You Don't Have to Be

Perfect to Serve God. It isn't always easy to serve our God in a culture that is alternately ambivalent and hostile toward him, especially when we ourselves are so flawed. We're not the first ones to face this challenge. In fact, Elijah--one of the most important prophets in history--faced the same

struggle. Although he was outnumbered, misunderstood, insecure, and often fearful, he found power in obedience and prayer--and you can, too. Discover how you can obey and follow God even with your weaknesses in Elijah: Obedience in a Threatening World. 10 studies for individuals or

groups.

Elijah Vindicated Shaw
Books

This study of William Marrison Branham's ministry reveals much about the healing methodology of deliverance evangelists. Branham's theology of healing highlights the widely accepted role of evangelists as mediators between God and the afflicted. The dynamic growth of Pentecostalism in the twentieth century is a major feature of the modern religious scene. Branham is acknowledged

as a leader of the healing revival movement.

Although little known outside of the Pentecostal movement, his work had tremendous influence on today's televangelists and the whole of Pentecostalism itself.

Encyclopedia of Protestantism Mercer University Press

Suddenly we heard the sound of an engine, or engines, in the sky. We looked up and saw a small aircraft. I still recollect the look on his face when he heard, and then saw the plane. I immediately

pointed to the plane, and addressing him by name said: Tullie! That is my death. Save yourself ! He hesitated, and I reached to push him out of the van. He moved before my hand reached him. At this time, I looked up to the plane and said, God, if you ready for me, I ready for you. Im not scared. For thousands of years the world has looked for me. Many men have claimed to be me. Even more people have said that others were, or are me, so I am inviting you to read and see for yourselves.

Then you might know:
This is of a truth that
prophet that should come
into the world. St John 6:
14

Notes On William

Branham Chalice Press
When Reverend William
Branham prophesied of
God's blessing of
Reverend Jim Jones
ministry during a joint
Latter Rain healing
campaign in Indianapolis,
Indiana, he had no idea
what he had started. As
Jones took his place in line
as a "Malachi 4 Elijah
Prophet," a deadly chain
reaction ended in the

deaths of over 900 people
during what would
become known as the
Jonestown Massacre. Did
this chain reaction start
with William Branham's
call for an Exodus during
his time in the ministry
with Jim Jones? Historical
data that has now been
made available to the
public might hold the
answers.

*Testimony to Otherwise:
the Witness of Elijah* Wipf
and Stock Publishers
Who was William
Branham (1909-1965) and
what were his claims? He
was an American pastor

and evangelist credited
for spearheading the post
World War II healing
revivals of the 1940s and
50s. In the 1960s, he
began to view himself as
Elijah the prophet of
Malachi 4:5-6, who
restores the elect to the
word of God as a
forerunner of Christ's
return; the seventh angel
messenger of Revelation
3:14 and 10:7, who
reveals every hidden
mystery of the Bible in the
end time; and the
fulfillment of the Son of
man ministry of Luke
17:30, who reveals Christ

to the last generation as a prophet. He also believed his message was the "shout" of Christ's second coming in 1 Thessalonians 4:16. Currently, an estimated two million people believe Branham's claims. Nonetheless, this full-sized book of 17 chapters and 320 pages challenges his claims and teachings from an insider's perspective through an eight months investigative research. In doing so, the author provides a convincing compilation of more than 3,000 excerpts, credible

references, official documents, archived newspaper articles, historical facts, and insightful scriptures. This compilation uncovers wide-ranging plagiarisms, disproven and embellished supernatural vindications, failed visions, failed prophecies, failed "Thus saith the Lord," failed predictions, and vast unscriptural doctrinal errors. Among Branham's most celebrated claims, the revealing of the seven seals in the book of Revelation are considered

the pinnacle of his teachings. He supposedly did what the Old Testament prophets, New Testament apostles, church reformers, or any other clergy throughout history had never achieved. He claimed that seven angels revealed these hidden mysteries. However, this timely book examines, diligently compares, and provides nearly 100 pages of evidences that suggest Branham almost certainly got his understanding of the seven seals and 20 other significant

revelatory teachings-- supposedly revealed by God--from several well-known biblical writers of the past. These teachings include the seven church ages and messengers, seventh angel of Revelation 3:14 and 10:7, two comings of Elijah, the beast of Revelation 13, Mystery Babylon and daughters; the image, mark, and number of the beast; United States in prophecy, Daniel's seventy weeks, historical applications of four beasts, Godhead doctrines, serpent seed,

