Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani’s childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City’s homeless

crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “to protect those who I love.” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if

Basic Books
My motive for

writing this
book is to
restore the
unity of the
African-
American
family. There
are values
that we have
strayed away
from. So many
African-
Americans are
not getting
married
because they
fear that it will
not work out.
For those that
do get
married, fewer
and fewer of
those
marriages are
lasting. A
great number
of people get
married with
the mindset
that if it
doesn't work
out they will

just get a divorce. By having that mindset they are going into the marriage with an attitude of defeat. As I look around our nation, I see so many families breaking apart, thereby destroying future generations. We do what looks good, feels good, and whatever makes us happy as individuals. We are molding our next generation into self-centered out of control

individuals going nowhere fast. The morals and values of our ancestors are almost extinct. The desire of my heart is for us to stop hurting and damaging one another. Its a catastrophic domino effect that seems like a never ending nightmare! We have to take the time to sit back and realize our selfishness only preps the next person for the same, or preps them to feel theres no way out of being nice and

loving people and getting hurt, being someones doormat! I wish to help restore the worth of our men and women; to revive the black community, putting things into proper perspective so that people who get married can STAY married, and for those that arent married and are afraid of the marriage failing, to break free of that fear and fulfill their desire to be married. We dont have to

accept a dysfunctional family as the norm! In order to establish and maintain a healthy family, our perspective on life has to be positive, with one main ingredient: love. It is the responsibility of each individual to do whats necessary to build a strong foundation that will solidify a successful relationship and/or marriage, even while you are still single. It breaks my heart to see

so many unhappy people. Whether they are unhappily married or unhappily single, many are miserable and have no clue as to why. In this book I will lay out some things very clearly, step by step, to help you understand why marriages fail, relationships crumb, and fear so gruesomely imprisons us. *Complete Driving Test Book* CreateSpace Before you will be allowed to
