Chilton Labor Guide 2010 Createspace Independent Publishing Platform

Chilton's editors have carefully crafted the latest edition of the famous Chilton Labor Guide to bring you the most accurate information available. The 2010 edition provides repair times for 1981-2010 import and domestic vehicles. Chilton's editors consider warranty times, component locations, component type, the environment in which technicians work, the training they receive, and the tools they use when calculating a labor time. To allow for vehicle age, operating conditions, and type of service, the Chilton 2010 Labor Guide provides standard and severe service times, plus OEM warranty times. Vehicle makes and models conform to current Automotive Aftermarket Industry Association (AAIA) standards. Chilton's labor times are so trusted, even a competing publisher uses them

Chilton Book Company Repair & Tune-up Guide Nichols Publishing Company

Automotive Detailing in Detail takes the combined experience and expertise of three leading detailing commentators to provide a thorough and expansive overview of automotive detailing techniques. From the pre-wash, wash and preparation stages, through machine polishing to paint protection and maintenance, every detailing stage is covered: surface types, contaminants and products are analysed, before the actual processes are laid bare. In the age of the internet and social media, a plethora of detailing knowledge is available online, yet it is strangely difficult to discover completely, or harness usefully. This book redresses the balance. Aimed at motoring enthusiasts, car mechanics, restorers, valets and those thinking of setting up a valeting/car detailing business and illustrated throughout with 268 colour photographs and 36 line artworks.
