Tony Robbins' Awaken the Giant Within Summary and Analysis Free Press

AWAKEN the SLEEPING GIANT is a fun, lighthearted adventure. A story of Self-Discovery. We were all born into Royalty. Divinity is our birthright. It's time to reclaim our power! Although I am optimistic in these turbulent times, I feel a sense of urgency. We need more awakened beings on this planet now! AWAKEN the SLEEPING GIANT is a call to action. A call to rediscover our connection. When we remember our oneness, love will replace hate. When we can see ourselves in the eyes of another, peace will soon follow. 100% of eBook proceeds benefit water.org

Awakening the Giant Within Simon and Schuster

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. *By reading this summary, you will learn that it is possible to make lasting changes in your life and achieve stable and constant happiness. *You will also learn : that humans are conditioned by a system that influences their destiny; that each element that makes up this system can be both energizing and limiting; that it is possible to take control of this system in order to become master of one's destiny; that it is possible and even necessary to set up a strategy to access happiness. *Most people become overwhelmed by their emotions and can no longer cope with their problems. They desire happiness, but it seems inaccessible to them because they are unable to make the necessary changes in their lives to achieve it. Anthony Robbins, Motivational Coach, gives you simple ways to overcome difficulties and overcome them to live a lasting happiness. Don't let your emotions dictate their laws, learn how to control them by implementing effective strategies. Each individual is special and has a destiny to fulfill, the outcome of which can only be happiness. It's up to you to discover what you do best in your life that could make the world a better place. *Buy now the summary of this book for the modest price of a cup of coffee!

Accelerating Your Journey to Financial Freedom Createspace Independent Publishing Platform

DESCRIPTION OF THE ORIGINAL BOOK: In this book, Anthony Robbins develops the complex task of analysing how the mind and body work, with the purpose of teaching people how they must behave to take full control of their lives. Through excellent advice, you will comprehend how emotions control our life and how thoughts work, for you to understand, from that analysis, the

path to achieve your own goals and attain a fulfilling life. Anthony Robbins is a life coach. Psychologists, inspiring and motivational speaker with a passion for helping people to live better, he has spread his wisdom on numerous works. They have all achieved an extraordinary success y has brought him a large group of followers that learn precious teachings from his seminars and his books, which he has generously given. Anthony Robbins has witnessed, in his work in hospitals and his own consultation office, of the unhappiness many people endure for whom life proceeds without purpose or success. Those people are waiting for life to give them, and then they complain about the results. This book is especially written for those people, with the purpose of showing them that they can take control of the process of their own lives. *The Path* Createspace Independent Publishing Platform Every organization faces challenges and hardships. *The Only Leadership Book You'll Ever Need* teaches leaders how to overcome their most difficult obstacle: employee engagement. By pinpointing specific areas leaders can focus on and change, this book shows how one leader can effectively change the entire workplace environment-- for the better. Topics addressed include: The 10 Keys to Workplace Excellence. The 11 Stupid Things Managers Do to Mess Up Workplace Excellence. 76 Strategies to Effectively Lead and Engage Employees. Timely and accessible, *The Only Leadership Book You'll Ever Need* is an essential book for every executive and manager.

Summary McGraw Hill Professional

Success is attainment, without regard to the things attained. Success is essentially the same in all cases; the difference is in

the things the successful people want, but not in the success. Success is essentially the same, whether it results in the attainment of health, wealth, development or position; success is attainment, without regard to the things attained. And it is a law in nature that like causes always produce like effects. You will learn many of the hidden secrets of Prof. Wattles and the art and science of success in this book.

The Subtle Art of Not Giving A F**k: A Counterintuitive Approach to Living A Good Life by Mark Manson Book Summary Readtrepreneur (Disclaimer: This is NOT the original book. If you're looking for the original book, search this link <http://amzn.to/2uzu0XI>) Many of us are bombarded by society's standards, telling us who we should be, and how we should be like. This book *The Subtle Art of Not Giving a Fuck* teaches us how to let go of things that do not define nor matter to us, and only give a f**k about the things that truly matter, which will make us happy individuals in the long run. (Note: This summary is wholly written and published by readtrepreneur.com It is not affiliated with the original author in any way) "Maturity is what happens when one learns to only give a f**k about what's truly f**kworthy." - Mark Manson Many a times, we are hesitant to reject requests from others and often end up in a situation that we never wanted to be in the first place, helping other people at the expense of ourselves. *The Subtle Art of Not Giving a F**k* reminds us that we all have choices, and we must choose what we want to care about. Death is inevitable and our time on earth is limited. We choose how we want to spend it; on f**kworthy or non-f**kworthy things? P.S. Gain a totally unique perspective towards life as you learn to live a fulfilling life which you will enjoy P.P.S. This is a ZERO-RISK investment. How to Build Organizations Where Employees Love to Come to Work Red Wheel/Weiser

