On the Bright Side NavPress
 This anthology provides an historical overview of the scientific ideas behind environmental prediction and how, as predictions about environmental change have been taken more seriously and widely, they have affected politics, policy, and public perception. Through an array of texts and commentaries that examine the themes of progress, population, environment, biodiversity and sustainability from a global perspective, it explores the meaning of the future in the twenty-first century. Providing access and reference points to the origins and development of key disciplines and methods, it will encourage policy makers,

professionals, and students to reflect on the roots of their own theories and practices.

Tune In Zondervan

Interrupted follows the author's messy journey through life and church and into living on mission. Snatching Jen from the grip of her consumer life, God began asking her questions like, "What is really the point of My Church? What have I really asked of you?" She was far too busy doing church than being church, even as a pastor's wife, an author of five Christian books, and a committed believer for 26 years. She discovered she had missed the point. Christ brought Jen and her family to a place of living on mission by asking them tough questions, leading them through Scripture, and walking together with them on the path. Interrupted invites readers to take a similar journey.

7 Days of Christmas B&n Signed Copies:

The Season of Generosity Convergent Books

The majority of our joys, struggles, thrills, and heartbreaks relate to people, beginning first with ourselves and then the people we came from, married, birthed, live by, live for, go to church with, don't like, don't understand, fear, struggle with, compare ourselves to, and judge. People are the best and worst thing about human life. Jen Hatmaker knows this all too well, and so she reveals how to practice kindness, grace, truthfulness, vision, and love to ourselves and those around us. By doing this, 'For the Love' leads our generation to reimagine Jesus' grace as a way of life, and it does it in a funny yet profound manner that Christian readers will love. Along the way, Hatmaker shows readers how to reclaim their prophetic voices and become Good News again to a hurting, polarized world.

Simple and Free Pantheon

This study will lead you through this same experiment, at whatever level you choose, in seven key areas: food, clothes, spending, media, possessions, waste, and stress.

Make Over Tyndale House

A Bible teacher with a keen understanding of women offers forty devotions for moms based on the words and deeds of Jesus.

7 Experiment Tyndale House

How do we hear from God and discern His will when it's time to make big decisions? Terry Looper shares a four-step process for doing just that - a process he has learned and refined over thirty years as a Christian entrepreneur and founder of a multi-billion dollar company. At just thirty-six years old, Terry Looper was a successful Christian businessman who thought he had it all—until managing all he had led to a devastating burnout. Wealthy beyond his wildest dreams but miserable beyond belief, Terry experienced a radical transformation when he discovered how to align himself with God's will in the years following his crash and burn. Sacred Pace is a four-step process that helps Christians in all walks of life learn how to slow down their decision-making under the guidance of the Holy Spirit, sift through their surface desires and sinful patterns in order to receive clear, peace-filled answers from the Lord, gain the confident assurance that God's answers are His way of fulfilling the true desires he has placed in their hearts, and grow closer to the One who loves them most and knows them best. This book is not another example of name-it-and-claim-it materialism in disguise. Instead, it walks readers through the sometimes-painful process of "dying to self" in their decisions, both big and small, so that they desire God's will more than their own.

7: An Experimental Mutiny Against Excess (Updated and Revised) Tyndale House
Big Mama blog founder and New York Times bestselling author Melanie Shankle helps us sort through our questions about being true to ourselves in a world gone crazy and what matters the most in the end. These days, so many voices tell us what to do, what to think, and what kind of parent or friend or spouse to be that it's easy to feel overwhelmed and defeated. Somewhere in the midst of online arguments and crazy politics and the ups and downs of life, we've lost sight of the gifts that are all around us: kindness, love, mercy, and joy. In *On the Bright Side*, Melanie Shankle reminds us of the unchanging principles we can count on in a changing world. These are lessons that Melanie has learned along the way about

how to find all the joy that life has to offer—and why encouragement is never something to keep to ourselves. Melanie invites us to lead with love in all areas of our lives, exploring topics such as: Finding your people Giving up on comparing and competing Aging (kind of) gracefully Believing in ever after Staying mostly sane while raising kids Thinking before speaking Making decisions And more! This delightful memoir highlights the joys of life told in Melanie's down to earth, relatable, and totally enjoyable style. *On the Bright Side* is a how-to guide to knowing--and living--what matters most.

