gideon disappeared, Judd was experimented on until his tortured body knew nothing but

agony. Now he is Cullen Maverick, serving as the commander of the Navajo Covert Law Enforcement Agency in the small community of Window Rock, Arizona. ### Sleeping Tiger Penguin

This story explains the actions of two teenage boys, who are confronted by the fight or flight options when their lives are turned upside down by circumstances beyond their control. Andy McLean, the Scot, chooses the 'FIGHT' option. Bullied by his alcoholic father throughout his sixteen years, he comes home one night to his mother being terrorized by her drunken husband. In a fit of uncontrollable rage, Andy attacks his father and accidentally kills him. His self-preservation instinct kicks in and urges him to revert to flight to escape a long prison sentence. Tommy Nelson chooses 'FLIGHT' when, at fifteen years old, his

parents are killed in a car crash. The authorities could not find foster parents for him so they were going to send him to an Orphanage for his own safety. Tommy decided to take his chances elsewhere and "did a runner" to become a street kid. He did odd jobs when available or, alternatively, joined a street gang of kids who were also runaways. They did what it took to survive. Andy and Tommy meet by a strange coincidence. They both decided to kip for the night in the same disused warehouse on the Dockyards at Southampton, to shelter from the icy winter weather. After an initial altercation they formed a strange bond which was to last a lifetime: both afraid, but stronger together. Instinctively trusting one another in a new bond of friendship, they

decided to try to make a new life for themselves by stowing away on a ship bound for Australia. Both boys, frightened and pretending to be hard men, looked forward to their sea escape, hoping that Andy's Uncle Jack, an Australian resident, would sponsor them. He may even be able to advise them and help them find trades; Tommy as a Chef and Andy as a Marine Engineer. On their journey, maritime pirates attack their ship and the boys are instrumental in foiling their murderous plans. The Captain promises to reward them and writes them a glowing character reference. When they finally arrive in Australia, Andy continues his boxing career and, with his trainer, travels to the 'outback' town of Coober Pedy where the world's best opals are mined. He has

agreed to fight the local Aboriginal boxer to raise funds for the Royal Flying Doctor Service. One experience after another makes Andy realize he is extremely lucky to have been given a second chance to make a new life for himself. Both boys work hard to prove themselves in their chosen career. Read what happens to the boys in Australia where they have to fight more battles to survive.
