SILAS JULISSA

Stories Troubador Publishing Ltd

"Follow the piano tuner's wife as she accompanies the tuner into the homes of some of Hawai'i's families. Listen to her interaction with clients: mothers and fathers, aquarium lovers and hoarders, healers and would-be cosmologists. See where imagination can take you, when you encounter the ordinary: an ant condo, a doggie treasure trove. Think about going through the eye of a camel. Dream about being a writer."

Piano Servicing, Tuning, and Rebuilding for the Professional, the Student, and the Hobbyist Xlibris Corporation

With an introduction by Sadie Jones'Engrossing . . . the reader falls under the spell that the author is weaving, surrendering to the story's exotic magic' The TimesWhite. Like a clean piece of paper, like uncarved ivory, all is white when the story begins. One misty London afternoon in 1886, piano tuner Edgar Drake receives an unusual request from the War Office: he must leave his quiet life and travel to the jungles of Burma to repair a rare grand piano owned by an enigmatic army surgeon. So begins an extraordinary journey across Europe, the Red Sea, India and onwards, accompanied by an enchanting yet elusive woman. Edgar is at first captivated, then unnerved, as he begins to question the true motive behind his summons and whether he will return home unchanged to the wife who awaits him. . . An instant bestseller, Daniel Mason's *The Piano Tuner* has been published in 27 countries. Exquisitely told, this classic is a richly sensuous story of adventure, discovery, and how we confront our most deeply held fears and desires.

The Riddle of Equal Temperament Savant Books & Publications (pub-0630497708912900)

Simple, professional method presents 17 lessons for using basic tools to adjust a few notes or an entire piano. Includes fixes for sticky keys, bottoms, capstans, hammer stems, and more.

Piano Tuning Vintage

In 1886, piano tuner Edgar Drake leaves London for the jungles of Burma, where he has been asked to repair a grand piano belonging to a British army officer who uses the piano and music to help keep the peace among warring local Burmese princes.

The True Piano-tuner Rowman & Littlefield

USA TODAY BESTSELLER In 1962, in the Soviet Union, eight-year-old Katya is bequeathed what will become the love of her life: a Blüthner piano, on which she discovers an enriching passion for music. Yet after she marries, her husband insists the family emigrate to America—and loses her piano in the process. In 2012, in Bakersfield, California, twenty-six-year-old Clara Lundy is burdened by the last gift her father gave her before he and her mother died in a terrible house fire: a Blüthner upright she has never learned to play. Now a talented and independent auto mechanic, Clara's career is put on hold when she breaks her hand trying to move the piano, and in sudden frustration

she decides to sell it. Only in discovering the identity of the buyer—and the secret history of her piano—will Clara be set free to live the life of her choosing.

The Piano Tuner [a Novel] MIT Press

Provides instruction and advice on cultivating a career in the music industry, focusing on networking, self-marketing and promotion, and interview techniques.

The Piano Book Vintage

Provides all the information needed for restoring and maintaining pianos, both for professionals and amateurs.

Glenn Gould's Obsessive Quest for the Perfect Piano Unlimited Publishing LLC

A veteran piano tuner presents a literary, minimally technical view of the quixotic tuning systems used on keyboard instruments for hundreds of years. The work explains temperament strategies accessibly and reflects on the technical process of piano tuning in both practical and philosophical terms. When Anita Sullivan started a second career as a piano tuner 25 years ago, she was immediately puzzled by the piano's complicated tuning system. Surprised to learn that her new profession was not only technically complex, but in fact required artistic judgements she set herself to describing the tuning system in a way that would make sense to ordinary listeners, rather than piano technicians alone. Her exceptional book was the result, now updated for a new generation of readers [Publisher description].

A novel Grove Press

A New York Times Notable Book A San Francisco Chronicle, San Jose Mercury News, and Los Angeles Times Best Book of the Year "A gripping and resonant novel. . . . It immerses the reader in a distant world with startling immediacy and ardor. . . . Riveting." —Michiko Kakutani, *The New York Times* In 1886 a shy, middle-aged piano tuner named Edgar Drake receives an unusual commission from the British War Office: to travel to the remote jungles of northeast Burma and there repair a rare piano belonging to an eccentric army surgeon who has proven mysteriously indispensable to the imperial design. From this irresistible beginning, *The Piano Tuner* launches readers into a world of seductive, vibrantly rendered characters, and enmeshes them in an unbreakable spell of storytelling.