water baptism, and several more. The authors of these commentaries and books are mostly Clarence Larkin (1850-1924), a very distinguished and knowledgeable Bible teacher; Uriah Smith (1832-1903), an educator and theologian of the Seventh Day Adventist; Charles Taze Russell (1852-1916), a restorationist and founder of a movement that later became the Jehovah's Witnesses organization; John Gill (1697-1771), a noted biblical scholar and

theologian; and Albert Barnes (1798-1870), a noted theologian. We shall also consider other noted biblical scholars of the same eras (e.g. Cyrus Scofield and Henry Halley). Moreover, this research provides extensive scriptural evidences uncovering vast errors in Branham's teachings, including a false gospel of salvation. How? During the latter years, Branham believed his message was necessary or the evidence for salvation, the Holy Spirit baptism, the new

birth, and rapture to heaven; rather than the gospel of Christ preached by the apostles. This book also examines the inaccuracies and repeated revisions in Branham's visions of 1933, whereby God allegedly revealed seven major events that would transpire before Christ's return in 1977. This research pinpoints developing historical trends and occurrences between the 1920s and 1960s that possibly influenced those seven prophecies and revisions. The final updated version

of these visions appears in his 1965 book on the seven church ages, where the obvious errors from earlier sermons had been cleverly removed. Thus, when facts are weighed, Branham's teachings and claims are conclusively proven wrong. Exorcism and Deliverance Ministry in the Twentieth Century AuthorHouse For 457 years the Prophet Nostradamus has been a MYSTERY. Hidden in dark speech he was misunderstood and rejected by the Protestant Christian Church,

forbidden to be read by the Catholic Church, and totally discredited by psychics and worldly interpreters as being in the Occult. However, it was the occult interpreters that were instrumental in keeping his work alive and mysterious. Written from a Christian perspective, many questions about this mysterious man Nostradamus, and why his work has endured so long are answered in this book. Reverend Sunday has discovered the secrets and the intentions of his

lives work, and you will be amazed to find out WHO Nostradamus really was. If you are curious about Planet X-Wormwood, then you will find out how that ties into these hidden revelations. There always comes a time when hidden things are revealed to a Prophet. (Daniel 2:22; Amos 3:7.) The second Prophet, William Branham, was way ahead of his time in his understanding of supernatural phenomenon; and his revelations on the Book of Genesis regarding the

apple and its sexual connotations lost him favor with the approved church then, and now. Prophets are rarely understood in their own age. These TWO PROPHETS were brought together to this unknown Sophe/Scribe chosen to disclose the hidden, amazing information, and revelation for our day...To GOD be the GLORY. Prepare the way for the Lord.

Elijah the Tishbite

Whitaker House
This study seeks to demonstrate that

exorcism/deliverance ministry is an innately enthusiastic practice utilizing John Knox's classic study of Christian enthusiasm. The twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from its infancy during the early decades, through its heyday in the 1970s and 80s, on to creeping routinisation by the end of the century. Two enthusiastic settings, Charismatic and Evangelical

Fundamentalist, are identified and examined as the environment in which two related streams of exorcism/deliverance ministry was practiced. Finally, enthusiastic Sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism/deliverance ministry. Attention is paid to historical factors within the Charismatic and Evangelical Fundamentalist streams

that underlie the development of this rite. As a result important secondary insights are gained into the tidal nature of enthusiastic movements, the role of itinerant preachers in the propagation of enthusiasm, the routinisation of enthusiastic practices and the manner in which enthusiasm overcomes institutional denominational boundaries. The study provides the foundation for future investigation of the manner in which

enthusiastic experience is presented for apologetic purposes, the relationship between exorcism/deliverance ministry and millenarianism and the practice of this rite within non-Western churches. Elijah Worthy Books Joel Rufus Moseley (1870-1954) is one of the forgotten twentieth-century champions of American Pentecostalism. A brilliant scholar and university professor, he left the accolades of academia and searched a number of spiritual paths

until he embraced Pentecostalism in 1910. Thereafter he began a lay ministry to the down-and-outs of society, openly campaigning against capital punishment, for racial desegregation, and above all else for living a life in the Holy Spirit he described as "Life as Love." He blazed a path that was to influence (and confound) many Pentecostal leaders of his time, provided an example to those who would lead what become known as the Charismatic Renewal, and enjoyed a

life of joy one rarely encounters. A contemporary version of St. Francis of Assisi, Rufus Moseley shunned position, power, politics, religious titles, and seeking after wealth in favor of following simplicity and depth of spiritual life. Like his thirteenth-century counterpart, he lived a life of gratitude, of "littleness," and above all, love. Moseley offers encouragement as well as reproof to the contemporary charismatic movement to again seek the simplicity that is in