Of Mess and Moxie Convergent Books
Why do we pursue more when we'd be happier with less? In this updated edition of *7*, New York Times bestselling author Jen Hatmaker tells the story of how she and her family tried to combat overindulgence—and what they learned along the way about living a truly meaningful life. *Simple and Free* is the true story of how Jen Hatmaker (along with her family) identified seven areas of excess—food, clothes, spending, media, possessions, waste, and stress—and made seven simple choices to fight back against the modern-day diseases of greed, materialism, and overindulgence. So, what's the payoff from living a deeply reduced life? It's the discovery of a greatly increased connection with God—a call toward simplicity and generosity that transcends social experiment to become a radically better life. In this new edition, written not just for readers of faith but for everyone who craves a gentler, simpler life, Hatmaker shares how sustainability and generosity still impact and challenge her today. Annotated throughout with new reflections from the author, this book offers thoughtful insights on the vastly different world of *Simple and Free* from back when it was first published as *7*, and considers the dramatically different space Hatmaker occupies now. *Simple and Free* is funny, raw, and not a guilt trip in the making. Come along and discover what Jesus' version of rich, blessed, and generous might look like in your life. *Help, Thanks, Wow* Navpress Publishing Group

Why do we pursue more when we'd be happier with less? This is the story of how New York Times bestselling author Jen Hatmaker and her family tried to combat overindulgence—and what they learned about living a truly meaningful life along the way. Do you feel trapped in the machine of excess? Jen Hatmaker was. Her friends were. And some might say that our culture is. Jen once considered herself unmotivated by the lure of prosperity, but

after she was called "rich" by an undeniably poor child, evidence to the contrary mounted and a social experiment turned spiritual journey was born. *7* is the true story of how Jen (along with her husband and her children) took seven months, identified seven areas of excess, and made seven simple choices to fight back against the modern-day diseases of materialism and overindulgence: food, clothes, possessions, media and technology, spending, waste, and stress. So, what's the payoff from living a deeply reduced life? It's the discovery of a greatly increased God—a call toward Christ-like simplicity and generosity that transcends a social experiment to become a radically better life. Revised and updated to reflect newer challenges of modern life, *7* is funny, raw, and not a guilt trip in the making, so come along and consider what Jesus' version of rich, blessed, and generous might look like in your life.

When do governments merit our allegiance, and when should they be denied it? Ian Shapiro explores this most enduring of political dilemmas in this innovative and engaging book. Building on his highly popular Yale courses, Professor Shapiro evaluates the main contending accounts of the sources of political legitimacy. Starting with theorists of the Enlightenment, he examines the arguments put forward by utilitarians, Marxists, and theorists of the social contract. Next he turns to the anti-Enlightenment tradition that stretches from Edmund Burke to contemporary post-modernists. In the last part of the book Shapiro examines partisans and critics of democracy from Plato's time until our own. He concludes with an assessment of democracy's strengths and limitations as the font of political legitimacy. The book offers a lucid and accessible introduction to urgent ongoing conversations about the sources of political allegiance.

Sarah Penguin

Inspired by her iconic *7: An Experimental Mutiny Against Excess*, New York Times bestselling author Jen Hatmaker explores the spiritual side of a simpler life and the way our choices affect our spirit, our loved ones, our community, and the earth in her new gift book *7 Days of Simplicity: A Season of Living Lightly*. In *7 Days of Simplicity* Hatmaker shares from her own experiences in living lightly, "finding deep delight in exactly what you have and where you are, never letting anyone shame you out of simplicity or contentment." Throughout the book are excerpts of Jen's own journey to offer hope, humor, facts, and encouragement

for the reader with a fresh look at how our own daily choices affect the sustainability of our lives and God's earth. The book confronts our desire to compete in the all-consuming consumer-goods game calling the reader to slow down, catch a breath, live with intention, and live like today is all we have, because those small ripples eventually make big waves for everyone.

An Inspiration to All Who Enter 7

Experiment

A New York Times bestseller from the author of *Dusk, Night Dawn, Hallelujah Anyway, Bird by Bird, and Almost Everything*. Author Anne Lamott writes about the three simple prayers essential to coming through tough times, difficult days and the hardships of daily life. Readers of all ages have followed and cherished Anne Lamott's funny and perceptive writing about her own faith through decades of trial and error. And in her new book, *Help, Thanks, Wow*, she has coalesced everything she knows about prayer to these fundamentals. It is these three prayers – asking for assistance from a higher power, appreciating what we have that is good, and feeling awe at the world around us – that can get us through the day and can show us the way forward. In *Help, Thanks, Wow*, Lamott recounts how she came to these insights, explains what they mean to her and how they have helped, and explores how others have embraced these same ideas. Insightful and honest as only Anne Lamott can be, *Help, Thanks, Wow* is the everyday faith book that new Lamott readers will love and longtime Lamott fans will treasure.

