Paraguay is still largely undiscovered by travellers, but those who make their way here are delighted by the country's distinctive culture and strong indigenous features. A bilingual nation, with Guaraní spoken alongside Spanish, its folk-dance tradition is hugely popular among young people; its harp playing is legendary; and Paraguayans are proud of their different handicrafts, particularly their sewing. The country is also home to the historic Jesuit missions, or reductions (as depicted in the film *The Mission*).
Bradt's Paraguay - the only English-language guidebook to this emerging tourism destination - covers the region with unrivalled detail and knowledge. It delves deep into a country that has so far eluded the grasp of mass tourism and where rich indigenous culture and folk traditions still hold strong.

They won the first soccer World Cup. There's a lot of beef raised on the pampa. That's all most people know about Uruguay. **Bradt's Uruguay**, the only dedicated English-language guide to this country that's small yet bursting with character, shows that the adventurous tourist can uncover much more. It provides in-depth coverage of the capital Montevideo, where the colonial Old City is being restored. There's also detailed information on the coastal city of Colonia (which is on UNESCO's World Heritage List) as well as Punta del Este, to whose beaches the Buenos Aires beautiful crowd flocks each summer. There's advice, too, for active travelers who can rattle their whips on cattle-ranching estancias and spin their sticks in a game of polo or two, and for nature enthusiasts keen to watch wildlife in the western wetlands and birds in Cabo Polonio and Santa Teresa. Plus, the book investigates the Brazilian influences behind Uruguay's music and dance, and the country's Afro-Uruguayan culture, most noticeable in Carnaval.

This guide supports Head Start's efforts to improve long-term school success and continue comprehensive services for children by ensuring their effective transitions to different settings. The guide is divided into two sections, one on skill-based training and one on information resources. The skill-based training section includes three training modules. Module 1 focuses on transition and change, and helps participants develop skills in identifying and developing the supports that children and families need during transition. Module 2 focuses on transition and continuity, and helps participants develop skills in working as part of a team to provide ongoing services, support, and developmentally appropriate learning experiences. Module 3 focuses on partnerships for continuity, and helps participants develop skills to plan, implement, and evaluate transition practices and policies collaboratively with parents and key community partners. The

guide's information resources section contains four types of documents: digests, summarizing fundamental information on the topics of transition, change, continuity and support; program profiles, providing descriptions of transition programs from within and outside of Head Start; hands-on activities, offering examples of concrete transition activities for individuals to try in their own home or program; and 30 resources, including books, journal articles, and videotapes. A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

It's hard to find a nation that dances to a friendlier, more laid-back tempo than Dominica. The island rises majestically out of a turquoise-blue sea and provides a visually stunning backdrop to an easy-going way of life. You won't find your typical Caribbean beach vacation here, but what you will find is a country that begs you to discover and engage with its people, land and rich culture. With its soaring green mountains, colorful reefs, hidden beaches, natural hot springs, towering waterfalls, and pristine rivers, Dominica's rugged good looks will make you weak in the knees. With candid reviews of restaurants and hotels plus itineraries and advice for the lone adventurer or the whole family, this guide won't leave you wondering what to do next. Take advantage of the practical tips for traveling on a budget and off the beaten tourist path with all of the maps you'll need for hiking, driving, or exploring on foot or by bus. Included in this book is a first-of-its-kind comprehensive hiking guide featuring the newly developed Waitukubuli National Trail. With first-hand knowledge, cultural insights, and personal recommendations, this book is your key to the real Dominica.

Frames American history through personal and collective journeys Offering a blend of political and social histories, *The American Journey* shows that our attempt to live up to our American ideals is an ongoing journey—one that has become increasingly more inclusive of different groups and ideas. With a goal of making American history accessible, the authors offer a strong, clear narrative and provide students with the tools they need to understand history. MyHistoryLab is an integral part of the Goldfield program. Key learning applications include assessment, MyHistoryLab Video Series, and History Explorer. A better teaching and learning experience This program will provide a better teaching and learning experience—for you and your students. Here's how: Personalize Learning – MyHistoryLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Emphasize Outcomes – Learning Objective Questions at the beginning of each chapter and a chapter review and thematic timeline ending each chapter keep students focused on what they need to know. On MyHistoryLab, practice tests help students achieve these objectives by measuring progress and creating personalized study plans. Engage Students – A new pedagogically-driven design highlights a clear learning path through the material and offers a visually stunning learning experience in print or on a screen. With the Pearson eText, students can transition directly to MyHistoryLab resources such as primary source documents, videos, and mapping exercises. Improve Critical Thinking – Powerful learning applications in MyHistoryLab—including Explorer mapping exercises, Closer Look analyses of sources and topics, and Writing Assessments tied to engaging videos—promote critical thinking. Support Instructors – MyHistoryLab, Instructor's eText, MyHistoryLab Instructor's Guide, Class Preparation Tool, Instructor's Manual, MyTest, and PowerPoints are available.

Sandwiched between the South China, Sulu and Celebes Seas, Borneo is the third biggest island in the world and also the only island which is home to three nations: Malaysia, Indonesia and Brunei. Its biodiversity is also one of the greatest in the world, with tropical rainforest and rivers covering over 70 percent of Malaysian Borneo and hundreds of unique flora and fauna species. Despite extensive destruction of its rainforests over the past couple of decades, Borneo remains a floating natural paradise of tropical rainforest, jungle and wild animals. Its past is one of highlands, islands, head-hunters, sultanates and sea-going myths and therefore offers a rich cultural experience for adventure travelers, divers and sunbathers alike.