Christ.
Elijah's Revolution Destiny Image Publishers
.From one generation to another, the servants of the Lord have sought to edify their fellow-believers by commenting on the Old Testament narrative. In such ministries expositions of the life of Elijah have always been prominent. His sudden appearance out of complete obscurity, his dramatic interventions in the national history of Israel, his miracles, his departure from earth in a chariot of fire, all serve to

captivate the thought of preacher and writer alike. The New Testament sustains this interest. If Christ Jesus is the Prophet "like unto Moses," Elijah, too, has his New Testament counterpart in John-the greatest of the prophets. And even more remarkably, Elijah himself in living person reappears to view when, with Moses, he stands on the mount of "the excellent glory," "to speak of the strife that won our life with the incarnate Son of God." [Elijah Lulu.com](http://ElijahLulu.com)
 In sharp distinction to the

colorfully clad false prophets of Elijah's day, like John the Baptist after him, Elijah stood out singularly and strangely-a different kind of messenger with a different kind of message, wearing a different kind of mantle. Elijah's mantle was not the colorfully embroidered garments of the wealthy, much less the elegant robe of royalty, nor even the typical garment of the average man; neither was Elijah's mantle the soft clothing of false prophets, those reeds forever

shaking in the capricious winds of popular doctrine. No, Elijah's mantle was the rough and rare garment of the Divinely-called prophet. Let the true sons of Elijah take heart with Elisha, for God has sovereignly chosen to leave the mantle of Elijah upon the earth, even upon the shoulders of men with like passions as Elijah, men of frailties and fear, failures and foibles, but also men of power through the amplitude of Elijah's mantle. If we would rightly claim the mantle of Elijah, we must

wear it as he wore it, our ministries attesting to the same Divine power that the mantle invested upon Elijah our forerunner. So let us ask ourselves: If Elijah's mantle signifies his singular, unique, and divine authority as a God-called preacher, what is the fabric of such a mantle and of such a preacher, and, most importantly, has the mantle of Elijah fallen upon us, and are its threads woven into our ministries? If we would bear Elijah's name and wear Elijah's mantle, we

must serve Elijah's God; like the rugged prophet, we must be "very jealous for Jehovah, the God of Israel"; otherwise, no matter how we may array ourselves, we cannot claim Elijah's mantle if we do not proclaim this one truth, the very essence of Elijah's name and the very fabric of his mantle- Jehovah is God. Let us not claim Elijah's mantle if we deny Elijah's God. The Life of Elijah Wipf and Stock Publishers William Branham (1909-1965) was an American pastor and

evangelist credited for spearheading the post World War II healing revivals of the 1940s and 50s. In the 1960s, he began to view himself as Elijah the prophet of Malachi 4:5-6, who restores the elect to the original word of God; the seventh angel messenger of Revelation 3:14 and 10:7, who reveals every hidden mysteries of the Bible; and the fulfillment of the Son of man ministry of Luke 17:30, who reveals Christ to the last generation as a prophet. He also believed his

message was the "shout" of Christ's second coming in 1 Thessalonians 4:16. In today's world, an estimated two (2) million people believe Branham's claims. They trustingly accept everything he says in over 1100 recorded sermons and books as truth and facts without having ever conducted a critical independent research. As a result, they are mostly clueless, misinformed, or willingly ignorant regarding the serious errors and discrepancies that surround this man upon

whom they have entrusted their eternal destiny. In this 8.5" x 11" book of 17 chapters and 336 pages, the author challenges the status quo from an insider's perspective through an eight (8) months investigative research regarding the claims and teachings of William Branham. In doing so, he provides a convincing compilation of more than 3,000 excerpts, credible references, official documents, archived newspaper articles, historical facts, and

scriptures that uncover deliberate plagiarisms, disproven supernatural vindications, failed visions, failed prophecies, failed "Thus saith the Lord," failed predictions, and unscriptural doctrinal errors. Among Minister Branham's most celebrated work, the alleged revelation of the seven sealed book in Revelation 5:1 are considered to be the pinnacle of his teachings that sets him apart from every past, present, and future ministries. Nonetheless, this timely

book examines, diligently compares, and provide ninety-nine pages of evidences that suggest Branham almost certainly got his understanding of the seven seals, seven church ages, and nineteen other significant revelatory teachings-- supposedly revealed by God--from several well-known biblical writers of the past.

