The 2016 International Conference on Artificial Intelligence Science and Technology (AIST2016) was held in Shanghai, China, from 15th to 17th July, 2016. AIST2016 aims to bring together researchers, engineers, and students to the areas of Artificial Intelligence Science and Technology. AIST2016 features unique mixed topics of artificial intelligence and application, computer and software, communication and network, information and security, data mining, and optimization. This volume consists of 101 peer-reviewed articles by local and foreign eminent scholars which cover the frontiers and state-of-art development in AI Technology.

"...Badgett offers a rare look at how gay marriage is actually working, by taking readers to a land where it has been legal for same-sex couples to marry since 2001: the Netherlands. Through interviews with married gay couples we learn about the often surprising changes to their relationships, and the reactions of their families and work colleagues. Moreover, Badgett shows how the institution itself has been altered, exploring how the concept of marriage itself has changed in the United States and the Netherlands." "The evidence from around the world shows both that marriage changes gay people more than gay people change marriage and that it is the most liberal countries and states making the first moves to recognize gay couples. In the end, Badgett demonstrates that allowing gay couples to marry does

not destroy the institution of marriage and that many gay couples do benefit, in expected as well as surprising ways, from the legal, social, and political rights that the institution offers."--From publisher description

Modern Trial Advocacy Zondervan Publishing Company
Publishes in-depth articles on labor subjects, current labor statistics, information about current labor contracts, and book reviews.

Gas World Springer

Includes "War supplements," Jan-Nov. 1918; "Supplements," Dec. 1918-Nov. 1919. These were also issued as reprints.

Artificial Intelligence Science And Technology - Proceedings Of The 2016 International Conference (Aist2016) NYU Press

American MORE! Six-Level Edition is a version of a course from a highly respected author team that's bursting with features for lower secondary students. Each level of American MORE! contains 50-60 hours of class material. With dedicated reading, culture, grammar, vocabulary, skills and cross-curricular learning sections, plus a wide range of flexible components, you really do get more with American MORE! The Teacher's Resource Book contains detailed guidance on how to get the best out of the course, warm-up activities, photocopiable grammar and communication resources, tests and answer keys, and 'Extra' idea sections for fast finishers. The test material is contained on the Testbuilder CD-ROM, together with the audio for the tests.

South Western Reporter. Second Series Princeton Review

This book examines the language of public inquiries to reveal how blame is assigned, avoided, negotiated and discussed in this quasi-legal setting. In doing so, the author adds a much-needed linguistic perspective to the study of blame - previously the reserve of moral philosophers, sociologists and psychologists - at a time when public inquiries are being convened with increasing frequency. While the stated purpose of a public inquiry is rarely to apportion blame, this work reveals how blame is nevertheless woven into the fabric of the activity and how it is constructed by the language of the participants. Its chapters systematically analyse the establishment of inquiries, their questioning patterns,

how blame can be avoided by witnesses, how blame is assigned or not by an inquiry's panel and how such blame may result in public apologies. The author concludes with an engaging discussion on the value of public inquiries in civic life and suggestions for changes to the processes of public inquiries. This book will appeal to readers with a general interest in public and political language; in addition to scholars across the disciplines of communication, media studies, politics, sociology, social policy, philosophy, psychology, linguistics, rhetoric, public relations and public affairs.

Cycle World Magazine Rr Bowker Llc

Contains the 4th session of the 28th Parliament through the session of the Parliament.

The Pacific Reporter Everyman Chess

The best way to prepare for standardized tests is to practice, and this new edition of our popular ACT resource offers test-takers plenty of opportunities to do just that. 1,471 ACT Practice Questions, 6th Edition, includes 3 full-length practice ACT tests and hundreds of additional practice questions (equivalent to more than 3 additional ACTs!) broken down by subject for extensive extra practice. Inside, students will find tons of material to familiarize them with the exam, drills with detailed answers and explanations to help them break down questions step by step, and all the practice they need to get the score they want.

Monthly Labor Review Ntl Inst for Trial Advocacy

Contains the 4th session of the 28th Parliament through the 1st session of the 48th Parliament.

The Penny Cyclopaedia of the Society for the Diffusion of

Useful Knowledge

Jose Raul Capablanca is a chess legend, world champion and quite simply one of the greatest players in the history of the game. His achievements and seemingly effortless style of play won many admirers, and his legacy includes a treasure of instructive games. Studying Capablanca's play is a must for any aspiring chess player. For Cyrus Lakdawala, it was a key factor in his chess development and improvement, and in this book he revisits many of his favourite Capablanca games. Lakdawala examines Capablanca's skills in attack, defence, counter-attack,

exploiting imbalances, accumulating advantages and, of course, his legendary endgame play. Move by Move provides an ideal platform to study chess. By continually challenging the reader to answer probing questions throughout the book, the Move by Move format greatly encourages the learning and practising of vital skills just as much as the traditional assimilation of knowledge. Carefully selected questions and answers are designed to keep you actively involved and allow you to monitor your progress as you learn. This is an excellent way to improve your chess skills and knowledge.
