### Dragons Do It Dirtier Penguin

One last chance to end the suffering, Sophia and her mates risk it all! After learning of the existence of her half-sister, Sophia had to rethink her whole life, who she is and wants to be. Leading to her finally taking the antidote against the anti-shifting elixir and connecting with the dragon inside her. Now Sophia and her hoard are ready for the final step, find the research centre hidden in the mountains, free the missing earth dragons and take out anyone who stands in their way. The plan is as effective as it's simple. But when they arrive at the research centre, things don't exactly go as planned. The handful of guards outside the place are easy enough to take down, but when they're about to enter the building, they realise they've walked right into a trap. A trap meant to catch them and take them out so that the renegade fae can take over the area. Can they survive, or will this be the end of their journey? This is the sixth and final novella in the Guarding Their Dragon Mate serial, a six episodes long reverse harem

#WhyChoose story. This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story takes place in the same world as the Lughnasadh Elite Academy and happens after the events from the other series. Both series can be read stand-alone, they are about different characters, but they are connected.

### **The Christmas Dragon's Mate** Alisa Woods

One look at April, and Callan's protective instinct goes into overdrive. He vows to do whatever it takes to save her, but he's drastically outnumbered,

and the dragons are all too aware of his useless wings and dwindling strength. April's captors aren't going to let her go without a fight. But they hadn't reckoned on the power of a fated match between a smart, resourceful human and a secret dragon prince. Will April's belief in Callan's mighty heart be enough to save them both? JESSE Being hunted is nothing new for me. Taunting fate is. No one's hotter than a dragon shifter, and the one whose house I'm about to break into is no exception. From his picture, he's gorgeous, ripped, and ready for action. Too bad getting marked by a dragon shifter would destroy my life. After an altercation with the vicious leader of the biker dragons in my hometown, I'm on the run like never before. I'm so desperate I'm heading straight into a billionaire dragon's lair to steal the one thing that could save me. Too bad I get caught. Nik Adamik lights my body on fire like no one ever has, but beneath the expensive suit and hard body, he's no prince. He's another beast who wants to claim me. If I let that happen it'll cost me the only family I've got left. That's why fate can't have me, and neither can an East Coast dragon. NIK She's trouble is my first thought when the sexy thief claims she's got amnesia right after I catch her trying to take a dangerous artifact. Normally, no one steals a dragon's treasure and lives. But from the first taste, I recognize her as the most valuable treasure there is—a fated mate. I can't let her escape, but she resists our connection, no matter how hot and intense it becomes. Even with enemies hunting her, she tries to run. But no one outruns a dragon for long. Keywords: Protective Hero, KA heroine, alpha male, billionaire, action-adventure, romantic suspense, steamy scenes, rejected mates

Kal needs to find his mate before his dragon's magic consumes him. He might have infinite cosmic powers, but he also has a soul that can't control the power of the universe. Not without Her. Maddie might be the right witch for him, except the fact she just cursed him to be a chicken. What the hell kind of planet is this anyway?

**Their Runaway Mate** Entangled: Amara

When nobody else had faith in her, he did. Deputy Carla Frazer has been looking for a bust that will get her promoted for years. Now she has it. Catching a member of The Five red-handed should be more than enough, despite the hatred the fop of a Sheriff holds for her. Now, all she has to do is prove his guilt. His good looks, endless money and disarming charm won't be enough to save him from jail time. Not on her watch. Pace Aterna is more of a numbers sort of guy-well, dragon. That's why he was put in charge of Clan Aterna's bank accounts. All of them. So when someone tries to steal them from right under his nose, he's the logical choice to hunt them down and bring them to justice. Dragon-style justice, not human. Now, all he has to do is find the culprit. For that though, he's going to need help. Her help. Human help. Carla is ready to take him in, but her boss has ordered her

to drop the case. Something smells fishy, and the only place she's going to get answers...is from her prime suspect. What Carla expected to find was a seedy criminal underworld that she could take down. Instead, she's got a hunky dragon shifter trying to claim her, a dead body, and a whole world of paranormal trouble doing its very best to kill her. But to get to Carla, they're going to have to go through Pace first. It's time this number-cruncher shows his enemies that his fire burns just as hot as that of his brothers. Because nothing will stop him from being there when his mate needs him most.
