THE NEW YORKTIMES
Martin Vail, the brilliant "bad-boy" lawyer every prosecutor and politician love to hate, is defending Aaron Stampler, a man found holding a bloody butcher's knife near a murdered archbishop. Vail is certain to lose, but Vail uses his unorthodox ways to good advantage when choosing his legal team--a tight group of men and women who must uncover the extraordinary truth behind the archbishop's slaughter. They do, in a heart-stopping climax unparalleled for the surprise it springs on the reader... "From the Paperback edition.

A Novel Vail Stampler
Two decades after a young Thomas Culhane escaped Eureka, California, to fight in World War I, police detective Zeke Bannon investigates a seemingly accidental death and uncovers dark secrets from the past that could threaten the ambitious campaign of now Sheriff Thomas Culhane for governor of California. Reprint.

Salem Falls Open Road Media
The #1 New York Times--bestselling author introduces readers to "a great detective, a detective's detective,"

New York cop Edward X. Delaney (Kirkus Reviews). New York Police Department Captain Edward Delaney is called to the scene of a brutal murder. A Brooklyn councilman was struck from behind, the back of his skull punctured and crushed with an unknown weapon. The victim wasn't robbed, and there's no known motive. The commissioner appoints Delaney to head up a clandestine task force, but soon this effort ignites an internecine war of departmental backstabbing. Distracted by the serious illness of his wife, Barbara, Delaney begins his secret investigation. Then the killer claims another victim--slain in the exact same way, leaving the strange puncture wound. As more young men are found murdered, Delaney starts putting the pieces together. Soon, he's faced with a cop's dilemma: He knows who the killer is, but the man is untouchable. That's when Delaney lays a trap to bring a monster to justice . . .

Bella Mafia David Morrell
Christmas, 1995. A 14-year-old girl is kidnapped by a bloodthirsty Satanic cult. Bob Hightower, the girl's father and a small-

town cop, embarks on a desperate mission to find her, but his only hope lies with Case Hardin, an ex-cult member and ex-junkie living in a halfway house in Hollywood.

Primal Fear: Martin Vail Series Simon and Schuster

They were orphans, Chris and Saul -- raised in a Philadelphia school for boys, bonded by friendship, and devoted to a mysterious man called Eliot. He visited them and brought them candy. He treated them like sons. He trained them to be assassins. Now he is trying desperately to have them killed. From the master of high action comes a classic espionage thriller that changed the way spy novels were written, the first to combine the British tradition of authentic espionage tradecraft with the American tradition of non-stop action. He visited them in the orphanage. He brought them candy and taught them to love him as a father. He trained them to be assassins. Now he is trying desperately to have them killed. Spanning the globe and decades of CIA history, THE BROTHERHOOD OF THE ROSE is a thriller of fierce loyalty and violent

betrayal, of murders planned and coolly executed, of revenge bitterly, urgently desired. "David Morrell is a master of suspense. He wields it like a stiletto—know just where to stick it and how to turn it. If you're reading Morrell, you're sitting on the edge of your seat."

—Michael Connelly
 "Imagine a suspense thriller as riveting as *The Thirty-Nine Steps* or *Rogue Male*, featuring heroes the equal of Adam Hall's *Quiller*, and crackling with more action than *The Road Warrior*, *Dirty Harry*, and *The Seven Samurai*. Sounds too good to be true? Then just read David Morrell's *THE BROTHERHOOD OF THE ROSE*."—Washington Post Book World "Fast-paced, intelligent, exciting and hard-hitting."

—Nelson DeMille, New York Times bestselling author of *The Panther*
 "David Morrell is, to me, the finest thriller writer living today." —Steve Berry, New York Times bestselling author of *The Columbus Affair*

 Primal Fear
 A disgraced former CIA operative must go back in the field with only his ex-wife as his handler in this electrifying thriller from a former intelligence officer. Meredith Morris-Dale is a CIA case officer and a

damn good one...even if this last mission did go terribly wrong. Now she has been summoned back to Langley where she expects to be fired. Instead, she is met by the Deputy Director with stunning news. A single well-placed CIA mole in Iran's uranium enrichment program has kept the terrorist nation from building a bomb by sabotaging their centrifuge's performance. But after losing his daughter in an airliner shootdown, the mole wants out—leaving the world on the brink. His one demand: a reunion with the only handler he ever trusted, John Dale—Meredith's disgraced, fired, wayward ex-husband. As Meredith and John struggle through their fraught relationship, a craven CIA political hierarchy, Russian interference, and the rogue spy's manipulation, they must reach deep within their shared connection to maintain, recover, or kill the asset.

