In 1990, Günter Grass - a reluctant diarist - felt compelled to make a record of the interesting times through which he was living. Following the fall of the Berlin Wall in November 1989 and the collapse of Communism, Germany and Europe were enduring a period of immense upheaval. Grass resolved to immerse himself in these political debates: he travelled widely throughout both Germanys, the former East and the former West, conducting a lively exchange with political enemies, friends and his own children about all the questions posed by reunification. His account gives the reader an unparalleled insight into a key moment in the life of modern Europe, seen through the eyes of one of its most acclaimed writers. It also provides a startling insight into the creative process as the reader witnesses ideas for novels occurring and then taking shape. From Germany to Germany is both a personal journal by a great creative artist and a penetrating commentary on recent European history by someone who was simultaneously an acute observer and a highly engaged participant.

The enlightening memoir of the industrialist as famous for his philanthropy as for his fortune. His good friend Mark Twain dubbed him "St. Andrew." British Prime Minister William Gladstone called him an "example" for the wealthy. Such terms seldom apply to multimillionaires. But Andrew Carnegie was no run-of-the-mill steel magnate. At age 13 and full of dreams, he sailed from his native Dunfermline, Scotland, to America. The

story of his success begins with a \$1.20-a-week job at a bobbin factory. By the end of his life, he had amassed an unprecedented fortune—and given away more than 90 percent of it for the good of mankind. Here, for the first time in one volume, are two impressive works by Andrew Carnegie himself: his autobiography and "The Gospel of Wealth," a groundbreaking manifesto on the duty of the wealthy to give back to society all of their fortunes. And he practiced what he preached, erecting 1,600 libraries across the country, founding Carnegie Mellon University, building Carnegie Hall, and performing countless other acts of philanthropy because, as Carnegie wrote, "The man who dies thus rich dies disgraced." With an Introduction by Gordon Hutner NorthSouth Books

This book offers explanations of grammatical terms and functions as they apply to English and German. It illustrates the similarities and differences between the two languages and stresses the common linguistics pitfalls for English speakers. It includes review exercises with answers at the back.

"The victim is Ursula Corey: a successful, attractive divorcee who's been gunned down--not a robbery but an execution, a crime that smacks of simple, savage revenge. And along with that theoretical motive come two strong contenders for the role of perp: the dead woman's business partner/ex-husband and her divorce lawyer/secret lover. But just as Alex and Milo think they're zeroing in on the most likely suspect, a bizarre new clue stirs up eerie echoes of [an] unsolved ... murder"--Page 4 of cover. *Cambridge English Empower Advanced Student's Book* Red Comet Press

GrammarWork, English Exercises in Context, Second Edition, by Pamela Peterson Breyer, is a four-level series of exercise books that feature structures tied to meaningful contexts. Self-contained, contextualized exercises are designed for written practice; "Make It Work" sections enable students to apply what they have learned to realistic situations. Perforated answer keys are included. GrammarWork 2 is for high-beginning students. *Real Analysis* Hodder Arnold

This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a

strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. Popular course features have been refreshed with new content, including the imaginative reading and listening topics, 'Culture in Mind', and 'Everyday English' sections. New for the second edition is a DVD-ROM with the Level 4 Student's Book containing games, extra exercises and videos featuring the photostories' characters as well as a 'Videoke' record-yourself function. There is a full 'Vocabulary bank' at the back of the book which expands upon lexical sets learned in the units.

The animals of the forest have assembled to discuss what is the most important thing: to have a trunk like an elephant, quills like a porcupine, or a long neck like a giraffe? Naturally, every animal is convinced that its particular trait is the most important one and that everyone should have it. But when the double pages open to show all the animals with the quills of a porcupine, the long neck of a giraffe, or the trunk or the elephant, everyone must agree

that the true importance lies precisely in their collective 'diversity'. It is that which makes them all unique and essential to life of the forest. The Most Important Thing received a UNESCO honorable mention for peace and collaboration. An important message of diversity and inclusion delivered in the form of a charming modern fable.

Sometimes a bad mood can be contagious! Badger got up one morning feeling very grumpy. "Humph!" Badger said to himself. What was the point of being in a bad mood if nobody noticed? he thought. So Badger headed out, slamming the door behind him. Badger spreads his bad mood far and wide, greeting all his friends with angry, rude remarks that put them in bad moods, too. A comical, cautionary tale for anyone who has ever gotten up on the wrong side of the bed.
