The adventure continues as Royce and Hadrian aid the struggling kingdom of Melengar as it alone stands in defiance against the newly formed empire. War approaches and a desperate gamble behind enemy lines is their only chance at

forming an alliance with the Nationalists to the south. But Royce has plans of his own as he uses this opportunity to discover if an ancient wizard is using Riyria as pawns in his own bid for power. To find the truth, Royce must unravel Hadrian's hidden past. What he discovers will lead them to the end of the known world, on a journey rife with treachery and intrigue. When author Michael J. Sullivan self-published the first books of his Riyria Revelations, they rapidly became ebook bestsellers. Now, Orbit is pleased to present the complete series for the first time in bookstores everywhere.

**The Riyria Revelations** Riyria Enterprises  
NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • A grand, devastating portrait of three generations of the Sackler family, famed for their philanthropy, whose fortune was built by Valium and whose reputation was destroyed by OxyContin. From the prize-winning and bestselling author of Say Nothing. "A real-life version of the HBO series Succession with a lethal sting in its tail...a masterful work of narrative reportage." - Laura Miller, Slate The history of the Sackler dynasty

is rife with drama—baroque personal lives; bitter disputes over estates; fistfights in boardrooms; glittering art collections; Machiavellian courtroom maneuvers; and the calculated use of money to burnish reputations and crush the less powerful. The Sackler name has adorned the walls of many storied institutions—Harvard, the Metropolitan Museum of Art, Oxford, the Louvre. They are one of the richest families in the world, but the source of the family fortune was vague—until it emerged that the Sacklers were responsible for making and marketing a blockbuster painkiller that was the catalyst for the opioid crisis.

Empire of Pain is the saga of three generations of a single family and the mark they would leave on the world, a tale that moves from the bustling streets of early twentieth-century Brooklyn to the seaside palaces of Greenwich, Connecticut, and Cap d’Antibes to the corridors of power in Washington, D.C. It follows the family’s early success with Valium to the much more potent OxyContin, marketed with a ruthless technique of co-opting doctors, influencing the FDA, downplaying the drug’s addictiveness. Empire of Pain chronicles the multiple investigations of the Sacklers and their company, and the scorched-earth legal tactics that the family

has used to evade accountability. A masterpiece of narrative reporting, *Empire of Pain* is a ferociously compelling portrait of America's second Gilded Age, a study of impunity among the super-elite and a relentless investigation of the naked greed that built one of the world's great fortunes.

**Blackguards** Legends of the First Empire Three times they tried to kill her. Then a professional was hired. So was Riyria. When the last member of the oldest noble family in Avryn is targeted for assassination, Riyria is hired to foil the plot. Three years have passed since the war-weary mercenary Hadrian and the cynical ex-assassin Royce joined forces to

start life as rogues-for-hire. Things have gone well enough until they're asked to help prevent a murder. Now they must venture into an ancient corner of the world to save a mysterious woman who knows more about Royce than is safe and cares less about herself than is sane. From the best-selling author of *The Riyria Revelations* comes the third installment of *The Riyria Chronicles*. Although part of a series, it's designed to thrill both new readers looking for fun, fast-paced fantasy and Riyria veterans wishing to reunite with old friends. The gods have been proven mortal and new heroes will arise as the battle continues in the sequel to *Age of Myth*—from the author of the *Riyria Revelations* and *Riyria Chronicles* series. In *Age of Myth*, fantasy master Michael J. Sullivan launched readers on an epic journey of magic and adventure, heroism and betrayal, love and loss. Now the thrilling saga continues as the human uprising is threatened by powerful enemies from without—and bitter rivalries from within. Raithe, the God Killer, may have started the rebellion by killing a

Fhrey, but long-standing enmities dividing the Rhunes make it all but impossible to unite against the common foe. And even if the clans can join forces, how will they defeat an enemy whose magical prowess renders them indistinguishable from gods? The answer lies across the sea in a faraway land populated by a reclusive and dour race who feel nothing but disdain for both Fhrey and mankind. With time running out, Persephone leads the gifted young seer Suri, the Fhrey sorceress Arion, and a small band of misfits in a desperate search for aid—a quest that will take them into the darkest depths of Elan. There, an ancient adversary waits, as fearsome as it is

deadly. Magic, fantasy, and mythology collide in Michael J. Sullivan's Legends of the First Empire series: AGE OF MYTH • AGE OF SWORDS • AGE OF WAR

Age of Legend Ridan Publishing

The epic battle between humankind and their godlike rulers finally ignites in the masterful follow-up to Age of Myth and Age of Swords. The alliance of humans and renegade Fhrey is fragile—and about to be tested as never before.

Persephone keeps the human clans from turning on one another through her iron will and a compassionate heart. The arrogant Fhrey are barely held in check by their

leader, Nyphron, who seeks to advance his own nefarious agenda through a loveless marriage that will result in the betrayal of the person Persephone loves most: Raithe, the God Killer. As the Fhrey overlords marshal their army and sorcerers to crush the rebellion, old loyalties will be challenged while fresh conspiracies will threaten to undo all that Persephone has accomplished. In the darkest hour, when hope is all but lost, new heroes will rise . . . but at what terrible cost? Magic, fantasy, and mythology collide in Michael J.
