The will to swing, Oscar Peterson Hal
Leonard Publishing Corporation

Après Miles Davis, Benny Goodman et
Charlie Parker, Jean-Pierre Jackson
consacre un nouvel ouvrage à une
grande figure du jazz : Oscar Peterson
(1925-2007), l'un des plus grands
pianistes du siècle dernier. Doué d'une
technique exceptionnelle, d'une
volubilité irrésistible, d'un swing
contagieux et omniprésent, il brilla
comme accompagnateur hors pair de
presque tous les grands solistes du jazz.
Cependant, c'est au sein de la formule
du trio avec contrebasse et batterie ou
guitare qu'il produisit ses
accomplissements les plus mémorables,
fascinant et enthousiasmant les scènes
du monde entier. Infiniment respecté
des musiciens, honoré de multiples
récompenses, il incarna avec humour et
gentillesse ce que peuvent être la
générosité et la dignité musicales.
Comme tous les volumes de la collection
"Classica", ce Peterson est enrichi d'un
index, de repères bibliographiques et
d'une discographie.

Billy Strayhorn (1915-1967) was one of
the most accomplished composers in
American music, the creator of such
standards as "Take the 'A' Train", yet all
his life he was overshadowed by his
friend and collaborator, Duke Ellington.
Through scrutiny of Strayhorn's private
papers and more than five hundred
interviews, Hajdu revives Strayhorn as
one of the most complex and tragic
figures in jazz history.

Jazz-Porträt Oscar Peterson Farrar,
Straus and Giroux

"Any book on my life would start with my
basic philosophy of fighting racial
prejudice. I loved jazz, and jazz was my
way of doing that," Norman Granz told
Tad Hershorn during the final interviews
given for this book. Granz, who died in
2001, was iconoclastic, independent,
immensely influential, often thoroughly
unpleasant—and one of jazz's true
giants. Granz played an essential part in
bringing jazz to audiences around the
world, defying racial and social prejudice
as he did so, and demanding that
African-American performers be treated
equally everywhere they toured. In this
definitive biography, Hershorn recounts
Granz's story: creator of the legendary
jam session concerts known as Jazz at
the Philharmonic; founder of the Verve
record label; pioneer of live recordings
and worldwide jazz concert tours;
manager and recording producer for
numerous stars, including Ella Fitzgerald
and Oscar Peterson.

Brad succumbs to the white plague, Oscar too spends his days fighting disease, confined to a hospital. Playing the organ at night for a mysterious sickly girl, he discovers his own talent, although years after recovery, he finds himself desperate, poor, and depressed—until the devil, otherwise known to the world as impresario Norman G, happens on him in a moment of crisis. Inspired by the life of legendary jazz pianist Oscar Peterson, Mauricio Segura's *Oscar* evokes periods across time, from the Depression-era Montreal neighbourhood of Little Burgundy to the swinging cabarets of the 1950s, while offering a reflection on the bonds between an artist and the Caribbean diaspora from which he comes. But above all, *Oscar* is a poignant homage to a musical giant, a man who changed the face of jazz forever.

B-Flat Instruments Owlkids
An engaging biography of a living musical legend, Oscar Peterson. A man Duke Ellington once called the "maharajah of the piano." Gene Lees carefully builds up the portrait of Peterson, his childhood and what it meant to be black and talented in Montreal in the 1940s, his three marriages and six children, his musical partners (Ray Brown, Herb Ellis and Ed Thigpen), his musical friends and colleagues (Ella Fitzgerald, Dizzy Gillespie, Art Tatum and Lester Young, amongst others) and the critical controversy and mythology that have long surrounded Peterson. This updated version has a new chapter that covers Peterson's appointment as Chancellor of York University; his receipt of ten honorary doctorates and the Order of Canada; his stroke and partial recovery; the origins and fallout of his cancelled North American tour and much more.
