History Swanage: Looking to the Future 2007 - 2027 Purbeck is a district of Dorset that takes its name from the peninsula known locally as the 'Isle of Purbeck'. This sixty square mile chunk of land jutting into the English Channel is bordered on three sides by water and, although not actually an island, has an insular character which is largely due to its geography. Purbeck | The Dorset Guide The Isle of Purbeck is a peninsula in Dorset, England. It is bordered by water on three sides: the English Channel to the south and east, where steep cliffs fall to the sea; and by the marshy lands of the River Frome and Poole Harbour to the north. Its western boundary is less well defined, with some medieval sources placing it at Flower's Barrow above Worbarrow Bay. Kingston (St. James), Dorset as dramatically revolutionary as the Industrial Revolution, except perhaps the Neolithic Revolution"1. The industrial revolution shaped the face of new industrial and economically successful societies by modifying their social and economic structures and destabilizing all established hierarchies. Why did the Industrial Revolution Start in Britain? Urbanization. The Industrial Revolution changed material production, wealth, labor patterns and population distribution. Although many rural areas remained farming communities during this time, the lives of people in cities changed drastically. The new industrial labor opportunities caused a population shift from the countryside to the cities. Urbanization & Other Effects of the Industrial Revolution ... Social Darwinism.
