The Girl on the Train Harper Collins

Reconstructed from lecture notes of his students, these are the best records of the theories of Ferdinand De Saussure, the Swiss linguist whose theories of language are acknowledged as a primary source of the twentieth century movement known as Structuralism.

Prayers to My King Penguin

For more than a century, Venezuela Heroica has been a source of inspiring stories for Venezuelan schoolchildren. Now ably translated and profusely annotated, the book retains the literary beauty and entertaining character of the original, presenting a vivid account of the Venezuelan wars waged against Spain while seeking independence. Stories of the major battles and the most famous heroes of the Independence Wars, as well as reflections on the conditions, political and otherwise, that attended the first decades of the Republic, can now be further enjoyed in this insightful and masterful translation.

Venezuela Heroica Profile Books

AVAILABLE FOR THE FIRST TIME IN eBook! In 1990, fearing extradition to the United States, Pablo Escobar – head of the Medellín drug cartel – kidnapped ten notable Colombians to use as bargaining chips. With the eye of a poet, García Márquez describes the survivors' perilous ordeal and the bizarre drama of the negotiations for their release. He also depicts the keening ache of Colombia after nearly forty years of rebel uprisings, right-wing death squads, currency collapse and narco-democracy. With cinematic intensity, breathtaking language and journalistic rigor, García Márquez evokes the sickness that inflicts his beloved country and how it penetrates every strata of society, from the lowliest peasant to the President himself.

Doña Bárbara (novela) Another World Press

The #1 New York Times Bestseller, USA Today Book of the Year, now a major motion picture starring Emily Blunt. The debut psychological thriller that will forever change the way you look at other people's lives, from the author of *Into the Water* and *A Slow Fire Burning*. "Nothing is more addicting than *The Girl on the Train*."—Vanity Fair "The *Girl on the Train* has more fun with unreliable narration than any chiller since *Gone Girl*. . . . [It] is liable to draw a large, bedazzled readership."—The New York Times "Marries movie noir with novelistic trickery. . . hang on tight. You'll be surprised by what horrors lurk around the bend."—USA Today "Like its train, the story blasts through the stagnation of these lives in suburban London and the reader cannot help but turn pages."—The Boston Globe "Gone Girl fans will devour this psychological thriller."—People EVERY DAY THE SAME Rachel takes the same commuter train every morning and night. Every day she rattles down the track, flashes past a stretch of cozy suburban homes, and stops at the signal that allows her to daily watch the same couple breakfasting on their deck. She's even started to feel like she knows them. Jess and Jason, she calls them. Their life--as she sees it--is perfect. Not unlike the life she recently lost. UNTIL TODAY And then she sees something shocking. It's only a minute until

the train moves on, but it's enough. Now everything's changed. Unable to keep it to herself, Rachel goes to the police. But is she really as unreliable as they say? Soon she is deeply entangled not only in the investigation but in the lives of everyone involved. Has she done more harm than good?

The Count of Monte Cristo A Mortal Song

The New York Times Bestseller '[An] earth-shaking exposé of clerical corruption' - National Catholic Reporter In the Closet of the Vatican exposes the rot at the heart of the Vatican and the Roman Catholic Church today. This brilliant piece of investigative writing is based on four years' authoritative research, including extensive interviews with those in power. The celibacy of priests, the condemnation of the use of contraceptives, the cover up of countless cases of sexual abuse, the resignation of Benedict XVI, misogyny among the clergy, the dramatic fall in Europe of the number of vocations to the priesthood, the plotting against Pope Francis – all these issues are clouded in mystery and secrecy. In the Closet of the Vatican is a book that reveals these secrets and penetrates this enigma. It derives from a system founded on a clerical culture of secrecy which starts in junior seminaries and continues right up to the Vatican itself. It is based on the double lives of priests and on extreme homophobia. The resulting schizophrenia in the Church is hard to fathom. But the more a prelate is homophobic, the more likely it is that he is himself gay. 'Behind rigidity there is always something hidden, in many cases a double life'. These are the words of Pope Francis himself and with them the Pope has unlocked the Closet. No one can claim to really understand the Catholic Church today until they have read this book. It reveals a truth that is extraordinary and disturbing.

Don Quixote Bloomsbury Publishing

The Count of Monte Cristo is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with *The Three Musketeers*. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815–1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

Mío Cid Campeador, hazaña Sterling Publishing Company, Inc.

