Bestselling authors Sarina Bowen and Lauren Blakely team up for the first time in an enemies-to-lovers, opposites-attract, irresistibly sexy standalone romance between the best man and the other best man! In my defense, I was left alone with a bottle of single-malt and a life-long penchant for protecting my baby sister. Still, that's no excuse to send ten drunk-texts on why her hasty marriage would be a mistake. If only I had just texted my sister. But nope. I accidentally sent the message to her, her groom, and his super hot wingman. I also used the phrase "super hot wingman," so I'd like to die now. Instead, I have to plan a wedding with the aforementioned hottie and share a too-small guesthouse in steamy Miami. Three days in the sun with the cocky, charming former athlete who likes to push my buttons? Fine, two can play at that let's-infuriate-each-other game. Until Asher ups the stakes with one wildly sexy suggestion. A no-strings fling, then I go back to my single dad life in New York, and he returns to his star-studded one. Sign me up. But the more nights I spend with the other best man, the more I want days too, and that just can't happen. Especially when I find out the real reason why... Contents Include: First times, a secret to-do list, champion-level flirting, fast cars, #eggplants, and two men who look good in formal wear.

She's the only one who ever loved him—and the only one he can never have. Jude lost everything one spring day when he crashed his car into an apple tree on the side of the road. A man is dead, and there's no way he can ever right that wrong. He'd steer clear of Colebury, Vermont forever if he could. But an ex-con in recovery for his drug addiction can't find a job just anywhere. Sophie Haines is stunned by his reappearance. After a three year absence, the man who killed her brother and broke her heart is suddenly everywhere she turns. It's hard not to stare at how much he's changed. The bad boy who used to love her didn't

have big biceps and sun-kissed hair. And he'd never volunteer in the church kitchen. No one wants to see Sophie and Jude back together, least of all Sophie's police chief father. But it's a small town. And forbidden love is a law unto itself. It's a tale as old as time: the bad boy meets the good girl. He makes a daring proposition. Then the boy gets a mysterious head injury and loses a year of his life... The first time I meet Rickie, I don't know what to make of him. The second time we meet, he doesn't remember the six hours we spent together. Or standing me up afterward. I'm not the same, either. I've got secrets. I've told lies. Bad boys aren't my type, anyway. Even the ones with troubled gray eyes. But now we're roommates. Cue the awkward moments in the hallway when he's wearing only a towel and a smile. He's determined to win me over, and his talented hands weaken my resolve. It's all fun and games until my past rears its ugly head and his secrets come to light, shaking our fragile connection, maybe even breaking it... Note: this is Daphne Shipley's story. Contents include Vermonty ice cream flavors, nerdy awkwardness, tattoos, and a playboy grandpa. *** Waylaid is the eighth book in the standalone USA Today bestselling True North series. From New York Times bestselling author Elle Kennedy and USA Today bestselling author Sarina Bowen comes the next in the spin-off series of their wildly successful Him and Us books. "I'm ridiculously attracted to you, Hottie. I figured I should be up front about that." "Shut up and kiss me again, Snipes." Hailey Taylor Emery has a hunch that Sniper87, her favorite client at Fetch—the anonymous virtual assistant service she runs with her ex-husband—is actually gorgeous hockey superstar Matt Eriksson. It's against the rules to check his file, but she's pretty sure she spends every day texting her lifelong crush and catering to his every need. Still processing her recent divorce, Hailey is perfectly content for this to be nothing but harmless online flirting...until Sniper87 wants to meet her. Face to face. Cue: utter panic. Matt Eriksson is no stranger to heartbreak. He's still not over the destruction of his own marriage, and it sucks to be the only guy on his team who knows the truth: that hockey and long-term relationships are a toxic mix. He barely sees his kids, and dealing with his ex makes him feel worthless. The only person in his life who seems to understand is someone who won't show her pretty face: the mysterious HTE, aka "Hottie." Surely, though, it's nothing a pair of fourth row hockey seats can't fix. Superfan Hailey can't resist the offer, and Matt can't resist Hailey. But when the phone screens come down, can they get past their baggage long enough to build something real?

What happened in high school stayed in high school. Until now.