Wake up and take control of your life! This is a Summary of Tony Robbins' Awaken the Giant Within How to Take Immediate Control of Your Mental, Emotional, Physical and Financial Destiny! Tony Robbins is a bestselling author, and the nation's leader in the science of peak performance. With his book he shares his most effective strategies and techniques for mastering your emotions, your body, your relationships, your finances, and your life. This summary is aimed for those who want to capture the gist of the book but don't have the current time to devour all 350 pages. You get the main summary along with all of the benefits and lessons the actual book has to offer. Ask any person and you're bound to get the same answer, every individual has a dream. Every person dreams of achieving his or her ambitions, whether it's now or in the future. At some point, all people wonder what they could do with their lives. Even if they don't say it out loud, most people have a vision of sorts for the type of life they desire. However, only a few individuals manage to make their dreams come true. Everyday problems and struggles often distract people, obscuring and ultimately pushing their dreams and ambitions at the bottom of their to-do list. Over time, the same dreams become relegated to the world of fantasy and eventually the once vivid dream becomes something impossible to obtain. Available in a variety of formats, this summary is aimed for those who want to capture the gist of the book but don't have the current time to devour all 544 pages. You get the main summary along with all of the benefits and lessons the actual book has to offer. This is a summary that is not intended to be used without reference to the original book.

The Only Difference Between Success and Failure Simon and Schuster

Giant Steps Shortcut Edition

Human beings are primates, and primates are political animals. Our brains, therefore, are designed not just to hunt and gather, but also to help us get ahead socially, often via deception and self-deception. But while we may be self-interested schemers, we benefit by pretending otherwise. The less we know about our own ugly motives, the better - and thus we don't like to talk or even think about the extent of our selfishness. This is "the elephant in the brain." Such an introspective taboo makes it hard for us to think clearly about our nature and the explanations for our behavior. The aim of this book, then, is to confront our hidden motives directly - to track down the darker, unexamined corners of our psyches and blast them with floodlights. Then, once everything is clearly visible, we can work to better understand ourselves: Why do we laugh? Why are artists sexy? Why do we brag about travel? Why do we prefer to speak rather than listen? Our unconscious motives drive more than just our private behavior; they also infect our venerated social institutions such as Art, School, Charity, Medicine, Politics, and Religion. In fact, these institutions are in many ways designed to accommodate our hidden motives, to serve covert agendas alongside their "official" ones. The existence of big hidden motives can upend the usual political debates, leading one to question the legitimacy of these social institutions, and of standard policies designed to favor or discourage them. You won't see yourself - or the world - the same after confronting the elephant in the brain.

Hidden Motives in Everyday Life GENERAL PRESS

Summary of Awaken the Giant Within "Most people fail in life simply because they major in minor things." "Any time you sincerely want to make a change, the first thing you must do is to raise your standards. When people ask me what really changed my life eight years ago, I tell them that absolutely the most important thing was changing what I demanded of myself. I wrote down all the things I would no longer accept in my life, all the things I would no longer tolerate, and all the things that I aspired to becoming." "You see, in life, lots of people know what to do, but few people actually do what they know. Knowing is not

enough! You must take action." "Once you have mastered time, you will understand how true it is that most people overestimate what they can accomplish in a year—and underestimate what they can achieve in a decade!" How to create lasting change: Raise your standards Change your limiting beliefs Change your strategy Here is a Preview of What You Will Get: A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book.

Notes from a Friend Awaken The Giant Within

Minimalism is the thing that gets us past the things so we can make room for life's most important things—which actually aren't things at all. At age 30, best friends Joshua Fields Millburn & Ryan Nicodemus walked away from their six-figure corporate careers, jettisoned most of their material possessions, and started focusing on what's truly important. In their debut book, Joshua & Ryan, authors of the popular website The Minimalists, explore their troubled pasts and descent into depression. Though they had achieved the American Dream, they worked ridiculous hours, wastefully spent money, and lived paycheck to paycheck. Instead of discovering their passions, they pacified themselves with ephemeral indulgences—which only led to more debt, depression, and discontent. After a pair of life-changing events, Joshua & Ryan discovered minimalism, allowing them to eliminate their excess material things so they could focus on life's most important "things": health, relationships, passion, growth, and contribution. *Review and Analysis of Robbins' Book* John Wiley & Sons 'Tony's incredible understanding of the world, people and human nature make him the ultimate like coach. He knows what it takes to make people excel... and win!' - Andre Agassi 'Robbins is a mass of walking energy and passion.' - Time Out Are you in charge of your life? Or are you being swept away by things that are seemingly out of your control? In AWAKEN THE GIANT WITHIN, Anthony Robbins, the bestselling author of UNLIMITED POWER, shows the reader how to take immediate control of their mental, emotional, physical and financial destiny. Further praise for Tony Robbins:- 'A fascinating, intriguing presentation of cutting-edge findings and insights... including the growing consciousness that true success is anchored in enduring values and service to other.' - Stephen R. Covey, Author of The 7 Habits of Highly Effective People
