In *A Divine Revelation of Heaven*, after thirty nights in which God gave her visions of the depths of hell and the punishments of the lost, Mary K. Baxter was shown for ten nights the glories of heaven--the home of redeemed souls. Included in this book are her depictions of heaven's gates, angels, music, worship, storehouses of blessings, joyful heavenly citizens, four living creatures, and brilliant throne of God. Mary also describes heaven's perfect order and purpose, what happens to children, and much more. These breathtaking glimpses of heaven, interspersed with applicable Bible verses, will turn your heart toward the beauty and joy that await every believer in Christ. In *A Divine Revelation of Hell*, over a period of thirty

nights, God gave Mary K. Baxter visions of hell and commissioned her to tell people still alive on earth to reject sin and evil, and to choose life in Christ. Here is an account of the place and beings of hell contrasted with the glories of heaven. Follow Mary in her supernatural journey as she enters with Jesus into a gateway to hell and encounters the sights, sounds, and smells of that dark place of torment, including its evil spirits, cells, pits, jaws, and heart. Be an eyewitness to the various punishments of lost souls and hear their shocking stories. This book is a reminder that each of us needs to accept the miracle of salvation before it is too late--and to intercede for those who do not yet know Christ. Time is running out.

In 1999, Bronx-born plumber Tommy Rosa died after being the victim of a hit-and-run incident. Lying by the road, he felt a tug whisking him off into a tunnel of light. He found himself in an indescribably beautiful place, filled with a total sense of peace and joy. Tommy met his Divine Teacher and received a series of profound lessons—Eight Revelations about the nature of health, healing, and well-being. He was shown that God created the Earth to nourish and heal mankind and that our sense of separation from each other and the divine is of our own making. Around the same time, integrative cardiologist Dr. Stephen Sinatra was revolutionizing his medical practice with a holistic approach to treatment. When a chance meeting brought the two men together, they gradually came to realize that the revelations of healing from Tommy's Teacher aligned with the groundbreaking results Dr. Sinatra was seeing in his own scientific research. *Health Revelations from Heaven* combines Dr. Sinatra's practices with Tommy's Revelations to lead you toward revitalized health, a newfound sense of purpose, and spiritual balance. Fully corroborated by Dr. Sinatra's four decades of medical expertise, these stories and practices can bring the gifts of Heaven and Earth into everyday life.

When world-class biblical scholar Bart Ehrman first began to study the texts of the Bible in their original languages he was startled to discover the multitude of mistakes and intentional alterations that had been made by earlier translators. In Misquoting Jesus, Ehrman tells the story behind the mistakes and changes that ancient scribes made to the New Testament and shows the great impact they had upon the Bible we use today. He frames his account with personal reflections on how his study of the Greek manuscripts made him abandon his once ultraconservative views of the Bible. Since the advent of the printing press and the accurate reproduction of texts, most people have assumed that when they read the New Testament they are reading an exact copy of Jesus's words or Saint Paul's writings. And yet, for almost fifteen hundred years these manuscripts were hand copied by scribes who were deeply influenced by the cultural, theological, and political disputes of their day. Both mistakes and intentional changes abound in the surviving manuscripts, making the original words difficult to reconstruct. For the first time, Ehrman reveals where and why these changes were made and how scholars go about reconstructing the original words of the New Testament as closely as possible. Ehrman makes the provocative case that many of our cherished biblical stories and widely held beliefs concerning the divinity of Jesus, the Trinity, and the divine origins of the Bible itself stem from both intentional and accidental alterations by scribes -- alterations that dramatically affected all subsequent versions of the Bible.

Healing for Your Spirit, Soul, and Body A Divine Revelation of Heaven

In this book the Promised Messiah, on whom be peace, discusses the philosophy of divine revelation, the three categories of people who claim to receive revelation, and the distinction of the truthful from the false. He then establishes his truthfulness by documenting over 200 Signs, including the fulfillment of prophecies made by the Holy Prophet Muhammad, may peace and blessings of Allah be upon him, other men of God, earlier scriptures, and his own revelations spanning over twenty-five years. The author cites numerous examples of his enemies who publicly predicted his downfall and demise, only to become the very victims of their own prophecies. God, however, protected him against every assault, while continuously reassuring him of His promise to bless his Community—a promise which continues to bear the seal and testimony of history. The author also appeals to the followers of different faiths to read this book cover to cover to appreciate and accept this evidence as proof that God is One and the Holy Prophet Muhammad is the Messenger of God, and that he is the Promised Messiah raised to unite humanity under the banner of Islam.
