Early in Selfie, Will Storr observes that the rise of social media, with its attendant "social

perfectionism" (whereby we regularly compare ourselves to others via their meticulously curated online profiles), appears to have made Westerners increasingly dissatisfied with themselves. We live in an age of "heightened individualism", Storr says, one in which success—being slim, rich, happy, extroverted, and popular—is a personal responsibility.

Selfie: How the West Became Self-Obsessed: Will Storr ...To answer these questions, Selfie by Will Storr takes us from the shores of Ancient Greece, through the Christian Middle Ages, to the self-esteem evangelists of 1980s California, the rise of narcissism and the selfie

generation, and right up to the era of hyper-individualistic neoliberalism in which we live now.