Come Out Of Her My People

BoD - Books on Demand

This is a series of expositions of most of the passages in the first and

second books of Kings which give the history of the two prophets, Elijah and Elisha. Some of these stories are among the most vivid and memorable in the Old Testament, and have never failed to prove themselves relevant and challenging in the preaching of the church. Others of them present what to many are the most difficult moral and intellectual problems both for the preacher and the listener.

The Sixty-Seventh Book of the Holy Bible by Elijah

the Prophet as God Promised from the Book of Malachi. Lulu.com

BOOK FOUR: THE EVANGELIST AND HIS ACCLAMATION

(1951-1954)William

Branham is a paradox in modern history. Beginning in 1946 his ministry leaped from obscurity to gain national attention in less than six months, and in the process it sparked a worldwide faith-healing revival. He accomplished this feat with he help of a unique gift - a supernatural sign that startled people into taking

notice. Soon Christians around the world were noticing. Between 1951 and 1954, William Branham conducted the largest Christian meetings in history up to that time - around 300,000 people at one meeting in Bombay, India. The demand for his services in American and abroad seemed insatiable. But William Branham wasn't satisfied. Something seemed wrong. For a long time he didn't know what it was, but by the end of 1954 he knew. His ministry would have to change. BOOK

FIVE: THE TEACHER AND HIS REJECTION (1955-1960) William Branham's international ministry had three main stages. First, he discerned diseases through a supernatural sign in his hand. Later, visions allowed him to discern sickness and more. Between 1946 and 1954, over 500,000 people accepted Jesus Christ as their Savior because of his preaching - and there was no way to estimate how many millions received healing because of his prayers. Discerning that

the people were not accepting the spiritual depths and heights that God's Word and Spirit was offering unto them, William Branham felt the Spirit of God was calling him to do more. He knew that people came to his meetings for many reasons. Some people came because they believed the Spirit of Jesus Christ was present. Others came for the novelty and excitement of it, just as when people flocked to see Jesus healing the sick and multiplying wine, bread, and fish. But, it

was the teachings of Jesus that changed the history of the world. William Branham felt that God was calling him to teach more during his faith-healing campaigns. He believed his ministry could make a lasting, beneficial contribution to the Christian church. Starting in 1955, he not only taught Divine healing, but he also taught other aspects of God's Word. God gave him a vision of a new stage to his ministry - a "third pull" (to use the angel's words) - which

would surpass everything God had done through him in the past. Inevitably, he offended some people. Elijah the Tishbite Infobase Publishing This provocative new book provides the truth and perspective needed to remind us of how high the stakes can be when we get the Bible wrong. Throughout history and around the world, people have made bizarre or dangerous claims in the name of God. They continue to do so today, citing biblical passages

out of context or inappropriately. Doing so has led to a wide range of disasters, from executing other Christians for theological differences, to wild activities in the name of evangelism, and more. Is the Bible at Fault? examines these historical errors, problematic biblical interpretations, and tragedies to reveal how and why the Bible has been misused to justify and rationalize profound acts of persecution, destruction, violence, human rights abuse, and downright

strange behavior. Is the Bible at Fault? explores twelve different cases of abhorrent behavior in the name of Scripture. These terrible, destructive movements have led people astray, brought irreparable spiritual and emotional harm, and even cost countless people their lives. The members of the Ku Klux Klan had no doubt that their actions were justified in the eyes of God. The murderous armies of the Fourth Crusade rationalized slaying other Christians in the name of the church.

Detroit's Prophet Jones locked his followers in all-night revival meetings and often wouldn't let them out until they made financial contributions to the cause -- the cause being his lavish lifestyle. Some Christian missionaries not only condoned the wholesale slaughter of Australia's native Aborigines people, they participated in it -- with a clean conscience. These are real, historical people and events, and we'll explore every one of them and more in these pages.

