With more than 54 million

copies of her books in print and translated into 12 languages, Johanna Lindsey is one of the world's most popular authors of historical romance. Now here are two of her bestselling novels together in this omnibus edition: *Hearts Aflame*, and *Surrender my Love*.

Hearts Aflame Harper Collins

Lovely and dauntless, abducted by invaders from across an icy sea, Lady Breena vowed vengeance swearing no Viking brute would be her master no barbarian would enslave her noble Celtic heart, but then came Garrick Haardrad, the proud and powerful son of a ruthless Viking chieftain.

Hearts Aflame Harper Collins

Norway, AD 785: a vow of vengeance must be kept . . . Sigurd Haraldarson has proved himself a great warrior . . . and a dangerous enemy. He has gone a long way towards avenging the murder of his family. And yet the oath-breaker King Gorm, who betrayed Sigurd's father, still lives. And so long as he draws breath, the scales remain unbalanced. The sacred vow to avenge his family burns in Sigurd's veins,

but he must be patient and bide his time. He knows that he and his band of warriors are not yet strong enough to confront the treacherous king. They need silver, they need more spear-brothers to rally to the young Viking's banner--but more than these, they need to win fame upon the battlefield. And so the fellowship venture west, to Sweden, to fight as mercenaries. And it is there--in the face of betrayal and bloodshed, on a journey that will take him all too close to the halls of Valhalla--that Sigurd's destiny will be forged. There, in the inferno of winter's fire . . . The Vikings return in this thrilling, thunderous sequel to Giles Kristian's *God of Vengeance*.

Viking Fire Simon and Schuster

In the land of the midnight sun, where ruthless Vikings and shape-shifters roam free, an evil empress usurps the Northlandic Throne and suspends the seasons on Winter Solstice. Lucia and Soren were sent by the gods to defeat the empress, but deceits run deep, and they become torn between fate and reality... and between love and loyalty as the battle to end all battles

begins. What readers are saying: Loved the *Window into Norse mythology Riveting* and movie-worthy I have just one problem with this book - I can't wait for the second one! A wonderful period romantic thriller that grabs your attention in the first few pages, and never lets up on its grip. Non-stop, fly by the seat of your pants suspense. I...found the book to be an impressive Viking tale, with two very real, very well-described main characters. This is one of those books that makes you say, "I'll read for twenty minutes." Then two hours later, you decide you need twenty minutes more. Welcome to a cold, wintery world where nothing is what it seems. *Winter Solstice Winter* has the perfect amount of intrigue, mystery, mythology, action, love and passion to make it a very good read. Usually, I have no patience for historical fiction unless it offers something fresh or truly engaging to the story. *Winter Solstice Winter* does that and then a lot more. My advice is straightforward...GET THIS BOOK -- YOU'RE GOING TO LOVE IT!

from her country. Will love find its way around her stubborn heart? Bram, the Viking, finds himself without future or inheritance as a younger son in his family. Seventeen-year-old Ailia has vowed to find out if her recurring mare dreams, of what she thinks are glimpses into her previous life, are real. In her dreams, she is married to her soul mate, and an evil Empress named Eiess pursues and kills her. Lucia, the heir of the Northlandic Kingdom, will be crowned Sun Queen - the Queen responsible for shifting the seasons each solstice. The eve before Lucia's eighteenth birthday and coronation, Eiess storms the castle, taking Lucia and her Father prisoner. Eiess immediately instigates the prophesied three-year winter before the end of Midgard when

she usurps the throne. One day, and unbeknownst to her - nearly two years later - Ailia wakes up in a glacier cave cold, beaten, and far away from home. She doesn't remember how she ended up there or even that she was abducted by the ruthless

Vikings. When a healer named Soren rescues her, Ailia can't help but think that she knows him from somewhere, and that they were fated to meet - and destined to fall in love. And when Ailia, Lucia and Soren discover a shocking secret that intertwines their destinies, one of

them betrays the other two - a betrayal that ultimately puts their lives, and the lives of humanity, in which they had sworn to protect, in grave danger.