Robert Langdon, Harvard professor of symbology, arrives at the ultramodern Guggenheim Museum Bilbao to attend the unveiling of a discovery that "will change the face of science forever." The

evening's host is Edmond Kirsch, a forty-year-old billionaire and futurist, and one of Langdon's first students. But the meticulously orchestrated evening suddenly erupts into chaos, and Kirsch's precious discovery teeters on the brink of being lost forever. Facing an imminent threat, Langdon is forced to flee. With him is Ambra Vidal, the elegant museum director who worked with Kirsch. They travel to Barcelona on a perilous quest to locate a cryptic password that will unlock Kirsch's secret. Navigating the dark corridors of hidden history and extreme religion, Langdon and Vidal must evade an enemy whose all-knowing power seems to emanate from Spain's Royal Palace. They uncover clues that ultimately bring them face-to-face with Kirsch's shocking discovery...and the breathtaking truth that has long eluded us.

News from the Empire Harper Collins

Mario Vargas Llosa's brilliant, multilayered novel is set in the Lima, Peru, of the author's youth, where a young student named Marito is toiling away in the news department of a local radio station. His young life is disrupted by two arrivals. The first is his aunt Julia, recently divorced and thirteen years older, with whom he begins a secret affair. The second is a manic radio scriptwriter named Pedro Camacho, whose racy, vituperative soap operas are holding the city's listeners in thrall. Pedro chooses young Marito to be his confidant as he slowly goes insane. Interweaving the story of Marito's life with the ever-more-fevered tales of Pedro Camacho, Vargas Llosa's novel is hilarious, mischievous, and masterful, a classic named one of the best books of the year by the New York Times Book Review.

A Little History of the World Farrar, Straus and Giroux

Set in Lima, the novel tells of a love story whose participants may be the fictional characters of Don Rigoberto. With his usual sly assurance, Vargas Llosa keeps the reader guessing which episodes are real and which issue from the Don's imagination; the resulting novel, an aggregate of reality and fantasy, is sexy, funny, disquieting, and unfailingly compelling.

The Dream of the Celt Vdv Publishing

When the heir to a spirit kingdom discovers she is a human changeling raised as a decoy, she must adapt to her sudden loss of power and fight against horrific odds to save her home.

All This I Will Give to You Vintage

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. _____ (From the Playboy interview with Jay-Z, April 2003)

PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my

childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

Hydroponics Xist Publishing

New York Times Bestseller A Summer Reading Pick for President Barack Obama, Bill Gates, and Mark Zuckerberg From a renowned historian comes a groundbreaking narrative of humanity's creation and evolution—a #1 international bestseller—that explores the ways in which biology and history have defined us and enhanced our understanding of what it means to be “human.” One hundred thousand years ago, at least six different species of humans inhabited Earth. Yet today there is only one—homo sapiens. What happened to the others? And what may happen to us? Most books about the history of humanity pursue either a historical or a biological approach, but Dr. Yuval Noah Harari breaks the mold with this highly original book that begins about 70,000 years ago with the appearance of modern cognition. From examining the role evolving humans have played in the global ecosystem to charting the rise of empires, *Sapiens* integrates history and science to reconsider accepted narratives, connect past developments with contemporary concerns, and examine specific events within the context of larger ideas. Dr. Harari also compels us to look ahead, because over the last few decades humans have begun to bend laws of natural selection that have governed life for the past four billion years. We are acquiring the ability to design not only the world around us, but also ourselves. Where is this leading us, and what do we want to become? Featuring 27 photographs, 6 maps, and 25 illustrations/diagrams, this provocative and insightful work is sure to spark debate and is essential reading for aficionados of Jared Diamond, James Gleick, Matt Ridley, Robert Wright, and Sharon Moalem.

