His practice newly established, metaphysician Ned Mathey can't afford to turn away any clients. But the latest Londoner to seek Ned's magical aid

gives him pause: Mr Edgar Nevett, an arrogant banker, is the father of the bully who made Ned's life hell at boarding school. Nevertheless, Ned accepts the commission to ensure the Nevett family silver bears no ancient or modern curses, and then prepares to banish the Nevett family to unpleasant memory again. Until Edgar Nevett is killed by an enchanted silver candlestick-one of the pieces Ned declared magically harmless. Calling on his old school friend Julian Lynes-private

detective and another victim of the younger Nevett-Ned races to solve the murder, clear the stain on his professional reputation, and lay to rest the ghosts of his past. Assisted by Ned's able secretary Miss Frost, who has unexpected metaphysical skills of her own, Ned and Julian explore London's criminal underworld and sodomitical demimonde, uncover secrets and scandals, confront the unexpected murderer and the mysteries of their own relationship. In Death by

Silver veteran authors Melissa Scott and Amy Griswold introduce a Victorian London where magic works, influencing every aspect of civilized life, and two very appealing detectives. *The Ascended Masters Speak on Angels* Fandemonium Limited Aris Boch is back--and this time he's after Daniel Jackson. *Sacrifice Moon* St. Martin's Paperbacks The city of Astreiant has gone crazy with enthusiasm for a new play, "The Drowned

Island," a lurid farrago of melodrama and innuendo. Pointsman Nicolas Rathe is not amused, however, at a real dead body on stage and must investigate. A string of murders follow, perhaps related to the politically important masque that is to play on that same stage. Rathe must once again recruit the help of his lover, former soldier Philip Eslingen, whose knowledge of actors and the stage, and of the depths of human perversity and violence, blends well with Rathe's

own hard-won experience with human greed and magical mayhem. Their task is complicated by the season, for it is the time of year when the spirits of the dead haunt the city and influence everyone, and also by the change in their relationship when the loss of Philip's job forces him to move in with Nicolas. Mystery, political intrigue, floral magic, astrology, and romance--both theatrical and personal--combine to make this a compelling read. A winner of the Lambda Literary Award

for Best LGBT Speculative Fiction.

Point of Dreams

Fandemonium Books

What all of mankind have learned in the past about creation is the way that existence isn't -- a paradox! Awaken and realize that all of mankind will create their "body for

Ascension," whether they accomplish this now or later, and that this is not the exclusive domain of Christ or Buddha or many others who have ascended -- this is your birthright. You are not relegated to worshipping those who have already done this very basic initiation called Ascension. Christ and Buddha would be the first to acknowledge that they are just beginners on their eternal journey. When mankind lifts the veils of their unworthiness and recognize that they are the

Sons of God, that there is divine equality and no one is greater than another, then you will have begun our journey in the way that it was intended. In your near future your Planetary Hierarchy will release the world from theology, ecclesiasticism and the wrathful Jehovah and return humanity to its rightful journey into spiritualizing matter, not worshipping it! The Mahatma is for those who are motivated to search for the answers that can respond to their mental and spiritual bodies. In

the past, mankind's choices of beliefs and religions have supported only the emotional body and the darker, material side of life. And truly, if one is going to remain on Earth, very drastic shifts of consciousness will be required to have mankind remain in Earth's new fourth-dimensional reality. No matter how contrary to your current beliefs, this book contains methods for creating your spiritual Lightbody for Ascension, and it also explains your eternal journey in a way that was never before

available to mankind.

Death by Silver, metaphysician Ned Mathey and private detective Julian Lynes again challenge magical and murderous threats in a Victorian London not quite the city in our history books. Mathey is recruited by Scotland Yard to assist the new Metaphysical Crimes Squad in the case of a literally heartless corpse. Mathey soon discovers that the magic used to

rob the man of his heart and life does not conform to the laws of modern metaphysics-and then a second victim turns up. Meanwhile, a minor poet hires Lynes to track down and stop the blackmailer threatening to reveal him as the pseudonymous author of popular romances. When another target of the same blackmailer, a friend of Mathey's assistant Miss Frost, appeals for aid,

Lynes and Mathey begin to suspect murders and blackmail are connected. Digging deep into the clandestine worlds of lawless antique magic and the gay demimonde, Mathey and Lynes must uncover the source and nature of a heart-stealing supernatural creature before it can kill them too, even as they face the scandal of exposing themselves as sodomites in order to close the case.
