Storyteller, The Witches is a children's classic that has captured young reader's imaginations for generations. This is not a fairy tale. This is about real witches. Grandmamma loves to tell about witches. Real

witches are the most dangerous of all living creatures on earth. There's nothing they hate so much as children, and they work all kinds of terrifying spells to get rid of them. Her grandson listens closely to

Grandmamma's stories—but nothing can prepare him for the day he comes face-to-face with The Grand High Witch herself! Now a major motion picture! Cover may vary. *The Witches* Little, Brown Books for Young Readers Seven superb short stories from the bestselling author of *Charlie and the Chocolate Factory* and *The BFG*! *The Wonderful Story of Henry Sugar* is coming soon to Netflix! Meet the boy who can talk to animals and the man who can see with

his eyes closed. And find out about the treasure buried deep underground. A clever mix of fact and fiction, this collection also includes how master storyteller Roald Dahl became a writer. With Roald Dahl, you can never be sure where reality ends and fantasy begins. "All the tales are entrancing inventions." —Publishers Weekly

 It's wartime, and the Carver family decides to leave the capital where they live and move to a

small coastal village where they've recently bought a home. But from the minute they cross the threshold, strange things begin to happen. In that mysterious house still lurks the spirit of Jacob, the previous owners' son, who died by drowning. With the help of their new friend Roland, Max and Alicia Carver begin to explore the strange circumstances of that death and discover the existence of a mysterious being called the Prince of Mist—a diabolical character who has

returned from the shadows to collect on a debt from the past. Soon the three friends find themselves caught up in an adventure of sunken ships and an enchanted stone garden--an adventure that will change their lives forever.

Married to the retired magistrate of Vetusta, Ana Ozores cares deeply for her much older husband but feels stifled by the monotony of her life in the shabby and conservative provincial

town. And when she embarks on a quest for fulfillment through religion and even adultery, a bitter struggle begins between a powerful priest and a would-be Don Juan for the passionate young woman's body and soul. Scandalizing contemporary Spain when it was first published in 1885, with its searing critique of the Church and its frank treatment of sex, *La Regenta* is a compelling and witty depiction of the complacent and frivolous

world of upper-class society.

The classic work about meetings and decision-making. Meetings are a crucial part of all our lives, but too often they go nowhere and waste valuable time. In *Six Thinking Hats*, Edward de Bono shows how meetings can be transformed to produce quick, decisive results every time. The Six Hats method is a devastatingly simple

technique based on the brain's different modes of thinking. The intelligence, experience and information of everyone is harnessed to reach the right conclusions quickly. These principles have been adopted by businesses and governments around the world, ending conflict and confusion in favour of harmony and productivity. The Six Hats strategy will fundamentally change the way you work and interact. 'An inspiring man with brilliant ideas. De Bono never ceases to

amaze with his clarity of thought.' Sir Richard Branson

 Vlad: The Last Confession is a novel about the real man behind the Bram Stoker myth. It tells of the Prince, the warrior, the lover, the torturer, the survivor and, ultimately, the hero. Dracula. A name of horror, depravity and the darkest sensuality. Yet the real Dracula was just as alluring, just as

terrifying, his tale not one of a monster but of a man...and a contradiction. His tale is told by those who knew him best. The only woman he ever loved...and whom he has to sacrifice. His closest comrade... and traitor. And his priest, betraying the secrets of the confessional to reveal the mind of the man history would forever remember as The Impaler. This is the story of the man behind the legend ... as it has never been told before. "Trust nothing that you've heard." Winter 1431, a

son is born to the Prince of Transylvania. His father christened him "Vlad." His people knew him as "The Dragon's Son." His enemies reviled him as "Tepes"—The Impaler. He became the hero of a nation. We know him as Dracula.

Este cuaderno de refuerzo está planteado para facilitar la adquisición de competencias a los alumnos con la materia de lengua y literatura de primer curso pendiente, a aquellos que requieren un repaso de los contenidos abordados durante el curso, a los que muestran un desfase curricular claro que les acerque a este nivel, a aquellos que presentan especiales dificultades y, en

definitiva, a todos aquellos alumnos que por una u otra circunstancia requieren un Refuerzo de Lengua y Literatura de 1o de ESO. Sin duda, se observará que el material propone un nivel considerablemente elevado. La razón es no perder de vista el objetivo básico de situar al alumno en el mismo nivel de competencias que sus compañeros del grupo de referencia, lo que sin duda no se conseguiría centrándose únicamente en contenidos correspondientes a

niveles inferiores.

If you want to know how to capture, and then make friends with an anteater, an electric eel, or a porcupine or a boa-constrictor, this is your book. When Gerald Durrell goes wild-animal hunting he takes interest and affection along with his nets and traps. And his captives enjoy luxury treatment as he discovers

how to feed and train them and prepare them for display in the zoos to which they are destined. This is a fascinating book, for the reader is let into many secrets of the animal hunter's trade, as well as being introduced to a variety of charming and curious animals such as capybaras, hoatzins, and tucotucos, not to mention a tame curassow called Cuthbert.
