Oxford Guide to English Grammar Barron's Educational Series

A Streetcar Named Desire shows a turbulent confrontation between traditional values in the American South - an old-world graciousness and beauty running decoratively to seed - set against the rough-edged, aggressive materialism of the new world. Through the vividly characterised figures of Southern belle Blanche Dubois, seeking refuge from physical ugliness in decayed gentility, and her brutal brother-in-law Stanley Kowalski, Tennessee Williams dramatises his sense of the South's past as still active and often destructive in modern America. This revised edition features a new production history of the play that considers both stage and screen presentations, an updated bibliography and extensive notes on the language of the play. Commentary and notes by Patricia Hern and Michael Hooper.

COLORA E IMPARA L'ITALIANO - I VERBI IRREGOLARI - Libro Da Colorare Loompanics Unlimited

Is conversational Spanish turning a little too tricky for you? Do you have no idea on how to order a meal or book a room at a hotel? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's even been something tougher than learning the grammar rules of a new language, it's finding the way to speak with other people in that tongue. Any student knows this - we can try our best at practicing, but you always want to avoid making embarrassing mistakes or not getting your message through correctly. 'How do I get out of this situation?' many students ask themselves, to no avail, but no answer is forthcoming. Until now. We have compiled MORE THAN ONE HUNDRED Spanish Stories for Beginners along with their translations, allowing new Spanish speakers to have the necessary tools to begin studying how to set a meeting, rent a car or tell a doctor that they don't feel well! We're not wasting time here with conversations that don't go anywhere: if you want to know how to solve problems (while learning a ton of Spanish along the way, obviously), this book is for you! How Conversational Spanish Dialogues works: Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life. A Spanish version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying! Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational Spanish book once you have begun reading and studying this one! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Conversational Spanish Dialogues and start learning Spanish right now!

Impara l'italiano in modo spontaneo Il corso di lingua "Italiano Spontaneo" si basa su un semplice e sicuro metodo di apprendimento chiamato "metodo tartaruga", un insieme di tecniche che porta lo studente ad imparare una lingua straniera in modo "lento" ma "sicuro". È basato sulle teorie del Professor Stephen Krashen della University of Southern California e consiste principalmente nell'ascolto e nella ripetizione di un input linguistico comprensibile, in un ambiente senza stress. Questo metodo ti porterà a parlare l'italiano in modo spontaneo, senza pensare alla grammatica e senza tradurre nella mente. In poche settimane ti stupirai dei tuoi progressi e della facile memorizzazione a lungo termine di frasi e vocaboli. In tre mesi, quando avrai terminato il terzo livello, saprai perfettamente moltissime nuove parole italiane, i verbi principali al congiuntivo presente e imperfetto e tante espressioni idiomatiche usate nella lingua di tutti i giorni. E soprattutto avrai esercitato giornalmente la pronuncia della lingua italiana, essenziale per una conversazione spontanea. Il volume comprende dodici lezioni, ognuna con una lista delle parole difficili e il loro significato, le trascrizioni dei dialoghi, le tracce audio e le flashcard da ritagliare e da studiare. Italiano Spontaneo è differente dagli altri corsi di lingua perché non promette risultati impossibili in poco tempo, ma proprio il contrario: otterrai risultati sicuri in alcuni mesi di studio giornaliero. Con risultati sicuri intendiamo comprendere e interagire spontaneamente nella conversazione con italiani madrelingua. Scarica un'anteprima gratuita alla pagina

The Oxford Guide to English Grammar is a systematic account of grammatical forms and the way they are used in modern standard English. It is designed for learners at intermediate and advanced levels and for teachers, and is equally suitable for quick reference to details or for the more leisurely study of grammatical topics. The emphasis is on meaning in the choice of grammatical pattern, and on the use of patterns in texts and in conversations.

The Berenstain Bears God Shows the Way Grammatica avanzata della lingua italiana con esercizi Questo libro si rivolge infatti a studenti già in possesso di una buona conoscenza dell'italiano che vogliono perfezionare la loro competenza della lingua (dal livello B1 al livello C1 del Quadro Comune Europeo). Presenta forme, costrutti sintattici, stili di livello medio e avanzato, anche della lingua parlata, molto diffusi ma generalmente poco trattati nei testi d'italiano per stranieri - quando e come usare l'articolo, la posizione dell'aggettivo, l'uso di parole particolari (anzi, magari, mica, addirittura, macché), l'alterazione dei nomi, la concordanza dei tempi e dei modi per rendere il passato, il presente e il futuro, costruzioni atipiche ('far fare'), ecc. Il tutto attraverso schede chiare ed esaurienti, esercizi stimolanti e ricchi di informazioni sulla vita, la società, la cultura italiana e piccoli box con 'dritte', trucchi e segreti per parlar bene. Sono incluse le soluzioni. Grammatica avanzata della lingua italiana con esercizi Grammatica della lingua italiana per stranieri GRAM PRATICA LINGUA ITALIANA Italian A Self-Teaching Guide

In questo libro si affronta lo studio della morfologia, cioè di quella parte della grammatica che analizza e descrive le forme assunte dalle parole di una lingua a seconda della funzione che svolgono e dei significati che rivestono. Le singole parole, insieme ad altre che hanno caratteristiche analoghe, danno vita nella lingua italiana a nove «famiglie» che prendono il nome di «parti del discorso».

This Italian reference grammar provides students, teachers and others interested in the Italian language with a comprehensive, accessible and jargon-free guide to the forms and structure of Italian. Whatever their level of knowledge of the language, learners of Italian will find this book indispensable: it gives clear and detailed explanations of everything from the most elementary facts such as the relation between spelling and pronunciation, or the forms of the article, to more advanced points such as the various nuances of the subjunctive. Formal or archaic discourse is distinguished from informal, everyday usage, and regionalisms are also indicated where appropriate. The authors have taken care to make it an easy and illuminating reference tool: extensive cross-referencing enables readers to quickly find the information they require, and also stimulates them to discover new, related facts.

The inception of the Ghost Dance religion in 1890 marked a critical moment in Lakota history. Yet, because this movement alarmed government officials, culminating in the infamous massacre at Wounded Knee of 250 Lakota men, women, and children, historical accounts have most often described the Ghost Dance from the perspective of the white Americans who opposed it. In *A Whirlwind Passed through Our Country*, historian Rani-Henrik Andersson instead gives Lakotas a sounding board, imparting the multiplicity of Lakota voices on the Ghost Dance at the time. Whereas early accounts treated the Ghost Dance as a military or political movement, *A Whirlwind Passed through Our Country* stresses its peaceful nature and reveals the breadth of Lakota views on the subject. The more than one hundred accounts compiled here show that the movement caused friction within Lakota society even as it spurred genuine religious belief. These accounts, many of them never before translated from the original Lakota or published, demonstrate that the Ghost Dance's message resonated with Lakotas across artificial "progressive" and "nonprogressive" lines. Although the movement was often criticized as backward and disconnected from the harsh realities of Native life, Ghost Dance adherents were in fact seeking new ways to survive, albeit not those that contemporary whites envisioned for them. The Ghost Dance, Andersson suggests, might be better understood as an innovative adaptation by the Lakotas to the difficult situation in which they found themselves—and as a way of finding a path to a better life. By presenting accounts of divergent views among the Lakota people, *A Whirlwind Passed through Our Country* expands the narrative of the Ghost Dance, encouraging more nuanced interpretations of this significant moment in Lakota and American history.