The Natural & Moral History of the Indies Yale University Press

The “Me” in the title is a comparatively unknown Marx named Julius (1895-1977), who, under the nom de plume of Groucho, enjoyed a sensational career on Broadway and in Hollywood with such comedy classics as *Animal Crackers*, *Monkey Business*, *Horse Feathers*, *Duck Soup*, *A Night at the Opera*, and *A Day at the Races*. His solo career included work as a film actor, television game show emcee, and author of *The Groucho Letters*, *Memoirs of a Mangy Lover*, and his classic autobiography, *Groucho and Me*. With impeccable timing, outrageous humor, irreverent wit, and a superb sense of the ridiculous, Groucho tells the saga of the Marx Brothers: the poverty of their childhood in New York's Upper East Side; the crooked world of small-time vaudeville (where they learned to carry blackjacks); how a pretzel magnate and the graceless dancer of his dreams led to the Marx Brothers' first Broadway hit, *I'll Say She Is!*, how the stock market crash in 1929 proved a godsend for Groucho (even though he lost nearly a quarter of a million dollars); the adventures of the Marx Brothers in Hollywood, the making of their hilarious films, and Groucho's triumphant television series, *You Bet Your Life!*. Here is the life and lunatic times of the great eccentric genius, Groucho, a.k.a. Julius Henry Marx. “The book is never less than readable and its glimpses of American show business at its least glamorous are simple, true and sometimes rather touching.”—*Times Literary Supplement* “My advice is to ration yourself to a chapter a night—it's that delectable.”—*Chicago Sunday Tribune*

The Lost World Farrar, Straus and Giroux

The basis for HBO's *Patria*, named one of the "Best TV Shows of 2020" by The New York Times In the heart of Spain's Basque Country, two friends, Miren and Bittori, find their worlds upended by violence. When Bittori's husband runs afoul of the separatist organization ETA, a terrorist group of which Miren's son, Joxe Mari, is a member, both women must choose between their friendship and their families. Moving back and forth in time and told through the eyes of a rich cast of characters from all walks of life, Fernando Aramburu's dazzling novel probes the lasting legacy of conflict. A work of nearly unbearable suspense, *Homeland* is a searing examination of truth, reconciliation, and coming to terms with history.

The online economy offers challenges to traditional businesses as well as incredible opportunities. Chris Anderson makes the compelling case that in many instances businesses can succeed best by giving away more than they charge for. Known as "Freemium," this combination of free and paid is emerging as one of the most powerful digital business models. In *Free*, Chris Anderson explores this radical idea for the new global economy and demonstrates how it can be harnessed for the benefit of consumers and businesses alike. In the twenty-first century, *Free* is more than just a promotional gimmick: It's a business strategy that is essential to a company's successful future. Download the audiobook of *Free* for free! Details inside the book.

Aunt Julia and the Scriptwriter Little, Brown

The Prince by Niccolò Machiavelli from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book. "The first method for estimating the intelligence of a ruler is to look at the men he has around him." — Niccolò Machiavelli, *The Prince* Machiavelli's *The Prince* was a battle for obtaining and maintaining power in 14th century Italy but it is surprisingly relevant to the understanding of business, politics and the nature of society.

In the Closet of the Vatican Houghton Mifflin Harcourt

Presents a fictional account of the tragic lives of Maximilian and Carlota, the short-lived Emperor and Empress of Mexico, and explores the events that first appointed the couple and then swiftly removed them from power.

Sapiens Editorial Universitaria

Provides information for mental health practitioners on the basics of anger and anger disorder, and describes an anger management program that can be modified for use in private practice or institutional settings.

The Seville Communion Impact Publishers

National Book Award Nominee: "Somehow both genuinely scary and genuinely funny, sometimes on the same page—a wickedly entertaining ride."—Publishers Weekly (starred review) One of Publishers Weekly's Best Books of the Year On the outskirts of Buenos Aires in 1907, a doctor becomes involved in a misguided experiment that investigates the threshold between life and death. One hundred years later, a celebrated artist goes to extremes in search of aesthetic transformation, turning himself into an art object. How far are we willing to go, this novel asks, in pursuit of transcendence? The world of *Comemadre* is full of vulgarity, excess, and discomfort: strange ants that form almost perfect circles, missing body parts, obsessive love affairs, and man-eating plants. Darkly funny, smart, and engrossing, here the monstrous is not alien, but the consequence of our relentless pursuit of collective and personal progress. "Outrageous...insanely funny."—BOMB "In this dark, dense, surprisingly short debut novel by the Argentinian author, we're confronted with enough grotesqueries to fill a couple Terry Gilliam films and, more importantly, with the idea that the only real monsters are those that are formed out of our own ambition." —The Millions

Homeland Anchor

Reproduction of the original: *The Alhambra* by Washington Irving
