The Complete Colorado Campground Guide Moon Travel

The Rough Guide to Trinidad & Tobago is the definitive guide to these lively twin islands. Beautiful white-sand beaches, swaying palms and reef-studded waters are all on offer, but there's more to Trinidad and Tobago than sun and beach life: Tobago is home to one of the densest populations of bird species in the world, and the oldest protected rainforest in the western hemisphere. Up-to-date listings and tips give you the lowdown on the islands' brilliant dining and nightlife scenes. And from boutique hotels on the sand to budget dorms, local guesthouses to lavish villas, our accommodation reviews will help you find a room that suits your needs. The Rough Guide to Trinidad & Tobago also gives you insider information on everything from watching leatherback turtles lay eggs on the beaches, to navigating the multitude of carnival fetes and Calypso tents. So whether you feel like striking out on rainforest hikes, cooling off in hidden waterfalls, or exploring Hindu temples and Indo-Trinidadian food, The Rough Guide to Trinidad & Tobago will ensure you get the very best out of your stay. Make the most of your time on Earth with The Rough Guide to Trinidad & Tobago.

A feast for all food writers, The Resource Guide for Food Writers is a comprehensive guide to finding everything there is to know about food, how to write about it and how to get published. An educator at the Culinary Institute of America, Gary Allen has compiled an amazing handbook for anyone who wants to learn more about food and share that knowledge with others. Including a foreword by Mr. Tim Ryan, Senior Vice President of the Culinary

Institute of America, this multifaceted guide teaches readers how to: * find appropriate libraries use catalogs, directories, bibliographies and periodicals and locate specialty booksellers. Chapters on the writing process provide real guidance on: how to write what resources are helpful and how to combat writer's block In the final section, the intimidating task of getting published is tackled with specific help in drafting proposals and finding the appropriate publisher. An impressive menu of resources, this authoritative reference is essential for every epicurean, from the food service professional to the ambitious home gourmet.

Great Places: Colorado Tyndale House Publishers, Inc.

"I bought this travel guide out of curiosity when I went back home to visit my parents. I grew up in N.H., went to school at UCONN, and spent a lot of time in Massachusetts - so I am familiar with the area. Sometimes, when you live in a place, however, you take your home for granted and don't see the sights in your back yard. Traveling 1500 miles back home, however, I felt like I needed to get my moneys worth (the sure sign of a native east coaster). This book led me to some incredible old towns and restaurants and shops that I had missed while living there. I highly recommend the book. It was great to have it on my laptop because after work, I was able plan the remainder of my day in a snap." -- Amazon reviewer. "I've been toting Elizabeth L. Dugger's new Adventure Guide to Massachusetts & Western Connecticut around for about a month now, ever since I received it. I had all the best intentions of being the first reviewer to publish my commentary on the travel guide, but with one project after another eating up my hours, I'm not sure that I can claim that honor. I have, however, really bulked up my biceps by lugging the Adventure Guide around! In a word, the book is "massive," and before I ever lifted the cover, I was perplexed as to how Dugger could possibly have found enough bungee jumping-, cliff diving-, and vine swinging-type adventures in the stately and somewhat subdued states of

Massachusetts and Connecticut to fill 496 pages! When I opened to page 113 to find a section on "Antique Shopping on Cape Cod," I was surprised and delighted to realize that the range of adventures Dugger suggests includes those that pose great danger only to my credit card balance. In the book's introduction, Dugger explains that adventure travel "doesn't have to mean hanging from a cliff by your fingernails." Her enormous catalog of exciting escapes includes family-friendly ideas, outdoor fun for people of all ages and abilities, out-of-the-ordinary sightseeing suggestions, and, of course, the full complement of hiking, biking, fishing, boating, and other recreational opportunities in central New England. "Adventure travel makes you feel alive, wakes you up to yourself as well as to your surroundings," Dugger explains. "Just being in open lands or along the coast, most of the time, can give you that get-away feeling. ...Adventure travel gets the blood flowing, the heart pumping." Also the author of the Adventure Guide to New Hampshire and the Adventure Guide to Vermont, Dugger quickly debunks the notion that Massachusetts is a tamer, less challenging playground than its mountainous northern neighbors. After a brief introductory section that includes a short history of Massachusetts, a map of and information on getting to the region, road rules, and safety information on such important topics as "avoiding bears," the book is broken up into six regional chapters: the Seacoast Region, Boston and Nearby Adventures, Central Massachusetts, the Pioneer Valley, the Berkshires, and the Litchfield Hills of Connecticut. Within each geographic section, adventures are organized in category groupings: On Foot, On Horseback, On Wheels, On Water, On Snow & Ice, and In the Air. Each chapter has information on Eco-Travel and where to Stay & Eat, as well. While the emphasis of this guide is decidedly on the outdoors and on planning a Massachusetts vacation that takes you to the lesser known attractions that the state offers, it is actually one of the most comprehensive and delightful guides to the region available. While many travel guides contain the obligatory paragraph on each historic attraction and sightseeing venue, the Adventure Guide to Massachusetts & Western Connecticut artfully leads the traveler to those awe-inspiring, stimulating, and unique excursions that are likely to make for a most memorable trip. Detailed maps, black and white photos,

cute graphics, and sidebars on special events, kid-friendly and accessible spots, recommended reading, and more
