Frommer's? Caribbean 2009 *Frommers
A comprehensive guide from an expert on the region includes hundreds of lodging, dining, recreational, and cultural recommendations. With the same unerring compass that has come to define the Great Destinations guides, Baker reveals why the Dominican Republic is far and away the most popular destination in the Caribbean. From brilliant green mountains

to pristine white-sand beaches, extraordinary restaurants to luxury resorts, the Dominican Republic is full of surprises. For instance, no other Caribbean isle can compare when it comes to bird- and wildlife-watching: the Dominican Republic teems with exotic birds and reptiles, many of which live nowhere else in the world. With this guide in hand you'll learn where to book the best wildlife tours; where to go to explore the island's ancient history; how to navigate rustic trails and Colonial city streets; where to find the best golfing, water sports, and nightlife—and so

much more. As in all Great Destinations guides, there are more than 100 photographs and detailed maps—everything you need to make the most of your visit.

Santa's First Vegan Christmas Fodor My Sister Who Travels commemorates an exhibition curated by Martina Caruso, a group show that featured the work of six internationally acclaimed contemporary women artists: Noor Abed, Jananne Al-Ani, Halida Boughriet, Ursula Schulz-Dornburg, Corinne Silva, Esther Boise Van Deman, and Paola Yacoub. In her own way, each artist offers a challenge to the canonical representations of landscape photography. Often straying from conventional tropes, the landscapes presented in this lush catalog articulate places of memory, conflict, colonisation, migration, emptiness, and expanse. The book, beautifully designed to look like a travel journal, also features biographies of the artists and an essay by the curator exploring the role of women in lens-based depictions of landscape.

friends, 500 miles, one wheelchair, and the challenge of a lifetime. Friendship takes on new meaning in this true story of Justin and Patrick, born less than two days apart in the same hospital. Best friends their whole lives, they grew up together, went to school together, and were best man in each other's weddings. When Justin was diagnosed with a neuromuscular disease that robbed him of the use of his arms and legs, Patrick was there, helping to feed and care for him in ways he'd never imagined. Determined to live life to the fullest, the friends refused to give into despair or let physical limitations control what was possible for Justin. So when Justin heard about the Camino de Santiago, a 500-mile trek through Spain, he wondered aloud to Patrick whether the two of them could ever do it. Patrick's immediate response was: "I'll push you." *I'll Push You* is the real-life story of this incredible journey. A travel adventure full of love, humor, and spiritual truth, it exemplifies what every friendship is meant to be and shows what it means to never find yourself alone. You'll discover how love and faith can push past all limits—and make us the best versions of ourselves.