Five years ago, Michael Graham betrayed the only person who ever really knew him. Since then, he's made an art of hiding his sexual orientation from everyone. Including himself. So it's a shock when his past strolls right into the Harkness College locker room, sporting a bag of hockey gear and the same slow smile that had always rendered Graham defenseless. For Graham, there is only one possible reaction: total, debilitating panic. With one loose word, the team's new left wing could destroy Graham's life as he knows it. John Rikker is stuck being the new guy. Again. And it's worse than usual, because the media has latched onto the story of the only "out" player in Division One hockey. As the satellite trucks line the sidewalk outside the rink, his new teammates are not amused. And one player in particular looks sick every time he enters the room. Rikker didn't exactly expect a warm welcome from Graham. But the guy won't even meet his eyes. From the looks of it, his former... best friend / boyfriend / whatever isn't doing so well. He drinks too much and can't focus during practice. Either the two loneliest guys on the team will self destruct from all the new pressures in their lives, or they can navigate the pain to find a way back to one another. To say that it won't be easy is the understatement of the year. Warning: unlike the other books in this series, this heartbreaking love story is about two guys. Contains sexual situations, dance music, snarky t-shirts and a poker-playing grandmother.

He really, truly does. But hiding sucks. It's not the life Jamie envisioned for himself, and the strain of keeping their secret is taking its toll. It doesn't help that his new job isn't going as smoothly as he'd hoped, but he knows he can power through it as long as he has Wes. At least apartment 10B is their retreat, where they can always be themselves. Or can they? When Wes's nosiest teammate moves in upstairs, the threads of their carefully woven lie begin to unravel. With the outside world determined to take its

best shot at them, can Wes and Jamie develop major-league relationship skills on the fly? By New York Times bestseller Sarah Mayberry and USA Today bestseller Sarina Bowen The first time I lay eyes on Callan Walker, I know he'll be trouble. With his smug grin, hot Aussie accent and thousand dollar shoes, he's just the kind of rich guy who always gets what he wants. And he wants two things: a night of sin, and my cooperation as he outmaneuvers his powerful mother to take control of his uncle's estate. I can't afford either one. I'm the only thing standing between my little sister and the foster care system. He may have money and charm on his side, but I have something even more powerful — pure desperation. This temp job at his mother's company can become a full time job for me. It has to. But when Callan's eyes rake over my body, sometimes I forget my obligations. His piercing gaze finds the fun, optimistic girl I used to be and not the tired person I've become. And it works—if only for a moment. Our night together was a mistake. I can't afford to get sucked into his high-powered family's treachery. But the closer I get to Callan, the more layers I find beneath those expensive clothes. Though I can't forget this is temporary. He's temporary. I have too much to lose. Too bad my foolish heart didn't get the memo... **** Perfect for fans of: billionaire romance, Carly Phillips, Vi Keeland, Penelope Ward, Meghan March, Elle Kennedy, Kendall Ryan, and Lauren Blakely.

Wanted: One roommate to share a 3-bedroom house, split the

rent, and ideally not be the guy I can't stop thinking about. I'm a man with too many secrets, so the last thing I need is a new roommate with a sexy smile and blue eyes that see right through me. Eight years ago, Roderick left town after high school. We're not friends. I owe him nothing. But back then, I let one of my secrets slip, and he's the only one who noticed. Part of me knows I should run far, far away. But the other part wants him to come upstairs and spend the night. But if I let him in, I could lose everything. Seeking: a room to rent in town. I'm tidy, have no pets, and I will feed you homemade bread. I should probably add: Gay AF, and has no filter. It's no wonder my new landlord is so wary of me. A smarter man would ignore those hot glances from Kieran Shipley. The broody lumberjack wants more from me than another homemade pretzel, but if I push my luck, I'll end up back on the street. Too bad I've never been smart with my heart... Passionate, sexy, and emotional, Roommate brings all the feels and all the delicious heat! Don't fall for your enemy...especially when he's your new roommate. Dean Evans is the worst. Not only does the devil in disguise steal my pie on a regular basis, he also lives in the apartment right. Next. Door. I see him all the time. At the mailboxes. In the elevator. Every single morning. It's exhausting because he's exhausting. Now, after setting his apartment on fire, he's my roommate...and he's the worst at that too. I don't know what possessed me to let him stay with me. Pity, perhaps? I do know that I won't be falling for his charm. Or that panty-dropping smirk. His quick wit. That body he works so hard for. Nope. Not falling for any of it...least of all him. There might be a fine line between love and hate, but I know exactly where I stand.