Investigating William

Branham Lulu.com

Author Charles Paisley is formerly associate pastor the second oldest Message church in the world. Faith Assembly Church was the original sister church to the Branham Tabernacle and home to many of William Branham's oldest friends and family. The Message is the worldwide cult following of the late evangelist William M. Branham. While many biographies of Branham this is the first history of the The Message, its

community, and its teachings ever put into print. The Message did not appear in a vacuum. The ideology of The Message is merely a continuation and evolution of ideas which came before. What were they? Where did they come from? Are the sources reputable? There is a lot of biographical information about William Branham available, but there is little which explains the origins and development of The Message as both a community. This book

also explores the development of the early Message as a community of people.
Elijah, the Desert Prophet
 WestBow Press
 An illustrated A to Z reference containing over 600 entries providing information on the theology, people, historical events, institutions and movements related to Protestantism.
Nostradamus, Branham and the Little Book:
 iUniverse
 Revelation 10:9 And I went unto the angel, and

said unto him, Give me the little book. And he said unto me, Take it, and eat it up; and it shall make thy belly bitter, but it shall be in thy mouth sweet as honey.
 Revelation 10:10 And I took the little book out of the angels hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter. Here is the mystery of God, where He will train an angel to write about the seven thunders in modern times or fear. Fear is the beginning of all

wisdom (knowledge), yet we have to reach for, there is nothing to fear but fear itself. How can a book result in my mouth sweet as honey when I speak and my belly was bitter as I tried to swallow my pride and the wisdom made me sicken? He told us to eat of the book as He has told us to eat of His body. A location that does not teach fear is not a valid church location, since fear is the beginning of all wisdom (knowledge). Malachi 3:1 Behold, I will send my messenger, and he shall

prepare the way before me: and the LORD, whom ye seek, shall suddenly come to his temple, even the messenger of the covenant, whom ye delight in: behold, he shall come, saith the LORD of hosts. Malachi 3:2 But who may abide the day of his coming? and who shall stand when he appeareth? for he is like a refiners fire, and like fullers soap. Malachi 3:3 And he shall sit as a refiner and purifier of silver: and he shall purify the sons of Levi, and purge them as gold and

silver, that they may offer unto the LORD an offering in righteousness.

The Healer-prophet

Wipf and Stock Publishers Roberts Liardon chronicles the lives and legacies of men and women who were empowered by the Holy Spirit to bring worldwide revivals.

Elijah and Elisha

AuthorHouse

William Branham taught a ministry with a focal point of Elijah, the Old Testament prophet that God sent to Ahab and Jezebel to condemn them for bringing idolatry to the

children of Israel. He claimed to be a reincarnation of that same spirit of Elijah using a reference to Malachi 4, applying the scripture to himself. This book examines the Elijah of the Old Testament and compares it to the William Branham of the 40's, 50's, and 60's. It will walk you through Branham's teachings on Jezebel and her sin, comparing it to what the scriptures and recorded history say.

Elijah the Tishbite.

Transl Destiny Image Publishers

In Jennifer LeClaire's bestselling book, *Discerning Prophetic Witchcraft*, you learned how to identify false prophecies and spiritual manipulation. Now, it's time to go on the offense. It's time to expose these prophetic wolves in sheep's clothing before they sabotage your destiny. False prophets are arising at an alarming rate in these last days, as Jesus told us they would. Too often, believers are deceived and their lives ruined by prophetic witchcraft—messages and

messengers that sound spiritually appealing but are actually destructive weapons of the devil. Only when prophetic witchcraft is exposed, can we resist it and help others avoid satan's snares. In *Exposing Prophetic Witchcraft*, author and seasoned spiritual warfare leader Jennifer LeClaire offers sound instruction on how to further shine light on the mixture and deception that are prevalent in the Church today. Through her personal life experiences and helping others

navigate these difficult lessons of discerning and exposing false prophets and manipulators, Jennifer teaches you to expose: 13 Symptoms of prophetic witchcraft alignments. Counterfeit Christs and Elijahs claiming to be prophetic voices. False Dreams, Visions, and Angelic Encounters that

sound spiritual, but are actually evil. Scripture-Twisting and Manipulation where false prophets use the Bible to advance their own carnal agendas or heretical theology. 17 Signs That You May be Under a Witchcraft Attack. 6 Ways to Recognize a Demonic "Night-Attack"

through nightmares, sleep paralysis, and other sleep-related spiritual maladies. How and when to confront prophetic manipulators. Jennifer's insightful teaching will instruct and challenge you to connect with the Lord on a deeper level, and help you recognize and expose the works of darkness!