Reign in Hell Vail Stampler

When Jack St. Bride arrives by chance in the sleepy New England town of Salem Falls, he decides to reinvent himself. Tall, blond, and handsome, Jack was once a beloved

teacher and soccer coach at a girls' prep school—until a student's crush sparked a powder keg of accusation and robbed him of his reputation. Now, working for minimum wage washing dishes for Addie Peabody at the Do-Or-Diner, Jack buries his past, content to become the mysterious stranger who has appeared out of the blue. With ghosts of her own haunting her, Addie Peabody is as cautious around men as Jack St. Bride is around women. But as this unassuming stranger steps smoothly into the diner's daily routine, she finds him fitting just as comfortably inside her heart - and slowly, a gentle, healing love takes hold between them. Yet planting roots in Salem Falls may prove fateful for Jack. Amid the white-painted centuries-old churches, a quartet of bored, privileged teenage girls have formed a coven that is crossing the line between amusement and malicious intent. Quick to notice the attractive new employee at Addie's diner, the girls turn Jack's world upside down with a shattering allegation that causes history to repeat itself - and forces Jack to proclaim his innocence once again. Suddenly

nothing in Salem Falls is as it seems; a safe haven turns dangerous, an innocent girl meets evil face-to-face, a dishwasher with a Ph.D. is revealed to be an ex-con. As Jack's hidden past catches up with him, the seams of this tiny town begin to tear, and the emerging truth becomes a slippery concept written in shades of gray.

A defense lawyer's newest client is a racist—but is he a killer? "Bernhardt keeps his readers coming back for more" (Library Journal). For Ben Kincaid, the forests of Arkansas are a place to escape the hubbub of the courtroom and enjoy the outdoors. But for the thousands of Vietnamese refugees who came through this backwoods area in the mid-1970s, the Ouachita Mountains were a place to begin their new life in the United States. And for Tommy Vuong, an activist among the American-born Vietnamese, the woods are a place to die. When Vuong is found stabbed through the neck beneath a burning cross, the logical suspect is Donald Vick, a member of a local white supremacist hate group who was seen fighting with Vuong the previous day. No lawyer in the county will take Vick's case, but Kincaid can't refuse. His new client is

sullen, hateful, and demands to plead guilty—even though there's no evidence linking him to the crime scene. No matter what it takes, Kincaid will bring justice to the backwoods, whether the inhabitants like it or not.

WHAT IS THE STORY

GRID? The Story Grid is a tool developed by editor Shawn Coyne to analyze stories and provide

helpful editorial comments. It's like a CT Scan that takes a photo of the global story and tells the editor or writer what is working, what is not, and what must be done to make what works better and fix what's not. The Story Grid breaks down the component parts of stories to identify the problems. And finding the problems in a story is almost as difficult as the writing of the story itself (maybe even more difficult). The Story Grid is a tool with many applications: 1. It will tell a writer if a Story works? or doesn't work. 2. It pinpoints story problems but does not emotionally abuse the writer, revealing exactly where a Story (not the person creating the Story) has failed. 3. It will tell the writer the specific work necessary to fix that Story's problems. 4. It is a tool to re-envision and resuscitate a seemingly irredeemable pile of paper stuck in an attic drawer. 5. It is a tool that can inspire an original creation.

Nothing Lasts Forever (Basis for the film *Die Hard*) Modern Library
Gone, But Not Forgotten rocketed Phillip Margolin into the select company of million-selling novelists.

Here he displays again the same genius for best-selling suspense in another intricate, breathtaking thriller of multiple murder in the legal community of the Pacific Northwest. Laura Rizzati, a law clerk for Oregon Supreme Court Justice Robert Griffen, is found slain late one night in the deserted courthouse. Her office is ransacked—but nothing seems to be missing. There are no suspects and no clues. The following month Griffen himself is killed by a car bomb in the driveway of his Portland home. This time, though, there is a suspect: in a shocking turn of events, Abigail Griffen, star prosecutor in the Multnomah County District Attorney's office and estranged wife of Justice Griffen, is charged with first degree murder. With the same gripping suspense that drove *Gone, But Not Forgotten* onto the bestseller lists, this is a complex legal thriller with a truly startling ending.

Lawmen Virgil Cole and Everett Hitch must quell a brewing showdown in the latest installment in the New York Times bestselling series.

Marshals Virgil Cole and Everett Hitch haven't seen much trouble of late. Fact is, burgeoning Appaloosa and the territory had been without incident for months. But with recent reports of village raids, coupled with the arrival of a young widow from San Francisco, the lawmen are about to be put to the test. Rose McMaster, the feisty daughter of Virgil's half-brother, ushers in a whole new unsuspected brand of trouble. Just prior to the enactment of the Chinese Exclusion Act of 1882, Rose's husband, Frank, finds himself in hot water. He is a young and successful attorney representing a large Chinese conglomerate. But as his business problems escalate, he's found dead--an apparent suicide. But just as Rose is moving on, she receives a visit from a Chinese associate and friend of her late husband's who advises her to depart San Francisco immediately. No sooner does Rose step off

the train in Appaloosa than trouble arises. A man from her journey is found dead, putting Virgil and Everett on a path to unravel his identity and curious connection to

Rose. As danger intensifies with the militia-like raiders that have a score to settle with Virgil, the two lawmen learn of Frank's involvement in a large-scale opium operation. And they soon

deduce that he likely embezzled a large amount of money belonging to the Chinese, who now believe Rose holds the key to the loot's whereabouts...
