BASIC JAPANESE VOCABULARY is written as a supplementary guide for students who are at the initial stage of learning Japanese and wish to reinforce their learning by an effective mastery of basic words. While learning, students encounter similar words which they use interchangeably without realizing the subtle differences in meaning encoded in them. This problem is not solved easily by looking in dictionaries or reading grammar books, or even by reviewing a vocabulary list supplemented by textbooks.This guide divides similar words into seven linguistically distinct, yet interrelated, areas which give rise to the similarity. In each chapter, a pair of words is presented under a single entry followed by concise explanations and clear examples. The book highlights what is most important for essential vocabulary learning. Reading the book will help students grasp the overall structure of Japanese vocabulary. There are 135 entries covering more than 300 words in the main text.The book can be used by intermediate students who wish to refresh their knowledge of Japanese as well as by teachers of Japanese, particularly those whose mother tongue is not Japanese.

The Book of Japanese Language is the combination of four parts in one with the aim of gathering in a single volume the necessary knowledge so that any student of Japanese can organically learn the grammatical rules of the language, the most common words, and at the same time be able to consult the great majority of grammatical forms that are used in Japanese on a daily basis. The four parts of the book are Vocabulary, Grammar Explanations, Expressing Yourself in Japanese, and Grammar Dictionary. In Vocabulary, you will find the most common Japanese words with detailed explanations. In Grammar Explanations, you will find the most important conjugations and grammatical forms along with examples to help you understand them. Expressing Yourself in Japanese lists these grammatical forms according to their usage. Finally, in Grammar Dictionary you can find summarized explanations of most Japanese grammatical forms ordered alphabetically.

[Japanese Vocabulary Book](#) National Geographic Books

Japanese vocabulary book + Japanese dictionary This Japanese vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Japanese-English as well as English-Japanese dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Japanese learning resource is a combination of Japanese vocabulary book and a two-way basic Japanese dictionary: Part 1 - Topic based Japanese vocabulary book: This is the main part of the book and represents a list of chapters each containing Japanese vocabularies for a certain topic. The Japanese vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Japanese dictionary: The index in the second half of the book can be used as a basic Japanese dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Japanese-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Japanese words and directly find the English translation How to use this Japanese vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Japanese dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Japanese translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Japanese dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Japanese and comes in particularly handy at times when there is no internet to look up words and phrases.