Life is messy for each of us. But Jen Hatmaker reminds us that it's okay to admit that we're all in the same boat. Join New York Times bestselling author and honorary big sister Jen as she shares hilarious tales, shameless honesty, and unconditional hope for the woman who's forgotten her moxie. We will endure discouragement, heartbreak, failure, and suffering. All of us. And more than once. But we are the very same folks who can experience triumph, perseverance, joy, and rebirth. More than once. And in more than one category. And in more than one season. And that? That's moxie. Moxie reaches for laughter, for courage, for the deep and important truth that women are capable of weathering the storm. We are

not victims, we are not weak, we are not a sad, defeated group of sob sisters. Yes, life is hard, but we are incredibly resilient. Of *Mess and Moxie* shines a light on Jen's own triumphs and tragedies into a sigh of relief for all normal, fierce women everywhere. Whether it's the time she drove to the wrong city for a fourth-grade field trip or the way she learned to truly forgive, she offers a reminder to those of us who sometimes hide in the car eating crackers that we do actually have the moxie to get back up and face our messes head-on. After all, this race is not a contest--there's enough abundance to go around. This book will give you the encouragement you need to remember that: Your mess is normal You are not in competition with your peers--your seat at the table is secure You have incredible gifts to offer Come alongside Jen as she teaches us that we can all choose to live undaunted and in the moment, no matter what the moments hold, and we really can lead vibrant, courageous, grace-filled lives.

Christian Minimalism Tyndale House
The Counter-Cultural Move from Accumulation to Abundance Why is it so hard to find the contented, satisfied life? What deep hungers drive our purchasing habits, accumulation, and consumer lifestyle? Satisfied is for those drowning in debt, but also those getting farther and farther ahead financially. It is for those who have forgotten who they are and mistakenly equate their self-worth with their net worth. It is for those who are crippled by comparison. It is for those with full closets and empty souls. Satisfied provides an inspiring and transformative vision for living a deeply contented life in our consumer-driven culture. "Jeff Manion's voice is such a wise, clear, helpful voice, and I'm so thankful for the timely and challenging invitation he's issued in these pages. I'm inspired to live more richly with fewer things, and to pursue gratitude and generosity with more intention." - Shauna Niequist, author of *Bread and Wine*

[Road Trip](#) Yale University Press

He traces the intellectual roots of the movement and shows how journalism can be made vital again by rethinking exactly what journalists are for."--Jacket.

[According to Our Hearts](#) Thomas Nelson
Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career--redefining the very nature of her art--to her amazing (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg, she was performing under bombardment for soldiers during World War I and toured America for the

ninth time. Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of France.--From publisher description.

Convergent Books

Join the cofounders of the dynamic Activist Faith movement ([ActivistFaith.org](#)) as they shine a light on Christians who are moving beyond politics and opinion to actively engage 12 divisive social issues. Activist Faith shares biblical contexts, personal stories, and practical guidance for a new generation of Christian activists.

[Simple and Free: Study Guide](#) Penguin

Packed with tools and practices, this study guide takes us deeper into *Simple & Free: 7 Experiments Against Excess* by New York Times bestselling author Jen Hatmaker, helping us combat the areas of overindulgence and excess in our lives, freeing us to feel less stressed and more fulfilled. In *Simple & Free*, first published as *7*, Jen Hatmaker gave readers the story of how her reckoning with excess and materialism turned into a social experiment—which soon propelled a spiritual movement. Now, in this study guide, Hatmaker invites us to delve deeper into solutions and practices for our own seven areas of excess—from stress to spending to social media. This nine-week study guide walks us through these excesses and equips us with practical tools for creating solutions—and making this idea a way of life, not just an experiment. Taking the best from *Simple & Free* and packing these points with Scripture followed by prompting questions, this resource is broken down into focused, thematically organized weeks for readers to explore patterns and solutions around sustainability and gratitude in greater depth. What's the payoff from living a deeply reduced life? It's the discovery of a greatly increased connection with God—a call toward simplicity and generosity that transcends social experiment to become a radically better life.

[WEIRD](#) Tyndale House

Focus on what matters most—and intentionally remove the rest. Logically, we all know our purpose in life is not wrapped up in accumulating possessions, wealth, power, and prestige—Jesus is very clear about that—but society tells us otherwise. *Christian Minimalism* attempts to cut through our assumptions and society's lies about what life should look like and invites readers into a life that Jesus calls us to live: one lived

intentionally, free of physical, spiritual, and emotional clutter. Written by a woman who simplified her own life and practices

these principles daily, this book gives readers a fresh perspective on how to live

out God's grace for us in new and exciting ways and live out our faith in a way that is deeply satisfying.