A Comprehensive Simple Set of Rules and Explanations for Self Instruction of Piano Tuning and Repairing University of Georgia Press

This "melodious" mix of music, history, and travelogue "reveals a story inextricably linked to the drama of Russia itself . . . These pages sing like a symphony." —*The Wall Street Journal* Siberia's story is traditionally one of exiles, penal colonies, and unmarked graves. Yet there is another tale to tell. Dotted throughout this remote land are pianos—grand instruments created during the boom years of the nineteenth century, as well as humble Soviet-made uprights that found their way into equally modest homes. They tell the story of how, ever since entering Russian culture under the westernizing influence of Catherine the Great, piano music has run through the country like blood. How these pianos traveled into this snowbound wilderness in the first place is testament to noble

acts of fortitude by governors, adventurers, and exiles. Siberian pianos have accomplished extraordinary feats, from the instrument that Maria Volkonsky, wife of an exiled Decembrist revolutionary, used to spread music east of the Urals, to those that brought reprieve to the Soviet Gulag. That these instruments might still exist in such a hostile landscape is remarkable. That they are still capable of making music in far-flung villages is nothing less than a miracle. The Lost Pianos of Siberia follows Roberts on a three-year adventure as she tracks a number of instruments to find one whose history is definitively Siberian. Her journey reveals a desolate land inhabited by wild tigers and deeply shaped by its dark history, yet one that is also profoundly beautiful—and peppered with pianos. “An elegant and nuanced journey through literature, through history, through music, murder and incarceration and revolution, through snow and ice and remoteness, to discover the human face of Siberia. I loved this book.” —Paul Theroux

The Piano Tuner's Daughter Farrar, Straus & Giroux (BYR)

Essential advice for buying and caring for a new or used piano. A '97-'98 supplement is available.

The Weight of a Piano Brookside Press (MA)

“The natural tone of Nicky Gentil’s richly anecdotal narrative will delight not only pianists and jazz enthusiasts but anyone who just happens to like pianos in general.” - Cadence Info Magazine A collection of humorous, touching, unputdownable stories set in Paris, The Jazz-Girl, the Piano, and the Dedicated Tuner transports you into a feel-good world of jazz, pianos and the little-known art of piano tuning. An entertaining slice of life, regardless of whether or not you play a musical instrument, this book explores the world of Nina Somerville, an Englishwoman who - while others are going through a mid-life crisis - discovers by complete chance her true calling: jazz improvisation. In a bid to enjoy that passion to the full, she purchases the piano of her dreams - a Steinway baby grand - leading her to make yet another discovery: the intricate mysteries of the fascinating piano tuning profession. Against the backdrop of the Eiffel tower and the Champs-Élysées, from the quest for the perfect sound to an unexpected chance to perform in public, music takes Nina on a journey which is at times improbable and hilarious, but equally moving, not to mention extremely informative. Previously published in France, The Jazz-Girl has been greatly received, and has the interesting addition of being musically illustrated on the author’s YouTube channel with some characters playing pieces alluded to in the stories.

A Romance on Three Legs Seren Books

This is a collection of punchy short stories about various Romani people, well told and authentic. There is humour and pathos - a thoroughly good read.

Tim Liardet's ability to be surprised and enlightened by experience, his relentless curiosity, and his formal skills, create poems of marvellous dramatic pace and intensity. His extended and refined lines cover subjects as diverse as sex, taxi drivers, and icebergs. A number of the poems are concerned with love, desire, and emotion -- often in very physical forms -- through a wide-ranging, constantly changing, use of detail and example. Liardet's previous collection, *Clay Hill* (1988) and *Fellini Beach* (1994), are also available from Dufour.

An Integrated-circuit Piano Tuner Knopf

Learn a very simple, professional method for tuning with 17 lessons. The author, who taught at a piano tuning school, explains how to use basic tuning tools to correct a few notes or an entire piano. Repairs include fixes for sticky keys and adjustments to bottoms, capstans, hammer stems, and more.

The Piano Tuner Vestal PressLtd

This notebook is perfect for any piano tuners or technicians 120 pages of college ruled paper Tough and durable glossy front cover

A Simple and Accurate Method for Amateurs Independently Published

In *The Piano Tuner*, Peter Meinke writes of the foreignness that awaits us when we go abroad and when we answer our own front door to admit a stranger, that confronts us in unfamiliar cities and villages and in the equally disquieting surroundings of our memories and regrets. Often in these stories, what seems a safe, comfortable environment turns suddenly threatening. In the title story, a writer's quiet existence amid his antiques and books is dismantled, piece by piece, by a demonic, beer-bellied piano tuner. In "The Ponoes," a man recalls how, as a young boy living in Brooklyn during World War II, he became a collaborationist in the brutal pranks of two Irish bullies. In "The Twisted River," the sedate collegiality of a Polish university is disrupted when an American on a Fulbright grant attempts to blackmail two faculty members. And in "The Bracelet," a young anthropology student doing field work in Africa finds herself drawn further and further into the role of a priestess of Oshun, into a life dictated by the configuration of cowry shells cast upon the floor. Meinke writes of a world where our control over our lives seldom exists across a border, and often extends no further than our fingertips. Attempts to bridge two cultures, two lives are sometimes successful, as when an actor finds love in the arms of a tough-talking barmaid, but more usually lead to disillusionment, as when a hard-drinking salesman's career is shattered after he is drunk under the table one night by a Polish engineer, or when an English father struggles to find common ground with his American son. Riveting, almost terrifying, the stories in *The Piano Tuner* tell of decent men and women caught in events that they could never have predicted, would never have chosen.
